In the space provided, please list the reasons for requesting this coop application:

Cavalier is requesting to join our current coop in girls golf to allow for their one expected athlete to be able to join a team and receive coaching. They have been unable to recruit students to field their own team for the last few years and do not expect their coop with North Border to be able to fill a team. The addition of Cavalier will provide the opportunity for coaching and a team atmosphere for any athletes from Cavalier. This coop will not negatively impact the current Langdon Edmore Munich coop as numbers have decreased to with the move to the Fall season for golf, so all athletes will still have the opportunity to participate in the current coop.

If approved, will this coop affect other schools: please circle: **(Yes)** (No) If yes, how? It will dissolve a current coop between Cavalier and North Border for girls golf, but they have not had any participants recently and do not expect to have any.

Is this the nearest opportunity for schools to coop? please circle: **(Yes)** (No)
If No, Please indicate why closer school(s) are not included in this application.

Has displacement of student been considered by each school? **(Yes)** (No)

Is the reason for this application to improve competition levels or **make participation available**. Explain:
We are looking to expand our current coop to allow Cavalier's athletes the opportunity to participate on a team for girls golf instead of playing as an individual.
