In the space provided, please list the reasons for requesting this coop application:

Glen Ullin has not sponsored cross country until this year. We would like to give our participants the opportunity to compete as a team. We do not have enough participants currently to compete as a team. We are cooped in four other sports, and this would be a natural progression if we have athletes interested in the future.

If approved, will this coop affect other schools: please circle: (Yes) (No) If yes, how? _____

Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)
If No, Please indicate why closer school(s) are not included in this application.

Has displacement of student been considered by each school? (Yes) (No)

Is the reason for this application to improve competition levels or make participation available. Explain:

This coop is to make participation available. Glen Ullin does not have enough athletes to compete as a team. We would like to offer this sport and hopefully grow our combined program.
