Kevin

I would like to board to look at the regulation mandating 3 sets be played for JV. On Tuesday, September 20 we played Dunseith in A,B,C,8,7 and started at 3:30. We didn't start the varsity match until 8:00 and it didn't finish until about 9:40 because it went 5 sets. We also shorted up the warm-up times for JH and JV. I am also getting complaints from officials about this regulation. If we are only playing an A & B game that night, then I don't have a problem with playing a 3rd set in the JV game. I would like to see the number of sets played for JV left up to local control.

Thank you for your attention to this matter.

As a member school of the NDHSAA, Northern Cass requests that the NDHSAA board of directors make a change to VB regulation #24. The request is to eliminate the mandate that all sub-varsity matches be played to a third set. Sub-varsity matches would return to best two out of three sets, however upon mutual consent of competing schools a third set may be played.

Thank you for your consideration in this matter.

Dear Board Members of the North Dakota High School Activities Association,

This letter is being submitted to the NDHSAA Board of Directors on behalf of Napoleon Public Schools in support of eliminating Volleyball Regulation 24 that states, "*All sub-varsity matches will be a mandated 3 sets. The third set will be to 15 points, still must win by 2 points.*"

The majority of Region 3 Volleyball Coaches and Athletic Administrators agreed that we would like to see this mandate eliminated and the regulation return to the best of 3 model. The choice to play a 3rd set, if it is not needed, should be left up to the discretion of the coaches. The coaches felt that it would be best to leave the decision up to the visiting coach and school to make the decision.

Thank you for your consideration. If you have any questions please feel free to contact me at (701)754-2244 or email at chad.berger@napoleon.k12.nd.us.
