Dear NDHSAA,

On behalf of New England Public School, this message serves as formal notice of the district's intent to dissolve our Grades 7–12 Girls' Fastpitch Softball cooperative agreement with Dickinson Public Schools.

Beginning with the upcoming season, New England Public School plans to operate an independent Grades 7–12 softball program and will be declaring varsity eligibility for our team.

Please advise us of any required next steps, forms, or timelines to ensure compliance with NDHSAA regulations throughout this transition.

Thank you for your attention to this matter. We appreciate your guidance and support as we work to establish our own program for our student-athletes.

**Mr. Scott Jung**  
Superintendent  
New England Public Schools
