Dear Mr. Sylling:

I would like to request being placed on the agenda for the October 21 meeting of the NDHSAA Board of Directors. The purpose of my discussion would be to request the Board to consider implementing a 3 division system for volleyball and basketball, effective the 2011-2012 school year. Superintendent Rick Diegel of Edgeley and Superintendent Mitch Carlson of Lamoure would also like to address the Board on this topic. We will plan to arrive shortly before 3:00 PM as you indicated on the phone today.

Thank you very much for your assistance in this matter Sherm.

Sincerely,

Dean Koppelman
Superintendent
