

Montpelier Public School  
214 7<sup>th</sup> Avenue  
Montpelier, North Dakota 58472

To: Brian Bubach, NDHSAA

From: Mary Steele, Montpelier High School

Dear Mr. Bubach,

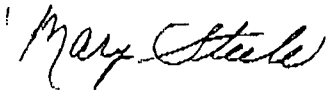

Our region for the one-act play has always been Region V due to small numbers of competing schools in that region. Last year, we were switched to Region VI for various reasons. Last year, there were only 5 competing schools in Region V, while there were 12 competing in Region VI in Edgeley.

We would like to be put back into Region V in order to even out the numbers of competing plays in each region and because our play director is well-acquainted with the Region V directors. She would like to be back in Region V with familiar acquaintances and policies.

If you can switch our school back before competition this year we would be very grateful. We were unable to get the paperwork done last year due to the fact that we were unable to attend the Fine Arts meeting because of the flooding in this area.

I do hope you will consider the Montpelier School to return to Region V

Sincerely,

Mary Steele, principal
