To Sherm Sylling and NDHSAA Board

Davies High School would like to request to be placed on the October 19, 2011 board meeting agenda. The purpose of the request is to appeal a decision of a Davies high school student hardship application that has been denied.

At this time, I plan on attending the meeting to represent the school, student, and his family.

Thank you for your time and consideration.

Sincerely Yours,

Lenny Ohlhauser
Davies Activities Director
