Dear Mr. Sylling & Board of Directors of NDHSAA:

The purpose of this letter is to request the dissolution of the Girls Hockey Coop between Jamestown Public Schools and Gackle/Streeter Public Schools that was granted at the September 13, 2011 board meeting.

The reason that Jamestown Public Schools and Gackle/Streeter Public Schools is asking for this dissolution is that the student this was originally granted for has since moved out of the Gackle/Streeter Public School District. Due to the fact that there are no other students in Gackle/Streeter wishing to take advantage of this opportunity according to Superintendent Matt Scherbenske it does not make sense to keep the coop in place.

Please let me know if there is anything more that you need or if you have any further questions regarding this matter.

Sincerely,

Jim Roaldson
Activities Director
Jamestown High
