Please make sure you represent the majority of schools in your District. Thank you for serving as District Chair.

Meeting Chairperson: Todd Olson, Vice President, NDHSAA Board

District 1-----Chris Swenson, Supt. Wyndmere HS

District 2-----Kal Triplett, AD Richland HS

No Agenda Items

District 3-----Patti Aanenson, AD Larimore HS

District 4-----Andrew Currie, Prin/AD Valley-Edinburg HS

1. Future of District Chairs

District 5-----Matthew Lokemoen, AD Pingree-Buchanan HS

District 6-----Monty Mayer, AD Kidder County

- 1) 6-team regional tournaments for volleyball and basketball
- 2) 2-week dead period-last week in June and first week in July
- 3) AD passes from NDHSAA for all regular season contests

District 7-----Karla Michaelson, AD Carrington HS

1. Move Region track to Friday – make-up date on Saturday
2. Reduce the number of basketball officials from three to two for post season tournaments.
3. Concerns on Minot hosting state volleyball tournament

District 8-----Randy Loing, Prin. AD Rolla HS

- 1- Concern about BEK Sports coming into our facilities and completely taking over. There have been instances where at a VB match, the JV match was tied at 1-1 and they weren't allowed to finish the match because BEK Sports needed to get on the air by a certain time. Is this an issue for any other schools?
- 2- Volleyball center-line violation needs to be more in-line with college
- 3- Districts 7 & 8 are looking at putting a proposal together for a Super Regional in VB. District 8 has 5 teams and District 7 has 6.

District 9-----Brian Nieuwsma, AD Flasher HS

1. District 9 was in agreement that they liked the switch to the colored volleyballs.
2. District 9 would like to host the Region 5 tournament this upcoming season (2013) at Shiloh Christian HS, District 10 hosted consecutive region 5 tournaments in 2010 & 2011 at Washburn.
3. At this time, District 9 is not interested in moving to a super regional. We would like to see how it works out in Region 7. Rather, we are in favor of modifying the district/regional tournaments a bit. We would like each district to advance 3 teams to the regional tournament instead of the current format with 4 teams advancing. the #1 teams from each district would get a bye in the regional tourney and the others would be seeded accordingly. There would only be two games on each day of the regional tourney, which would also solve the out of school time on the first day.
4. District 9 would like to continue to have 6th grade students still be able to participate in JH activities with the rule change for the rule of 50. This would be a huge concern for our small schools to continue JH programs.

District 10-----Brandt Dick, Supt. HMB and Underwood HS

- 1) Keep district tournaments and propose to send top 2 teams from Districts to Regional's for VB and BB.
- 2) We want to have the capability of having 6th graders to compete at the JH Level, if needed, and 6th graders will be covered by the school districts catastrophic insurance.

District 11-----Bob Beaudrie, Prin/AD Newburg HS

No Agenda Items

District 12-----Robert Thom, Prin/AD Kenmare HS

1. Golf in the fall

District 13-----Tyler Senn, AD Bowman County HS

- 1 - Two regions of Class B wrestling - East and West or North and South - 16 individuals qualify to the state tournament - 8 from each region - Top four teams qualify to the state dual tournament - Reasoning: it provides a better representation of our top athletes at the state tournament.
- 2 - District 13 supports a by law change to the JH regulations

District 14-----Mitch Lunde, AD Beulah HS

District 15-----Randy Cranston, AD Watford City HS

1. CC athletes should have to qualify for state—Top 3 teams, Top 40 runners
2. One team moved back to District 15 in BBB and GBB to even out 7 and 7

District 16-----Michael Bergstrom, Ray HS
