Dear High School Activities Association Board:

YOU SHOULD BE EMBARRASSED! Hosting a State Tournament in Football on a Friday Morning at 9:00 A.M.

How can you possibly say that your main concern is high school students. A 9:00 A.M. start is beyond understanding. What part of your organization thinks that is a good time for such a thrilling event for students to participate. Would the same thing EVER happen in basketball? Also, why is it the 9- man game is the early game every year. I seem to remember hearing the large schools would not play at that time.

I do not have any relatives or friends participating in these games, I'm just a good high school sports fan. I am not expecting you to reply to this letter, because there is nothing you can say to justify your actions in this matter.

Sincerely

Don Thompson
