To: NDHSAA Board of Directors

From: Ryan Eraas, Athletic Director, Tioga Public School

This letter is to notify you of Tioga High School's desire to leave our current wrestling co-op with Stanley High School, starting with the 2014-15 school year. In addition, we would like to begin a new wrestling co-op with Ray High School, who will also be leaving the co-op with Stanley. The name of the new wrestling co-op will be the Williams County Firestorm. We would like the new co-op to take effect for the 2014-15 school year.

Thank you for your time and consideration.
