Matt/Kevin:

On behalf of the Mandaree and White Shield School's, we wish to dissolve our Track & Field Co-op, which goes under the co-op name of Fort Berthold. The existing co-op began for the period of 1998-2001. The distance between our 2 schools makes it difficult to practice and participate together at the same Track & Field Meets. We feel it is in our best interest to discontinue the co-op.

If you should have any questions please contact myself, Gaillard Peltier, White Shield Superintendent; and/or Carolyn Bluestone, Mandaree Superintendent.

Respectfully,

Daryl Bearstail, Athletic Director
