Hi Matt:

Region 1 has 2 requests concerning us moving to our Super Regional format for the upcoming 2015-16 year.

1.) Enderlin has decided to decline hosting the Region I Volleyball tourney due to lack of locker room space needed to host the Regional Tourney. Kindred would like to now host the final three nights of the Region Tournament as they were the next school in line. We would simply move the tourney to Kindred with same bid. Let me know if I need to submit a new bid.

2.) Region 1 would like to play the "first round/play in games" of the Super Regional Volleyball Tournament at the higher seeded teams being the home site. We know that in our proposal that we wanted to do everything the same for both VB, GBB, & BBB but after much discussion, it was decided that we would like to play the "first round/play in games" at the home of the higher seeded teams. Again, this would only apply to Volleyball.

Please let me know if this is ok to do or if we need to follow what we proposed earlier. Thank you for your time.

Perry Piatz, AD
