June 8, 2015

Dear NDHSAA Board of Directors,

I am writing this request to move Hillsboro School District music and drama out of Region 2 and into Region 3. Hillsboro and Central Valley are in a coop agreement with speech which participates in Region 3 competitions. Hillsboro School District would like music, drama and speech in the same Region to avoid paying multiple fees.

Region 3 holds their music competition at Mayville State University. Mayville State University's location to Hillsboro would create a better logistical situation for our students by allowing a later leave time and an earlier arrive time.

Sincerely,

*Terry Baesler*

Terry Baesler
