

To: North Dakota High School Activities Association Board

I'm writing this letter in conjunction with are application for the Coop in football with Nedrose High School. The reason that we are willing to coop is to give students a chance to play football. I'm asking for a waiver for the first two years of the coop hoping that we can so we can get a better count on how many boys Nedrose.

- Right now there are so many question that nobody can answer about how many students will even be at the Nedrose High School next fall. They only know that the 8th graders they have now will have to attend next fall.
- Right now I'm not sure if they are going to done with the new school in time for the 2015 school year. If there not done they plan on bringing portables and that will keep some older students away.
- At the present time we are not sure how long this coop is going to last. They have indicated that after the first two years they want to look at seeing if they have enough to hopefully have there own team. They are also looking for sure of trying to have a Junior High Team of there own by the fall of 2016.

Thank You
