Dear Mr. Bubach:

I am writing to ask that the speech coop that currently exists between Bowbells and Burke Central be dissolved. When we started this coop, Burke Central did not have much for participation numbers. They have been able to build a program, and now the numbers from both schools are strong. We feel continuing with the coop will limit the number of students that will get the opportunity to participate. In my opinion, speech is one activity that participants can use for a lifetime. We believe that it is in the best interest of our students from each school to have more opportunity to participate.

Both school boards have approved a dissolution. Please consider this request.

Thank you for your time.

Sincerely,

Celeste Thingvold

Superintendent
