Decreased numbers in program due to split with coop with Sheyenne High School starting their own varsity and jy
program. Provide an opportunity for student/athletes at Kindred High School to participate in high school girls' soccer
If approved, will this coop affect other schools: please circle: (Yes) (No) I (Yes, how?
Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)  If No, Please indicate why closer school(s) are not included in this application.
Sheyenne High School is closer to Kindred, but their initial numbers has them projected to have enough girls to field a
varsity and jv team.
Has displacement of student been considered by each school? (Yes) (No)
Is the reason for this application to improve competition levels or make participation available. Explain:
West Fargo High School's initial numbers for girls soccer is at a point that we will have too many for just a varsity lear
but not enough for a JV team. The majority of the student/athletes who have signed up for girls' soccer have never
played soccer before. We are very concerned about their safety playing varsity soccer and feel the coop allows us to
place the students on a team that gives them the best chance to participate at a skill level equal to their ability. We
also feel the opportunity for the student/athletes at Kindred High School to participate in a high school soccer program
will benefit their high school experience as well.
Other information that be useful for the NDHSAA Board of Directors in reaching a decision:
We have a large number of ELL students at West Fargo High School who cannot participate in girl's activities due to
religious circumstances. We feel moving forward it will be very difficult to sustain the numbers of participants we have
had prior to the breakup of our coop with Sheyenne High School. The coop with Kindred will allow for us to move
forward with a program and provide an opportunity for the female student/athletes at West Fargo High School and
Kindred High School to participate in the game of soccer.
