Re: Dissolution of Dickinson High/Trinity Speech Coop

Brian,

This is a formal request on behalf of Janel Schiff to dissolve the coop agreement with Dickinson High School for the upcoming speech season. As numbers have grown rapidly the past 2 years, we feel it is in the best interest of kids from both schools that we have our separate teams. We still want to keep the coop agreement with New England so that Trinity-New England can compete in the Class B level of speech. If you need any other information, please feel free to contact myself or Janel Schiff. Thank you for the consideration.

Sincerely,

Gregg Grinsteinner
Athletic Director, Trinity High School
