Re: Streaming the District 10 Tournament

The purpose of this letter is to appeal the \$1,000 fine that was levied to District 10 for my failure to seek prior approval from the NDHSAA office.

I can offer no excuse for my error other than a lapse of memory on my part. Over the years I have managed several district and regional tournaments and have prided myself on paying attention to detail, in this case I simply forgot to contact the office. It did not dawn on me until I started working on the financial statement for the tournament. Once I realized my error, I immediately contacted Associate Director Bubach to report it and then followed up with a phone call to Executive Director Fetsch.

I ask that you not punish the schools of District 10 for my error and you have my sincere apology.
