In the space provided, please list the reasons for requesting this coop application:

JCCA is located in the McKenzie County School District. They are seeing an increase in students that want to participate in activities. The Watford City High School / McKenzie County School District #1 will be moving to the Class A Division in 2018-19 being our division will not be adjusted up to Class A with JCCA's additional enrollment we would be open to providing their students with the opportunity to compete in activities as they would not be able to put together their own teams with their small numbers.

If approved, will this coop affect other schools: please circle: (Yes) (No) If yes, how? NO

Is this the nearest opportunity for schools to coop? please circle: **(Yes)** (No)
If No, Please indicate why closer school(s) are not included in this application

Has displacement of student been considered by each school? **(Yes)** (No)

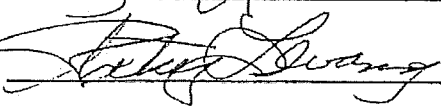

Is the reason for this application to improve competition levels or make participation available. Explain:
The reason for this coop is to provide JCCA students the opportunity to be on a team and to compete. We have had coops with them in the past and would like to start it up again.

Other information that be useful for the NDHSAA Board of Directors in reaching a decision:

JCCA has very few students which makes it impossible for them to develop their own programs. JCCA has some students who wish to pursue excellence in their growth and development through this cooperative arrangement.
