Dear NDHSAA Board of Directors,

The North Dakota Association of Secondary School Principals (NDASSP) would like to formally request the ability to recognize the three winning schools of the newly created North Dakota State Acalympic Competition during the North Dakota High School Activities Association (NDHSAA) sponsored state basketball tournaments. NDASSP would like to make this presentation in conjunction with the current Academic All State awards ceremony at the ND State Basketball Tournaments.

The NDASSP State Acalympic Competition was initiated in 2016 with three schools being crowned champions. The three categories are Class B small schools, Class B large schools, and class A schools. Each team consists of 6 members and a coach that we would like introduced during the current Academic All State awards ceremony. The students would be recognized at the year following the competition, so the 2017 champions would be announced during the 2017-2018 ND State Basketball tournaments.

NDASSP respectfully requests that the NDHSAA Board of Directors will approve this request so these students will receive the recognition that they deserve.

Respectfully,

A handwritten signature in black ink, which appears to read "Jennifer Fremstad", is written over the word "Respectfully,".

Jennifer Fremstad, President  
North Dakota Association of Secondary School Principals
