NDHSAA Board of Directors:

I would like to make a request to allow Jamestown to host the 2018 State Class B Baseball & Softball Tournament. Mandan is hosting the Class A West Region Softball tournament next spring and with the possibility of one or both of our softball and baseball teams playing in the Class A State tournaments, I would have a hard time finding enough help.

I recommend that Jamestown be the host for the 2018 Class B Baseball & Softball Tournament.

Thanks for your time.

Sincerely,

Mark Wiest
