NDHSAA Board Members,

This letter is to notify you that Our Redeemer's Christian School wishes to appeal the Executive Board's decision to not allow a coop dissolution with Berthold Public Schools. Dissolution and the establishment of a new coop was proposed with the belief that it would provide greater student participation in football for both school organizations.

We recognize that the dissolution date had passed, however, we did not require the additional time to find a new coop. All schools involved in the dissolution request and new coop establishment believe that it serves the best interest of student participants and works to secure the football program at all schools involved.

Sincerely,

Charles Strand, Administrator
Our Redeemer's Christian School
