Good Afternoon Brian: Our Board voted UNANIMOUSLY dissolve the Central Dakota Titan Football Co-Op last night at our School Board Meeting! Not sure when the meeting of NDHSAA is to dissolve the Co-Op, but know that we are OK with it ending!

Next question.....knowing that we will be done with Griggs County & Midkota after the 2018 season, is it possible to send our Junior High kids to Valley City to play football in the Fall of 2018 instead of them playing for Central Dakota. Our Board's thoughts are that if we are looking to Co-Op fully with VC anyway, why not have our JH kids play start right away! Hope this makes sense!!

Thanks for all you do!! Have a great Thursday!! Take Care!!

Barnes County North Superintendent
