Matt,

The WDA is requesting to move the West Region Volleyball tournament from Williston to Mandan on November 9-11, 2017. The gym floor in Williston has major cracking and buckling issues and has been deemed unplayable.

The WDA is requesting to move the West Region Girls Tennis tournament from Bismarck to Minot on May 24-26, 2018. The tennis tournament is the same weekend as the state track meet in Bismarck. The sport has added an additional week to the season and this has affected the placement of the regional tournament on the calendar.

Please call with any questions.

Sincerely,

Dave Zittleman
WDA President
Activities Director BPS
