In the space provided, please list the reasons for requesting this coop application:									
Midway currently does not have a softball program and with limited numbers needed to join a team in									
order to participate.									
If approved, will this coop affect other schools: pleas	e circle: (Yes) (No	o) If yes, how? Other schools							
(Draylon, St. Thomas, Valley Edinburg, Park River, and Fordville Lankin) are already in the coop.									
Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)									
If No, Please indicate why closer school(s) are not included in this application.									
Has displacement of student been considered by ea	ch school? (Yes)	(No)							
Is the reason for this application to improve competition levels or make participation available. Explain:									
Last season the current coop only had 21 kids participating. Midway has approximately 5 kids									
interested in joining which would help the existing co	op as well as offer	ing participation to the students at							
Midway.									
Other information that be useful for the NDHSAA Bo	ard of Directors in	reaching a decision:							
There are two key reasons this coop is being create	ed. Number one, li	provides an opportunity for							
Midway students to participate in the sport of softball	. Secondly, it help	s improve overall participation							
numbers in the program.
