In the space provided, please list the reasons for requesting this coop application:

**Harvey has been in an existing cooperative relationship with Fessenden-Bowdon and Drake-Anamoose for Wrestling, and has been several years. This Coop Application is reaching out to Maddock Public Schools to provide an opportunity for future interested students to compete and perhaps extend the life of the sport of wrestling in our present HWC Coop.**

If approved, will this coop affect other schools: please circle: **(No)** If yes, how? **There will be virtually no affect since Maddock would seemingly have no inclination to participate elsewhere. With the limited number of remaining wrestling programs in the state, this can only provide opportunity for the students who have access to this activity while, hopefully, maintaining the possibility for our students to have access to a Wrestling Program in Harvey.**

Is this the nearest opportunity for schools to coop? please circle: **(Yes)**  
If No, Please indicate why closer school(s) are not included in this application. **N/A**

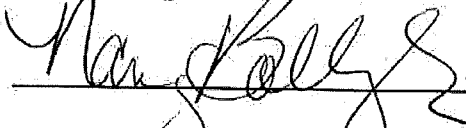

Has displacement of student been considered by each school? **(Yes)** **The current students involved would not only benefit from the additional participant competition, but, as a team, would offer our opponents additional competition on the mat, particularly in duals. Without additional participants in the program, duals become almost a wasted event for both participants and fans as there are often not enough matches to justify the travel and costs associated with dual competition.**

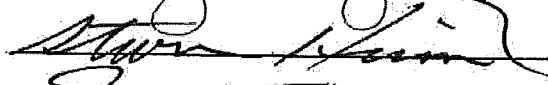

Is the reason for this application to improve competition levels or make participation available. Explain:  
**Participation. Our numbers for our Wrestling Program in Harvey have been dangerously low at times and, unfortunately continue to thin over time. Although Maddock offers little in the way of immediate additional numbers, every participant helps and this provides an opportunity to their students they would not otherwise have.**

Other information that be useful for the NDHSAA Board of Directors in reaching a decision: **N/A**
