Is this the nearest opportunity for schools to coop? please circle: (Yes)

Has displacement of student been considered by each school? (Yes)

Is the reason for this application to improve competition levels or make participation available? Explain:

The reason for this application is to make participation available and to increase the number of participants in the Minot High Girls Hockey Program.

Other information that be useful for the NDHSAA Board of Directors in reaching a decision:

Although Minot High has a large enrollment the grade 7-12 girl's hockey players in the community are limited. In discussion with coaches the ideal number of skaters in hockey would be 20-26 and Minot High has routinely been at approximately 16-20.
