

**WEST FARGO PUBLIC SCHOOLS**

"Educating today's learners for tomorrow's world."

February 14, 2020

North Dakota High School Activities Association  
350 2<sup>nd</sup> St. NW  
Valley City, ND 58072

Dear Executive Director Fetsch and NDHSAA Board Members,

We have submitted Horace High School coop applications for the 2020-21 school year. At the business meeting on February 10, our school board approved the submitted coop requests for fall and winter athletic programs. These programs include girls' and boys' cross country, girls' and boys' swim and dive, girls' golf, boys' tennis, boys' soccer, boys' wrestling, along with girls' and boys' hockey. We plan to have football, volleyball, and girls' and boys' basketball as standalone athletic programs for Horace High School; competing at the sub-varsity levels. We intend to review numbers for spring athletic programs in April and May of 2020 to determine coop status.

Horace High School will begin in the fall of 2020 with approximately 126 ninth grade students located at Heritage Middle School. In the fall of 2021, the district will open the new Horace High facility with both ninth and tenth grade students with an approximate enrollment of 270 students.

Thank you for reviewing and considering the application requests for West Fargo Public Schools, Horace High School coop with existing programs at Sheyenne High School. Please do not hesitate to contact us if you have additional questions.

Sincerely,

Superintendent Beth Slette

Assistant Superintendent Allen Burgad
