re: High School Girls Wrestling Division

Hettinger Public School is requesting that NDHSAA sponsor a girls division in the sport of wrestling to coincide with, but be independent from the boys division. We feel that this will create a more competitive balance to the sport and will provide opportunity for growth.

If you have further questions please feel free to contact me at (701)567-5315 or by email Ryan.Moser@k12.nd.us. Thank you for your consideration of our request.

Sincerely,

Ryan Moser
Superintendent
