NDHSAA Board members;

The purpose of this letter is to serve as notification to the NDHSAA, Drayton School and Valley-Edinburgh School of the intent of the St. Thomas School District to withdraw from the baseball co-op effective June 30, 2020.

The St. Thomas School District school will pursue a baseball co-op agreement with Grafton for the 20/21 school year.

The school district has a reorganization vote to merge with Grafton in July 2020. If the reorganization vote receives a majority the St. Thomas School district will be reorganized with Grafton School District as a new school district beginning July 2021.

Respectfully,

Jack Maus, Superintendent

St. Thomas Public School
