In the space provided, please list the reasons for requesting this coop application:

The Coop would give our students more opportunities and provide adequate participation numbers to run a program. The numbers have been low and we cannot sustain long term programs.

If approved, will this coop affect other schools: please circle: (Yes) (No) If yes, how? _____

Enderlin and Finley-Sharon

Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)

If No, Please indicate why closer school(s) are not included in this application.

MV and HP are comparable school sizes and the fact we are currently sharing several staff members daily makes this coop a great fit.

Has displacement of student been considered by each school? (Yes) (No)

Is the reason for this application to improve competition levels or make participation available. Explain:

Participation is a key factor and also to create more opportunities for our students. It will also give our programs long term stability as now we both have low participation numbers.

Other information that be useful for the NDHSAA Board of Directors in reaching a decision:

The Maple River Riders would like to be placed in region 1. The relationship that has been built between MV and HP has been strong with the sharing of staff members and would continue as we enter & grow the coop. The coop would provide opportunities for our students and increase participation numbers in extracurricular and co-curricular activities.
