PO Box 817
Valley City, ND 58072

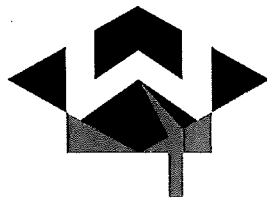

Dear Executive Director Fetsch and NDHSAA Board of Directors,

Beginning this 2021-22 school year, Williston Public School District #1 and Williams County School District #8 will be formally reorganized as Williston Basin School District #007. On behalf of the Williston Basin School District #007 School Board, we have five requests based on this reorganization:

- 1.) Williston Public School District #1 be removed from NDHSAA Membership.
- 2.) Williams County School District #8 be removed from NDHSAA Membership.
- 3.) Williston Public School District #1 students be granted one-time immediate eligibility pursuant to Part II, Article XIV, Section IX Q/A #10. Understanding that once these students attend or compete, their choice of new school has been made and are then subject to the NDHSAA transfer rules.
- 4.) Williams County School District #8 students be granted one-time immediate eligibility pursuant to Part II, Article XIV, Section IX Q/A #10. Understanding that once these students attend or compete, their choice of new school has been made and are then subject to the NDHSAA transfer rules.
- 5.) Current Williston High School cooperative sponsorship agreements will remain in-force for the 2021-22 school year, subject to current coop deadlines and procedures moving forward.

Thank you very much for your consideration regarding our reorganization. If needed, please do not hesitate to contact me for additional information.
