Kent Packer, Secondary Principal
Matt Crane, Activities Director/Dean of Students

Mission

To Educate, Prepare, and Maximize Student Potential

June 3, 2021

Mr. Fetsch,

Kindred High School would like to request that the NDHSAA Board of Directors move next years 2022 State Class B Boy's Golf tournament from Carrington to Oxbow, ND on May 31 and June 1, 2022. I have spoken with the Carrington Athletic Director, Karla Michaelson, and she has given her ok for us to make the request.

Kindred High School would host the event and Matt Crane, Athletic Director at Kindred High School, would be the event manager.

Please let me know if there is any other information you would like or questions you have. I thank you for your consideration.

Sincerely,

Kent Packer, Principal
Kindred High School
