Regarding: Participation at non-NDHSAA Event

We are respectfully requesting a waiver to allow one of our Davies track and field athlete be able to run in the Simplot Games, February 17-19.

I, along with the Coach Beil, am writing in support of the student participating in this event and would ask the NDHSAA Board of Directors to permit participation in this event.

As you may be aware, this is not an unprecedented request. There have been athletes who have requested permission to participation in a non-NDHSAA event like this. By approving this request, it will the student a great opportunity to represent Davies High School, FPS, and the state of ND.

Please feel free to contact me if there are any questions, at 701.730.8261. Thank you for consideration of our request.
