In the space provided, please list the reasons for requesting this coop application:

To continue to provide Cross Country as an activity to students in Solen. The program has declining numbers, for the last few years which is projected to continue a few years to come. Co-oping will help us reliably and consistently fill a team. We already have an established co-op for 4 sports and are looking to extend our working relationship to allow our students a more successful and enjoyable season playing students their own age and caliber.

If approved, will this coop affect other schools: please circle: (Yes) (No) If yes, how? _____

If No, Please indicate why closer school(s) are not included in this application.

Has displacement of student been considered by each school? (Yes) (No)

Is the reason for this application to improve competition levels or make participation available. Explain:

The reasons for this co-op is to continue to provide the opportunity for Solen students to participate cross country without the co-op we would not be able to field our own team.
