NDHSAA Board of Directors,

Oberon Public School would like to apply for membership in the North Dakota High School Activities Association, beginning in the 2023-2024 school year. Oberon Public School is expanding its enrollment to include 8th graders beginning in the upcoming school year. The school would like to be able to provide the opportunity for students to compete in extracurricular activities. The school plans to co-op with Tate Topa in Fort Totten, for Junior High boys football and Junior High girls Volleyball. Oberon Public School will attempt to offer basketball for both boys and girls on its own.

Oberon Public School is ND DPI accredited, through Cognia.

Please consider this letter as application for membership to NDHSAA.
