Mr. Bubach, Mr. Fetsch and the NDHSAA Board of Directors,

Below is the email Leeds Public School sent to Scott Grochow, Athletic Director and Dr. Mike McNeff, Superintendent at Rugby Public School. Attached is our application to form a new co-op for girls golf for the Benson County Wildcats (Leeds and Maddock). Please contact me if you have questions. Thank you for your consideration.

Good afternoon,

The Leeds School board and Benson County coop board have decided to form our own Benson County coop for girls golf. The girls' golf coop will be effective beginning with the 2026 girls' golf season. We at Leeds, appreciate that Rugby took us in several years ago and it was beneficial for the Dulmage girl for sure. We have an interested coach and girls that will play in the next few years and Maddock may have some interest in the future as well.
