In the space provided, please list the reasons for requesting this coop application:

We are each in different baseball co-ops. We received requests from our community to look at sponsoring our own program. The numbers we got show that we have a lot of interest in baseball right now, if we were to create/host our own program, over 100% increase in participation for each school.

If approved, will this coop affect other schools: please circle: **(Yes)** (No) If yes, how? Both Oakes and Enderlin will lose players from our existing co-ops with them

Is this the nearest opportunity for schools to coop? please circle: **(Yes)** (No)
If No, Please indicate why closer school(s) are not included in this application.

Has displacement of student been considered by each school? **(Yes)** (No)

Is the reason for this application to improve competition levels or make participation available. Explain:
This is for availability
