Hello Brian, Mark and Matt,

This email is to notify the NDHSAA that Oak Grove is requesting to dissolve our current co-op for Boys and Girls Cross Country with Shanley High School. Our intent is to sponsor our own programs in both Boys and Girls Cross Country moving forward, starting with this next school year (2026-2027) for the Fall of 2026 Season.

Please note – we greatly valued our co-op partnership, and are grateful for their hospitality in hosting our students, but our numbers are at a level that we can successfully support our own program and help grow the overall number of participants competing in state for this sport.

If you need any further information or clarification on any of the above, please reach out.

Thank you,

Brent Wolf, M.Ed AA, CAA
