In the space provided, please list the reasons for requesting this coop application:

The Glen Ullin Public School and Hebron Public School dissolved their co-ops in April 2026. New Salem-Almont Public School has a projected participation of ten males participating in grades 9-12 for the upcoming 2026-27 school year. By entering into a co-op, the male athletes at Glen Ullin would be provided an opportunity to participate in basketball, and the male athletes at New Salem-Almont would be able to participate at an appropriate age and skill level.

If approved, will this coop affect other schools: NO

Is this the nearest opportunity for schools to coop? YES

Has displacement of student been considered by each school? YES

Is the reason for this application to improve competition levels or make participation available?

The reason for the application is to make participation available to more students.

Other information that be useful for the NDHSAA Board of Directors in reaching a decision:

By allowing this co-op to begin, we will be allowing the students at Glen Ullin to participate in extra-curricular basketball. No students at New Salem-Almont will be displaced as this will allow more opportunities for games at levels where all the athletes will be able to compete in games at their appropriate levels, not just play a portion of a game.
