

# NDHSAA Super Regionals

---

**Scoring:** Scoring will be done using the same format as the State Tournament. Scorecards will be official and checked following the round at the scoring area. IWanamaker is secondary until cards are signed. We will NOT be using markers or scorers with each group, as we aim to make these events replicas of the State Tournament.

**Hole by Hole Validation:** Players must immediately announce their score upon finishing each hole so the entire group hears the score. Please remind your players they may need to count back a hole score if questioned. Work with your players on announcing correct scores clearly.

**Scorecards:** Coaches must pick up scorecards for their team starting at 8:30 AM in the clubhouse. Players will exchange scorecards on the first tee. DO NOT sign scorecards until in the scoring area.

**IWanamaker:** The top listed player in each grouping will be responsible for IWanamaker scoring. Please make sure phones are charged.

**Phones:** Phones may be used for scoring, GPS, or to contact rules officials and coaches.

**Pairings:** Pairings will include 2 members from each region in a foursome. All team members will be in consecutive groups to allow for easy coaching.

**Fees:** Green fees for the event are covered by DJGA. Coaches are responsible for their cart fees. 1 cart per team.

**Rosters:** Rosters for the event are due by 5:00 PM on Thursday, May 21. Email rosters to [info@djga.org](mailto:info@djga.org). THANK YOU to the coaches that have already communicated that they will not be bringing a full team based on varsity readiness. This helps us build tee sheets early.

**Start Time:** 10:00 AM Local Shotgun Start

**Driving Range:** Lower-number region: 8:30–9:10 AM

Higher-number region: 9:10–9:50 AM

**Event Staffing:** We will have large numbers of staff on course at each location. Between staff and coaches, all rules, scoring, and other issues should be handled in a timely manner.
