Dear NDHSAA,

Please accept this email as notification that Solen High School is requesting to dissolve its softball cooperative agreement with Fort Yates Public School and Standing Rock Community Grant School.

Solen High School has made the decision to discontinue softball as part of its athletic program. As a result, we are requesting that the existing cooperative agreement be dissolved effective immediately.

The administrators at Fort Yates Public School and Standing Rock Community Grant School have been notified of this decision. Please let us know if any additional documentation or forms are required to complete the dissolution process.

Thank you for your assistance.
