Hello Mr. Bubach,

Please accept this email as my official notification that we are requesting an immediate end to all sports cooperatives that were previously approved and have reached their 3-year seasonal requirement. This would be all sports cooperatives with Selfridge and Fort Yates Public listed below. Based on our conversation today, because the fall seasons have started, we are obligated to provide participation to Selfridge and Fort Yates Public for the following sports: football 7/8, volleyball 7/8, cross-country 7/8.

As of right now, we do not have a 7/8 football program due to a lack of numbers. We do have volleyball and CC, so we will focus on those areas. If there is anything more we need to do on our end to dissolve these agreements, please let me know. Thank you.
