

FLO WRESTLING

BROADCASTER: A MOBILE AI PRODUCER

Stream More Wrestling, With Less Effort

The FloWrestling Broadcaster app makes it easy for schools, clubs, and event operators to stream wrestling events without expensive equipment or production crews. Using an iPhone, Broadcaster automatically follows the action, integrates live scoring graphics, and delivers a professional viewing experience that expands visibility and increases access to more wrestling than ever before.

Key Benefits

Pro Streaming from a Phone

Automatically follows the action with built-in AI-powered camera tracking for a polished broadcast viewing experience.

Simple Event Setup

Go live in minutes with a streamlined workflow that minimizes equipment and setup time.

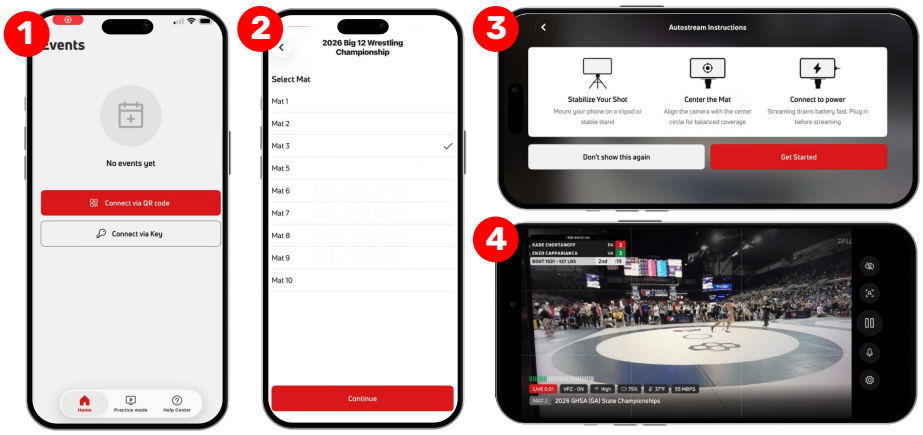

Integrated Live Graphics

Pair with the FloWrestling Scorekeeper app to display live scores and match information directly in the broadcast.

Expand Athlete Visibility

Bring more athletes, schools, and events to fans, families, and recruiters by making live streaming accessible to every program.

Level Up Your Streaming Experience

FloWrestling Broadcaster makes live streaming accessible to more schools and events, expanding coverage, increasing athlete visibility, and creating more opportunities to engage fans across the wrestling community.

Benefits of using FloWrestling Broadcaster

- ✔ Stream more events with fewer resources
- ✔ No dedicated production crew required
- ✔ Professional-looking broadcasts from a smartphone
- ✔ Integrated live scoring graphics
- ✔ Greater visibility for athletes and schools
- ✔ Expand coverage without expanding budgets

Bring every mat to life. Let's talk!

See how Broadcaster makes it easy to stream more wrestling, reach more fans, and showcase more athletes.
