

FLO WRESTLING

SELF STREAMING PROGRAM

Bring Every Match to Life with Self-Stream

The FloWrestling Self-Streaming Program gives schools, clubs, and event operators everything they need to produce high-quality live broadcasts with minimal equipment and training. Powered by the FloWrestling Broadcaster app or FloWrestling loaned equipment and supported by onboarding, education, and dedicated resources, the program makes it easy to expand coverage and connect more fans to the sport.

Key Benefits

Stream More Events

Broadcast duals in a high-quality experience, that would otherwise go unseen.

Easy to Launch

Simple onboarding, virtual training, and support help schools start streaming quickly and confidently.

Expand Athlete Visibility

Give every athlete more opportunities to be seen by families, recruiters, and the wrestling community.

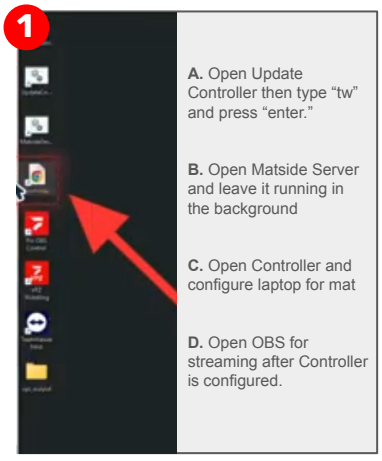

Powered by FloWrestling

Create a connected event experience with Broadcaster, athlete profiles, brackets, and our new Event Hub

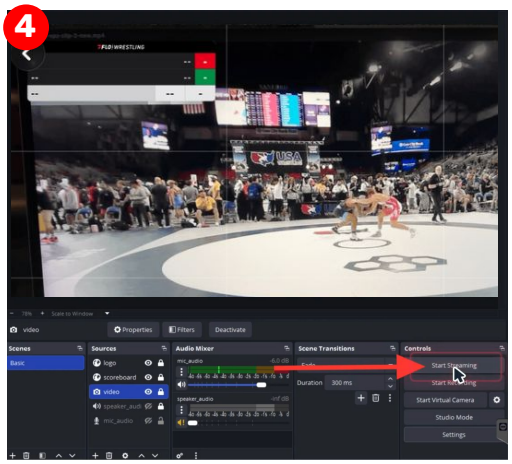

Generate Revenue

Convert your competitions into meaningful revenue that supports your program's growth.

Stream Your Events with Confidence

Every self-streamed event helps grow the wrestling community by making more matches accessible to more fans. As schools expand coverage, athletes gain greater visibility, families stay connected, recruiters discover more talent, and every event contributes to the connected FloWrestling ecosystem.
