

Soccer Advisory/Coaches Meeting 10-7-22

Discussion

1. Voting for next season state officials to ensure they are not assigned to college matches
2. Soccer regulation change – allowing soccer coaches to coach the opposite gender during the off season
3. Official review form – Establish a form that would allow coaches to provide POSITIVE CONSTRUCTIVE feedback to officials to assist with professional development.
 - a. Kevin will look into drafting a google form that will allow coaches to provide feedback/comments of officials
4. Center official assessment
 - a. Look into using assessors to evaluate center officials at least one time per year
 - b. Cost – Who will pay? Schools may be willing
 - c. Who will be doing the assessing? Contact Dave Meier
 - d. Use of film to assess if assessor cannot make the game live.

Regulation Change

1. Add one week to the end of the regular season
 - a. Rationale
 - i. More teams coming into both division is making scheduling difficult
 - ii. Safety – allows for more rest between match so bodies have time to recover
 - b. This would be in conjunction with adding a week onto the girls season as well (Title IX)
