

2023 Boys Golf Coaches Advisory

1. Class A - Each conference tournament is considered an individual qualifying event. (we settled on seven conference meets so as to accommodate for equality between EDC/WDA)

1. Distance meets minimum requirements already in the guidelines.
2. Two meets would allow designating eight team members as possible qualifiers. Other five meets would only allow for six players.
3. Reviewed scores for WDA and this would only have increased our qualifiers by one individual the past season.

2. Team qualifying

- a. Increase the number of teams qualifying to 7 from each conference.
- b. The top 2 teams from the regular season results would become automatic qualifiers.

3. Increasing the number of designated coaches to three if your team qualifies above six golfers.

4. A review of Coaching Rules

- a. Will review at Coaches Convention, hopeful to edit and improve for 2024.
