1972 OFFICIAL HANDBOOK

#### **FOREWORD**

The Board of Directors of the North Dakota High School Activities Association is pleased to present the 48th Annual Handbook which contains a historical and statistical account of the year's operation.

Attention is called to events and happenings which were new this past year and to certain trends and developments that have taken place.

1. Membership in the Association dropped from 274 to 270 this past year and is now 113 less than the peak enrollment of 383 schools in the mid-fifties. The closing of schools because of reorganization and annexation has slowed down somewhat from the rate established in the sixties, but we can look forward to a further reduction in membership in the years ahead as 53 of our schools have less than 50 students in grades 9-12.

2. In the past two years, a trend has developed for larger Class B schools who had previously elected Class A membership to revert back to Class B. Eight schools have filed applications indicating such intentions. Watford City was so reclassified this past year; Crosby and Stanley are scheduled to drop back for the 1972-73 school year; Larimore, Mott and Tioga in 1973-74 and Bowman and Hettinger in 1974-75. Only three Class A schools (Park River, Cavalier and Ft. Yates) who are eligible for reclassification, have not filed applications for same. Belcourt surpassed the 300 enrollment figure the past two years and so will be classified as an A school in 1972-73. This will drop the number of Class A schools from a maximum of 37 in 1967-68 to 29 in 1974-75, unless some additional schools exceed the maximum enrollment figure for Class B classification the next two years.

3. For the first time in history, rebate or dividend payments were made to member schools. Two years ago, the Board of Directors established maximum reserves to be accumulated by the Association. As a result, membership fees were waived for the 1970-71 school year, and this past year checks were mailed to all member schools in the form of a rebate from the ABF and a dividend from the General Fund. Approximately \$21,000.00 was returned to schools from the ABF and \$13,000.00 from the General Fund.

4. The method for selection of a principal on the Board of Directors was modified by the General Assembly at the annual meeting. This member will no longer be selected by the North Dakota Principal's Association but will be nominated and elected in the same manner as the other elective members.

5. The General Assembly amended the by-laws to provide for a period of ineligibility of 180 classroom days when a student transfers from one school to another without a corresponding change in parental residence. Also adopted was a uniform penalty for violation of the tobacco, alcohol and drug rule.

The use of Advisory Committees was expanded with the addition of basketball, hockey and athletic director committees. Through the use of such committees, a closer working relationship is established with coaches in the field.

7. An ad hoc music advisory committee was at work this past year preparing a new music handbook for the schools of the state. Meetings will be held during the next school year to acquaint members with the new program which will go into effect in 1973-74.

8. The grass greens golf tournament was expanded to a two-day, 36-hole event this past year. The new plan which met with a great deal of favor resulted in the largest entry field in history.

5

9. Gross receipts from basketball tournaments set a new record again, exceeding last year's figure by nearly \$1,000.00. Net receipts were down, however, largely because of increased expense allowances paid to participating teams.

10. Basketball and hockey remain as the only two activities sponsored by the Association which are self-supporting. All other sports and activity programs are subsidized from income realized from these two sources.

11. Interest in girl's sports continues to grow. Track and field has found great favor among the member schools and performance quality continues to improve at a tremendous pace. Basketball is staging a comeback, with 82 schools having participated in interscholastic competition in this sport the past year.

12. This past year the ABF program was expanded to provide an alternate plan providing for 50% greater benefit payments — about 10% of the schools enrolled under this plan. The number of children covered under the program continues to show a decrease each year over the past four years, with approximately 3,000 less this past year compared to 1970-71. Approximately 350 less claims were processed and total payments amounted to \$2,000.00 less than a year ago.

13. At the 1972 summer meeting of the Federation, North Dakota was signally honored by the selection of Supt. Bruce Anderson of Valley City as a member of the executive board of the National Federation. This is only the second time in history that our state has had the privilege of having a man on the National Board.

In general, this has been another successful year. Again, we are mindful of the valued help and assistance given by many school people and others interested in the Association program. The Board of Directors and the office personnel express their appreciation for the whole-hearted cooperation of each of you in making this another banner year.

F. U. SMITH, Executive Secretary

Board of Directors Meeting

North Dakota High School Activities Association

Valley City, North Dakota — August 19, 20, 1971

The Board of Directors of the North Dakota High School Activities Association met in Valley City, North Dakota, on August 19, 20, with all members present on the 19th and all but G. F. Muckenhirn on the 20th.

The reading of the minutes of the previous session was waived as each Board member had been presented with a copy of these minutes.

The first order of business was a review of the annual audit of the Association for the 1970-71 fiscal year as prepared by R. B. Ludvigson, Certified Public Accountant of Valley City. Mr. Ludvigson appeared before the Board to explain the re-allocation of interest earnings and the audit in general. The Board reviewed the audit and upon motion by Quale and second by Muckenhirn it was approved.

The chairman appointed Bruce Anderson to succeed Ell Kay Larson on the investment committee along with carry-over members F. U. Smith and Warner Quale.

Dr. Burchill and Dr. Richardson of the University of North Dakota met with the Board concerning the possibility of a college Course-Offering or a unit of study in a Course-Offering concerning the Activities Association. It was their suggestion that a representative or representatives of the Board meet with the Extension Council at their next meeting concerning same. It was then decided that the President and executive-secretary make arrangements to do so.

The Board next examined the complete financial report of the Association from July 1, 1971, to August 15, 1971. Upon motion by Quale and second by Anderson, the report was approved.

Next reviewed were bids which had been received from various television concerns for TV rights for Association sponsored activities. It was moved by Anderson and seconded by Peterson that the bids for the State Class A and State Class B basketball tournaments be rejected and that the Association advertise for sponsor bids for the 1972 Class A and B state basketball tourneys. Muckenhirn moved to amend the motion to include the statement that bids would have to be submitted prior to December 1, seconded by Easton. The motion as amended was then passed.

Broton then moved that the bid of KXJB-TV of \$250.00 for television rights for the final game of the State Hockey tournament, and the bid of KXMC-TV of \$500.00 for the semi-final and final game of the Northwest Class A basketball regional tourney, and \$500.00 for the same games of the Southwest Class A basketball tourneys be accepted. Second by Easton and carried.

Kolbo next reported as chairman of the price structure committee and stated that the sites for the various basketball tourneys are not stable enough to scale the prices for seats and also that some facilities do not lend themselves

to scaling. He then moved that prices for admission to Association events remain as they are for the coming year and to wait until the need for finances arises before increasing them but that a charge be made for admissions to the girls state Track meet similar to the boys, seconded by Easton and carried.

The chairman appointed Muckenhirn and Easton as a committee to work with the State Class A tournament manager on assignment of seats to fans of participating teams.

Anderson, on behalf of the finance committee, reported that the General Fund had a balance of \$29,229.20 over and above the reserves established by the Board and that the ABF fund exceeded the reserve limit by \$31,492.41 and recommended that a building fund reserve be established using part of the excess monies in both funds, that the Board consider the purchase of vehicles for use by office staff members, that the retirement plans for executive office staff employees be revised, that a pro-rata payment be made to member schools, and that expense allowances for state and regional basketball tournaments be increased for the 1972 events. Upon motion by Peterson and second by Broton, the report was accepted.

After some discussion, Muckenhirn moved that a building fund reserve be created using \$3,000.00 from the General Fund excess and \$7,000.00 from the ABF excess since no ABF monies were used for the original building. The motion was seconded by Batterberry and carried.

Discussion followed relative to the purchase of vehicles and the number of miles driven by the various staff members on Association business. Peterson moved that one vehicle be purchased from the General Fund excess for use by the assistant secretary and the motion was seconded by Quale. Easton moved to amend the motion to read two cars, one for the executive secretary and one for the assistant secretary. The motion was seconded by Batterberry. The motion as amended was then passed. The secretary was then instructed to secure bids from local dealers for opening at the September meeting.

Broton next moved that the retirement fund for the executive secretary be increased by adding \$2,000.00 from the General Fund excess and that the monthly contribution by the secretary be increased 50%. Seconded by Kolbo and carried. Action on the retirement plan for the assistant secretary and assistant to the secretary was deferred until the next Board meeting.

Peterson moved that the daily expense allowance for participating teams at the state basketball tournament be increased \$25.00 per day and that the daily meal allowance for teams at regional basketball tournaments be increased \$10.00. Seconded by McLain and carried.

Anderson then moved that the remaining excess of approximately \$13,000.00 in the General Fund be prorated back to member schools on the basis of annual dues paid. Seconded by Easton and carried.

It was then moved by McLain that a prorated return of \$21,000.00 from the ABF excess funds be made to schools who participated in the program the past year. Seconded by Quale and carried.

Next under review was the amount insurance coverage now in force on the Association building and contents. Kolbo moved that the coverage on

the building be increased to \$60,000.00 and on the contents to \$20,000.00. Seconded by Broton and carried.

The secretary next reported on the motion films owned by the Association on deposit with the Division of Supervised Study and the fact that many of these films were out-dated. Discussion followed on the feasability of purchasing some new instructional sports films. Upon motion by Anderson and second by Easton, the secretary was authorized to purchase an instructional basketball film series.

Problems which had developed in some sports because of the cancellation of entry fees were next discussed. Anderson moved that the  $50\phi$  district entry fee for track be re-instated and that a refundable \$10.00 deposit for tennis teams be established for the current year. Seconded by Easton and carried.

Next under consideration was the advisability of purchasing uniform blazers for Board and staff members to wear at numerous Association functions throughout the year. It was pointed out that various states have done this and that these are worn at Federation meetings for identification purposes. McLain moved that the office staff investigate prices, styles, etc., and report on same at the September meeting. Seconded by Kolbo and carried.

The chairman next appointed the following men to serve on the nominating committee for NDHSAA Board of Directors positions: L. E. Berger of West Fargo, chairman; Robert Sheppard of Northwood; and Norris Wilson of Tioga.

Coach Raymond Gibbons of Hazelton appeared before the Board in regards to an eligibility case. The case had not been ruled on and so was not an appeal to the Board, but was presented for information purposes. The secretary stated after hearing the reported facts, that he would rule the boy immediately eligible. The Board supported this action.

The following proposed budget presented by the executive secretary was next reviewed.

It was moved by Quale that the budget be approved as presented with necessary revisions because of a Board action taken relative to the disposal of surplus funds. Seconded by Peterson and carried.

The secretary reported that all officials contracted for the 1971-1972 basketball tourneys had accepted their assignments, and that all but five schools had accepted assignments for hosting of events. The five which had not replied relative to same were Dickinson for district track, Linton for regional wrestling, Valley City State College for State B wrestling, and Jamestown for state gymnastics, and Mandan for state debate.

The secretary next reported that Tioga had re-submitted their request for re-classification to Class B status effective with the 1973-1974 school year and that Larimore had also submitted the same request effective also for 1973-1974. Upon motion by McLain and second by Anderson, both requests were approved.

The Board next reviewed expense charges in connection with the boys and girls state track meets. The chairman then appointed Kolbo and Easton as a committee to study same and to establish guide lines to be used for allowable expenses.

Discussion followed on the desirability of lengthening the distance for the cross-country run, now that the two mile run had been added to the list of track events. Upon motion by Easton and second by Peterson, the distance was changed to 2.5 miles beginning with the 1971 meet.

Kolbo, official delegate to the National Federation meeting, reported on the business meeting held at the conclusion of the convention.

Some time was spent reviewing the program and the amendment being sponsored by the North Dakota Secondary Principals Association to be voted on at the annual meeting.

A request from the Buchanan school for approval of Leigh Sorenson, a qualified teacher, as basketball coach for the 1971-1972 school year was next taken under consideration. Mr. Sorenson would be employed as physical education teacher and coach, but would not meet requirement of being a ½-time teacher in the system. Upon motion by Easton and second by Batterberry the requirement was waived and approval granted.

The secretary next presented a copy of a letter from the Belcourt school to the New Rockford school relative to game contracts between the two schools. According to the letter, it appeared that Belcourt will honor the football game at New Rockford this fall, but that New Rockford did not wish to fulfill the contract for a basketball game at Belcourt. The secretary informed the Board that he had sent letters to both schools advising them that both contracts were binding and should be honored, so no further action was taken.

Upon motion by Anderson and second by Batterberry, representatives from the NDHSAA staff as determined by the executive secretary, were authorized to attend a meeting of Region 6 of the National Federation at Columbia, Mo., on October 31 and November 1.

The secretary next reported that according to recent information received from the State Sales Tax Department, sales tax would have to be paid on all regional and state events, but that if district basketball tourney hosts wanted to collect the money and run it through their school district accounts the tax might be avoided, though such a procedure would hardly be likely.

Next reviewed was the eligibility status of David Gorder of Colfax. This boy who lived with his grandmother had dropped out of school at Colfax in December of 1970 and gone to Texas with his parents. He did not go to school in Texas but returned to Colfax in the spring, residing in a foster home. He re-enrolled at Colfax but was expelled shortly before school was out. He now had re-enrolled at the start of the 1971-72 school year, but had been ruled ineligible for the first semester of the current school year on the basis of the scholarship rule and that if he had been enrolled more than 30 days during the second semester last year, he would only have one semester eligibility left after this semester because of the 8 semester rule. It was moved by Easton and seconded by Batterberry that the decision of the secretary be upheld. Motion carried.

The Board then adjourned after setting the following times and dates for the September and October meetings:

September 15 at 4:00 P.M. at the Bismarck Civic Center; October 20 at 9:00 A.M. at the Oak Manor in Fargo.

Richard Schindler, Assistant Executive Secretary

Board of Directors Meeting

North Dakota High School Activities Association

Bismarck, September 15, 1971

A special meeting of the Board of Directors of the North Dakota High School Activities Association was held in Bismarck at 4:00 P.M. September 15th with all members present.

First taken under consideration were several eligibility cases which had been appealed to the Board under the hardship rule. After hearing testimony relative to each, the following decisions were made:

Greg Kalenze, Grand Forks Central: Ineligible for one semester as this case did not qualify under the rule;

Joss Voss, Walsh County Ag School: Eligible;

Jeff Flaten, Walsh County Ag School: Tabled until October meeting for lack of complete information;

Steve Pope, Bismarck St. Mary's: Eligible;

Franklin Monteith, Kindred: Eligible;

John Schumacher, Jr.; Napoleon: Tabled until October meeting for lack of complete information.

Sid Cichy of Fargo Shanley appeared before the Board to explain the reasons and circumstances for their school having participated in a football contest with Hill High School of St. Paul on Sunday, September 5th, in violation of Association By-laws. After considerable discussion it was moved by Easton and seconded by Anderson that the Shanley High School be placed on probation for the remainder of the school term.

Jim Adelson of the North Dakota Broadcasting Company and Rod Romine of KXMC-TV appeared before the Board with a counter-offer for the telecasting of the state basketball tournaments. The following proposal was submitted by the North Dakota Broadcasting Company:

- 1. The North Dakota Broadcasting Company agrees to telecast a minimum of 5 games of the State Class A basketball tournament (first round games, semi-final games, and championship game) for 1972, 1973, and 1974, paying \$3,700.00 for such rights in 1972, \$4,000.00 in 1973, and \$4,300.00 in 1974.
- The NDBC agrees to pay the NDHSAA \$450.00 for each additional game telecast over and above the 5 games listed above in 1972; \$500.00 per game in 1973; and \$550.00 per game in 1974.
- 3. NDBC agrees to video-tape the semi-final games and final game of the State Class B basketball tournament in 1972, 1973, and 1974, and will telecast these games over KXJB-TV Channel 4 within 24 hours of time of play, and will pay the NDHSAA \$50.00 recording rights each year. Should the NDBC desire to telecast these games live, a payment of \$250.00 for each game telecast will be made to the NDHSAA.

Upon motion by Muckenhirn and second by Kolbo, the bid was accepted.

Rod Romine of KXMC-TV presented the following proposal for the

telecasting of the 1972 State Class B basketball tournament:

\$1,450.00 for TV rights for all 11 games to be telecast over Stations KXMC-TV Minot, KXMB-TV Bismarck, KXMD-TV Williston, and KDIX-TV Dickinson.

Upon motion by Broton and second by Kolbo, the bid was accepted.

12

Supt. Gefroh of Walhalla appeared before the Board requesting approval for the use of non-certified and non-teaching individuals to assist in the coaching of their junior high football and basketball programs. These individuals would not be paid but would donate their services, and a qualified regularly employed coach would be in charge at all games and would be in the immediate vicinity during football practice. It was moved by Muckenhirn that the request be approved. Seconded by Quale and carried.

The Board next reviewed the various bids that had been received for. the purchase of two automobiles. It was moved by Peterson and seconded by Easton that the bid of \$3,711.80 each for two 1972 LTD Fords as submitted by the J.O.E. Ford Company of Valley City be accepted. Motion carried and the secretary was authorized to order same with necessary optional equipment not included in base bid.

The Board spent some time examining samples and cost prices of blazers. It was moved by Peterson and seconded by Batterberry that blazers for official use by Board members and executive staff be purchased. Motion carried. Muckenhirn then moved that a committee be appointed to make final selection of color, style, etc. Seconded by Anderson and carried. Appointed on said committee were Broton, chairman, Quale, and Smith.

Some time was spent reviewing proposed revisions of the assistant secretary's retirement plan, and a plan for the assistant to the secretary. Action on same was deferred to the October meeting upon motion by Broton and second by Anderson.

The secretary informed the Board that the contract received from the Bismarck Civic Center for the State Class A basketball tournament called for a higher rate for some incidental than the 1971 contract. Instructions were given not to sign any contract which had such increases.

There being no further business, the meeting adjourned.

Richard Schindler. Assistant to the Secretary

# SPECIAL MEETING

Board of Directors

North Dakota High School Activities Association Devils Lake, North Dakota - September 22, 1971

A special meeting of the Board of Directors was held at Devils Lake High School at 4:00 P.M. on September 22, 1971, with all members present except M. F. Peterson and Warner Quale.

The meeting was called to ascertain whether Belcourt had violated their probationary status because of incidents which had occurred following a football game played at Belcourt between Belcourt and Langdon on September 17th, resulting in injury to one or two Langdon football players.

Notification of the incident had been made by Supt. Jerome of Belcourt to the Association office at approximately 11:00 P.M. the night of the game, and school officials from both schools had conducted investigations during the week into the matter. Written reports relative to same were submitted by both schools.

In attendance at the meeting were the administrators and coaches from both schools and representatives of the Belcourt School Board and Student Council.

The testimony of coaches and administrators indicated that the incidents occurred after the ball game was over and that the game itself did not produce more than the normal number of rule infractions and penalties. According to these reports, a few scattered skirmishes developed between students, particularly after the lights were turned out after the game. The most serious case involved a Langdon football player, who was hit in the face with a helmet by a Belcourt student or player after he had stumbled and fell as he was leaving the playing area. One tooth was knocked out and several others loosened. along with other injuries to his mouth, resulting in an estimated dental bill of over \$900.00 as made by the attending dentist. The lad was stunned and unable to identify his assailant. Belcourt authorities testified that this had been one of their students but were not positive whether it had been a football player or not. One other Langdon player also suffered probable rib injuries in another incident.

The Belcourt authorities stated that they felt that the incident was serious and in violation of their probationary status and that they probably should cancel the remaining football games on their schedule and that such action had been recommended by their Student Council on the advice of the superintendent to prevent future incidents and to point out the seriousness of probation to the student body.

The Student Council president when asked why they had made such a recommendation replied that they felt they were somewhat to blame, and that they were afraid of possible suspension.

Questions were asked as to whether the student body had been informed as a group as to the schools probation and what steps had been taken as a result of said probation. Answers to these questions were to the effect that small groups had been notified but because of construction work at the school, no facilities were available for the assembling of all students at once. Also, that student representatives from other schools had been invited to Belcourt and Belcourt students had visited other schools in an attempt to improve relations.

In reply to the question as to whether youngsters involved in the incident might have been former students or current students. Mr. Jerome indicated that they were current students. When asked about faculty supervision he indicated that approximately 20 teachers were in the stands but that none had been definitely assigned supervisory duties, and that although such procedure is followed at basketball games such had not been their practice in connection with football.

After hearing all the testimony, the Board went into executive session and reviewed the statements which had been presented. It was the feeling of the Board that the Belcourt school had violated their probationary status and discussion followed as to the penalty to be assessed. Anderson then moved that the school be immediately suspended from interschool competition in all Association activities until November 15, 1971, at which time the probationary status will again be in effect until the end of the current school year. The motion was seconded by Easton and carried unanimously.

OFFICIAL HANDBOOK

**Board of Directors Meeting** North Dakota High School Activities Association Fargo, North Dakota - October 20, 1971

The Board of Directors of the North Dakota High School Activities Association met in Fargo at the Oak Manor Motel on October 20, 1971, at 9:00 A.M. with all members present.

Each Board member was presented with a packet containing the agenda for the meeting and a financial report of all business transacted from July 1 to October 15, 1971.

The Board spent some time reviewing the financial report of both the General Fund and the ABF fund and upon motion by Muckenhirn and second by Broton, the reports were accepted as submitted.

Chairman Spiss reported on the meeting he and M. F. Peterson had had with the College Extension Council concerning the possibility of a college course dealing with the activities of the NDHSAA and stated that the Council was receptive to the idea but felt that a request for same should come from the School Administrators Organization. The executive-secretary was instructed to contact Mr. E. S. Killie about the possibility of placing same on the agenda for the next school administrators executive committee meeting.

Mr. Kolbo next reported on behalf of the Finance Committee concerning proposed changes in the retirement plans for the executive staff. After considerable discussion, it was moved by Peterson and seconded by Easton that the committee make further study on retirement plans and salaries of staff members and report on same at the January meeting. Motion carried.

Roger Grooters of NDSU, Gelaine Orvik of Fargo South, and Gary Mailloux of Fargo North, appeared before the Board relative to the possibility of holding a state indoor track meet in the future. They proposed holding a Class A invitational meet this spring at NDSU and hoped to expand it later with the idea that the Association eventually take it over as an official meet. Many questions were asked by the Board of the delegates. Dick Schindler was instructed to attend the track coaches meeting the next day to obtain further information, and the question was tabled until the March meeting of the Board.

James Broton next reported in behalf of the Blazer Committee and samples were examined by the Board. It was moved by Muckenhirn that the blue blazer submitted by the Straus Co. be ordered. Seconded by Batterberry and carried.

The executive-secretary next reported on several phases of the hockey program that needed clarification, as number of required practices before first game, allowable scrimmage, etc. He was instructed to bring these to the attention of the coaches at the hockey clinic and to report on their recommendations relative to same at the next meeting.

The Board next reviewed the report covering attendance of schools at the regional NDHSAA meetings held in September, which showed a considerable decrease from a year ago. Action on the question of whether

these meetings should be continued or not was deferred until the March meeting, and the secretary was instructed to survey neighboring states as to their programs in this area and to report on same at that time.

The secretary next reported that some girls tennis and golf teams had made two trips to the state tournaments because of the postponement of the event. Anderson moved that said teams be allowed double mileage payments and that the secretary be authorized to pay same in the future without Board action in the event of similar incidents. Seconded by McLain and carried.

Next taken under consideration was a request from Wolford High School for the use of a local non-certified resident as grade basketball coach, who would teach no classes nor receive pay for his services. Broton moved that the request be approved with the stipulation that a regular faculty member sit on the bench with the team as the legal representative of the school at all home and away contests. Seconded by Peterson and carried.

A request from Grand Forks for the use of a University senior majoring in physical education as head swimming coach at Central, and the use of similar assistant coaches in wrestling and hockey at Red River High School was next reviewed. As said coaches would be paid from school funds. McLain moved that the requests be approved providing said individuals secured emergency certificates from the Department of Public Instruction. Seconded by Batterberry and carried.

The secretary reported that the head football coaches of all schools except Alamo and Sheldon had attended the rules clinic and that a letter of explanation had been received from the Alamo superintendent in compliance with regulation. As no letter had been received from the Sheldon superintendent, the secretary was instructed to request that he appear at the January Board meeting if a letter was not received by such time.

The Board next reviewed the circumstances in connection with the death of a Napoleon football player.

After reviewing the arrangement concerning the Devils Lake Band, the Board ruled that only the public school students who were members of the combined public and parochial school band would be eligible for ABF coverage while practicing or participating in concerts or festivals since the parochial school had not subscribed for any type of coverage.

Ken Rio, secretary of the EDC conference, appeared before the Board and explained the problems encountered by border schools because of the different starting date for football in North Dakota and Minnesota. After some discussion, it was moved by Muckenhirn that the date for the first allowable game each year be set for the Friday preceding Labor Day instead of the first Friday in September. Seconded by McLain and carried.

On behalf of the committee appointed to study seating policies in connection with the State Class A basketball tournament, Muckenhirn presented the following recommendations:

1. 800 blue riser seats in Sections 2, 3, 4, 5, and 6, be reserved for fans of the 8 participating schools. Selection of block for each school to be by lot.

- 2. No more than 8 tickets be sold by the manager per individual order.
- 3. Sale of tickets begin February 1st.
- 4. Requests from former Board members for tickets be made before February 15th.
- Press release relative to sale of tickets be made from Association office.

Upon motion by Easton and second by Batterberry, the above recommendations were approved.

The Board next reviewed and ruled as follows on the following eligibility cases:

- Faron Krueger of Roseglen White Shield Eligible, contingent upon receipt of letter from St. Mary's stating that no undue influence had been exerted.
- 2. Jeff Flaten, Park River Walsh Co. Ag School Eligible.
- 3. John Schumacher, Napoleon Eligible.
- 4. Douglas Umphrey, Inkster Midway Ineligible.

The Board next authorized the attendance of Rex Robinson at the NUEA meeting in San Francisco, December 28-30, and of F. U. Smith and Dick Schindler at the Mid-winter meeting of the National Federation in New Orleans, January 5-7.

Upon recommendation of the track committee, the Board decided not to set any limits or establish any guide-lines relative to expenses in connection with the state track meets.

Discussion followed on qualifications for General Assembly delegate and right to vote. Broton moved that the Chairman rule on each school vote if someone other than the superintendent or principal appears at the meeting with a written proxy from the superintendent. Seconded by McLain and carried.

Next under consideration was the advisability of amending the section of the Constitution that provides for the meeting of the General Assembly at the time and site of the State NDEA convention, in case the Administrators Association no longer meet at said time. It was moved by Easton that the Board sponsor an amendment which would give the Board of Directors the power to set the time and site for the annual meeting. Seconded by Kolbo and carried.

The Board next ruled that Langdon High School could engage in interscholastic competition in December even though they might close their school that month.

Mr. Schindler called the attention of the Board to the new rule requiring use of mat judges at wrestling tournaments. The Board decided to follow the policy outlined at their June meeting whereby this would be done in one A and one B regional meet and at the State Tournaments.

Appointed to the canvassing committee by Chairman Spiss were the following: Chairman, Norman Batterberry, James Broton, M. F. Peterson.

A copy of a letter sent by Richard Klein, Assistant State Superintendent, to Superintendent Oscar Peterson of Mott concerning track students running on hard-surfaced highways was presented. It was the feeling of the Board that this should be carried in the Activities Bulletin to alert schools to the potential dangers in connection with such practice.

The Board next reviewed the approved possible delegates to the 1972 National Federation meeting next summer.

The date for the next meeting of the Board was set for January 29th at 11:00 A.M. with committee meetings at 10:00 A.M.

There being no further business, the meeting adjourned.

Dick Schindler, Assistant Secretary N. D. High School Activities Assn.

Board of Directors Meeting
North Dakota High School Activities Association
Bismarck, North Dakota — January 29, 30, 1972

The Board of Directors of the North Dakota High School Activities Association met at 11:00 A.M. at the Holiday Inn in Bismarck on January 29, 1972, with all members present except Warner Quale, Gerald Muckenhirn, and Don Kolbo. Muckenhirn and Kolbo were in attendance following the noon lunch recess on Saturday.

Each member was presented with a packet containing the agenda, a complete financial report of the years business to January 25, 1972, and a list of checks drawn on the General Fund since October 19, 1971. The Board reviewed the financial reports and upon motion by Broton and second by Anderson approved same.

The canvassing committee consisting of members Batterberry, Broton and Peterson reported that they had canvassed the annual election results for membership on the Board of Directors and proposed constitutional amendments and found them to be as follows:

John Sunderland, H. L. McLain, and Donald Kolbo were declared duly elected members of the Board effective July 1, 1972.

The vote on the constitutional amendments were as follows:

Amending Section I of Article VII — Yes - 200, No - 31; Amending Section VI (a) of Article VIII — Yes - 217, No - 12; Amending Sections I & II of Article V — Yes - 161, No - 71. Total ballots cast — 253. The constitutional amendments were declared passed.

Discussion followed as to the effect of the passage of the amendments to Section I and II of Article V on Del Easton's term of office, as he had been re-appointed by the Secondary Principal Association for a term of three years effective July 1. It was moved by Anderson that the executive-secretary secure a legal opinion from the Board's attorney concerning the matter. Seconded by Easton and carried. The Board then recessed until 1:00 P.M.

Upon reconvening, James Slocum of the State Department of Public Instruction outlined the details of a program scheduled at NDSU on May 13, 1972, called "Special Olympics for the Mentally Retarded". Following his presentation it was moved by Peterson "that the Board sees no conflict with this program and NDHSAA regulation". Seconded by Muckenhirn and carried.

Harold Pedersen, Athletic Director of the Fargo Public Schools, next appeared before the Board in regard to the two weeks of post state tournament hockey play that is permitted in North Dakota, outlining reasons for abolishing same and recommending that the starting date for the hockey season be set one week later than at present and the state tournament also be scheduled one week later. He also stated that he felt that some sports seasons are too lengthy and over-lapping and that this should be reduced to a minimum.

Ernest Borr, Chairman of the Music Advisory Committee, next appeared before the Board relative to expense allowances for an AD HOC Music Educators Committee which is working on revising the NDHSAA music program. An itemized budgetary amount of \$870.00 was presented in connection therewith, and upon motion by Muckenhirn and second by Batterberry was approved by the Board. Mr. Borr also proposed that the weekend in March currently reserved for state-wide church activities be eliminated and requested that the Music Educators Association be permitted to schedule their annual All State Band & Chorus festival on that date. No action was taken on this item.

Ray Albrecht appeared before the Board representing the NDOA and reported on recommendations that had been passed by the Executive Board and membership of the NDOA at their annual meeting. The following recommendations were approved by the Board:

- Officials registration fees for additional sports be raised to \$3.00 per sport after initial payment of \$5.00 for first sport.
- That representatives of the NDHSAA Board of Directors meet with the NDOA Executive Board at each of their regular meetings. Appointed as NDHSAA representatives were directors Muckenhim and Batterberry.

3. To take under advisement and to give future study to the use of 8 officials at state basketball tournaments.

No action was taken on a proposal that a recommendation be made to schools about a uniform starting time for preliminary games on Saturday nights.

Adrian Foote, Sr., Attorney Judy Atkinson of the N. D. Legal Services at New Town, and Supt. Kringen of Parshall appeared before the Board relative to the eligibility case of Adrian Foote, Jr. The case concerned the adoption of Adrian Foote, Jr. by Don Blevens, the basketball coach at Solen High School. The problem seemed to be that "Guardianship" papers had been signed by the Tribal Judge instead of "Adoption" papers as intended and covered by Chapter 5, Section 23 of the Code of Laws of the 3 affiliated tribes of the Fort Berthold Reservation. It was moved by Broton that the boy be ruled eligible, seconded by Kolbo, and carried on a 6 to 3 roll call vote.

Supt. Kringen then brought up a problem concerning an official's contract in which the contracted official did not appear to work the game. Mr. Kringen was advised to seek restitution from the official as provided for in the contract and if unsuccessful to contact the executive-secretary.

The executive-secretary next reported the attendance of coaches at various rules clinics had been as follows:

266 of 270 basketball schools; 63 of 65 wrestling schools; 9 of 10 hockey schools; 20 of 21 gymnastic schools.

Letters of explanation had been received from all who were not in attendance.

Next under discussion were the eligibility rules relative to transfer of junior high school students. The secretary was instructed to draw up a proposed amendment to remedy some undesirable features of the present rules.

A request from Hettinger High School for re-classification as a Class B school effective September 1, 1972, was next taken under consideration. After considerable discussion, it was moved by Muckenhirn to grant such request, seconded by Kolbo, but the motion was defeated when put to vote as the majority of the members felt that Hettinger had elected Class A classification when the compulsory figure for such classification was raised from 250 to 300. Easton then moved that Hettinger be classified as a B school effective with the 1974-75 school year, seconded by Muckenhirn and carried.

Discussion followed on the effect of changes in classification of Crosby, Stanley, and Belcourt beginning next year on existing Class B district and Class A regional alignments. Named to a committee to study same and to make recommendations concerning district assignment of these schools were Broton, Muckenhirn, and Schindler.

The following actions were taken on eligibility cases which were referred to the Board under the hardship rule:

- 1. David Gluyas of Butte Eligible.
- 2. Vincent Whiteface of Roseglen White Shield Eligible.
- 3. Kyle Kelly of Park River Eligible upon filing of required documentary statements with the executive-secretary.

The Board next reviewed their policy relative to accepting only District Court Judges orders in granting immediate eligibility to students assigned to foster homes. It was pointed out that a 1969 state law had changed the procedure somewhat in that Juvenile Supervisors may issue a temporary 90 day court order when all parties agree to the transfer of a child to a foster home. It was moved by McLain that such orders be recognized and that students in such cases be granted immediate eligibility. Seconded by Batterberry and carried.

The finance committee reported concerning retirement plans for the executive-secretary and assistant secretary was presented by Anderson. The committee recommended that an additional \$2,000 be contributed by the Association to the fund of each, that said employees increase their monthly contributions by 50%, and that retirement benefits be increased by 50%. The committee also recommended that all office personnel be retired at the end of the fiscal year in which their 65th birthday occurs, with an allowable year to year extension to age 70 by Board action. Upon motion by Anderson and second by Kolbo, the recommendations were adopted.

The Board then recessed and reconvened at 8:30 A.M. on Sunday, January 30th, with all members present except Quale.

The secretary outlined the possibility of holding a golf clinic for golf coaches under a program being sponsored by the National Golf Foundation, wherein the only cost would be room and board for the pro golfer sent out by the Foundation during the time of the clinic, and recommended that the Association and some college co-sponsor such clinic. Easton moved that arrangements for same be made, seconded by McLain and carried.

Regulations concerning sanction of out-of-state events were next reviewed by the Board, particularly the regulation stipulating that approval be limited to a 300 mile one-way travel distance if loss of school time is involved, and the restricting of such out-of-state events to bordering states. It was noted that Mandan High School had recently been denied permission to attend a Jazz Festival in EauClaire, Wisconsin, because of said regulations. A request from Minot High School for granting an exception to allow them to play Detroit Lakes in baseball, a distance of 330 miles, because of a lack of Class A baseball in North Dakota, was presented. Upon motion by Muckenhirn and second by Easton, the request was denied. Harold Van Heuvelen of Bismarck High School appeared before the Board relative to a planned choir trip to a New Orleans choir festival. After hearing the nature of the festival, the Board ruled that this would be in violation of the regulations as it had not been sanctioned by the National Federation and involved more than the allowable travel distance.

The extent of girls basketball competition on an interscholastic basis was discussed at length. Broton moved that the secretary survey schools as to the status of interscholastic girls basketball and secure opinions of member schools concerning same. Seconded by McLain and carried.

The Board next reviewed the policy of sponsoring Cheerleader Clinics every other year. It was pointed out that attendance at some of the clinics the past year exceeded the desired maximum because of available facilities. It was the feeling of the Board that it would not be feasible to schedule clinics at additional sites, but rather that it would be more advantageous to sponsor

dinics every year. Broton then moved that these clinics be scheduled in the fall of each year, seconded by Easton and carried.

The Board was advised that present trophy contracts expire this year and that new contracts would have to be negotiated at the June meeting. Appointed on a committee to review and recommend trophies at the June showing were members Kolbo, McLain and Batterberry.

Next reviewed was an amendment to Section I of Article II of the National Federation By-laws being sponsored by Region V which would stipulate that in contests between schools of two different states, each school would follow the eligibility rules of their own state, but the contest regulations of the more restrictive state. It was moved by Muckenhirn and seconded by Batterberry that North Dakota endorse the proposed amendment. Motion carried.

Discussion followed on the policy of reserving a weekend in the spring for state-wide church activities. It was the feeling of some that this weekend was no longer being used by church groups. Anderson moved that the executive-secretary contact the heads of the various church denominations to get their views on the matter. Seconded by Peterson and carried.

Plans for the meeting of the Class B district chairmens meeting to be held at the time of the State Class B tournament were discussed. McLain was appointed to chair the meeting and to make a report to the Board following the meeting.

A communique from E. S. Killie, Executive-Secretary of the NDASA, extending an invitation to the NDHSAA to hold their annual meeting in conjunction with the fall meeting of the school administrators was read.

The following assignments for trophy presentations at up-coming events were made:

Reports were made by the executive-secretary and assistant secretary concerning the mid-winter meeting of the National Federation and National Alliance Football Rules meetings, respectively. Also presented was a report by Mr. Robinson on the NUEA meeting in San Francisco.

The secretary next reported that the regional meeting of the National Federation would be held in Nebraska in the fall of 1972 and in North Dakota in 1973. The secretary and president were directed to set the site and to arrange a tentative agenda for the 1973 meeting.

A request from hockey officials that a rating, testing and classification system be developed for hockey similar to that in other sports was presented. Upon motion by Broton and second by Easton the request was approved. The chairman directed that a member of the office staff attend the spring

meeting of the hockey group to bring back recommendations concerning this sport to the Board.

The following dates for the 1972-1973 events were set by the Board:

The secretary reported that on July 1st the Park River school will become a new entity, as they will no longer be the Walsh County Ag School after said date. Anderson moved that the school file a letter giving choice of classification after July 1, 1972. Seconded by Peterson and carried.

Next under review was an incident which took place January 21 at Tower City in a basketball game with Clifford-Galesburg. The report showed that the Clifford-Galesburg team did not appear on the floor for the second half of the game and the game was forfeited to Tower City. Letters concerning the incident from the school officials of both schools and the officials working the game were reviewed. After some discussion, the Board instructed the executive-secretary to request the coach of the Clifford-Galesburg team to appear at the March meeting of the Board in Minot.

The chairman appointed Kolbo and Batterberry as a committee to review a survey of television practices of the various states and to report on same at a later date.

Meeting dates for the March meetings were set for Friday, March 10, at 9:00 A.M. at Bismarck, and Friday, March 17th at 1:30 P.M. at Minot.

There being no further business the meeting adjourned.

Dick Schindler,
Assistant Executive Secretary
N. D. High School Activities Association

The Board of Directors re-assembled at 12:00 noon on February 1, 1972, at the G. P. Hotel in Bismarck at the request of the Bismarck School administration for further consideration of the decision concerning the participation of the Bismarck Choir in the New Orleans Choir Festival. All board members, except M. F. Peterson and Del Easton, were present. Also present were Supt. Robert Miller, Principal Paul Swanson, Music Supervisor Mr. Harold Van Heuvelen, Choir Director Mike Rockne, and two students of the Bismarck High School Choir. Members of the Bismarck delegation explained the nature of the event and outlined preparations that had already been made for participation in same. The Board reviewed the Association By-laws and Board policies relative to same for the group – cited decisions which had been made in the past concerning similar requests. Following considerable discussion, it was moved by Kolbo and seconded by Batterberry that the previous decision that participation in this event would be in violation of Association regulations be re-affirmed. Motion carried.

There being no further business, the meeting adjourned.

F. U. Smith, Executive Secretary N. D. High School Activities Assn.

Board of Directors Meeting

North Dakota High School Activities Association

Bismarck, North Dakota — March 10, 11, 1972

The Board of Directors of the North Dakota High School Activities Association met at the Holiday Inn at Bismarck on March 10, 1972, at 9:00 A.M. with all members present. Each member was presented a packet containing the agenda, a complete financial report of the years business to date, and a list of checks drawn on the General Fund since the last meeting.

The Board reviewed the financial reports of the General Fund and the Accident Benefit Fund and upon motion by Muckenhirn and second by Peterson the reports were approved.

The executive secretary reported on replies received from various ministerial groups relative to their usage of the spring weekend reserved for state-wide church activities. Following some discussion, it was moved by Easton that this weekend no longer be reserved for such purpose since it appeared that very little use was being made of it anymore, seconded by Muckenhirn and carried. It was agreed that this weekend would not be reserved for any group in particular, but would be left open for any and all activities.

Discussion followed on the policy of not accepting late entries for participation in various events, and an opinion received by M. F. Peterson from the attorney-generals office that the assessing of late filing entry fees would be within the rights of the Association. It was then moved by Broton that the present policy be amended for the 1972-1973 school year to permit acceptance of late entries up to one week following the deadline date for filing upon payment of a late entry fee of \$25.00, seconded by McLain and carried. Kolbo then moved that a school going through a late entry process be identified with a letter of reprimand to the school administrator and to the president of the school board listing specifically the activity in which they were delinquent and the penalty assessed, seconded by Muckenhirn and carried.

Ben Olien of Mott and 3 other representatives representing the Jaycees organization appeared before the Board to get their opinion concerning their sponsorship of an east-west A and B all-star basketball game in June. Participants would be limited to current graduates and proceeds would be used to establish a scholarship fund. The Board took no action other than giving their own personal opinions of various aspects of the proposed plan.

Bruce Whiting of Bismarck and Gelaine Orvik of Fargo appeared before the Board to explain the indoor track program and expressed a desire for an official state meet in the future. They suggested an earlier starting date for the track season.

Supt. Reinke, Principal Dahl, and Athletic Director Carr of Hettinger, appeared before the Board asking for a reconsideration of the ruling made in January that a two year waiting period would be required before they could revert back to Class B classification. After some discussion, it was moved by Anderson that they be allowed to go back to Class B status effective with the 1972-1973 school year. The motion was seconded by McLain but failed when put to vote so the original ruling made in January was upheld.

James Broton presented the report of the basketball district alignment committee recommending that Crosby be assigned to District 27, Stanley to District 24, and Belcourt to the Northwest Class A region, and moved its adoption, seconded by Muckenhirn and carried.

Supt. Bicknese of Roseglen White Shield next appeared before the Board in regard to the hardship case of Joseph Ensrud who had transferred from Garrison to White Shield on October 18th and presented statements from both schools involved indicating that no undue influence was exerted. Letters of placement from the McLean County Welfare office were also presented.

Upon motion by McLain and second by Broton, the boy was ruled immediately eligible under the hardship rule.

An opinion from the Association's attorney relative to the status of Mr. Easton's position on the Board following the action of the member schools in establishing a new method of selecting a secondary school principal representative was next reviewed. The opinion stated that Mr. Easton should continue to serve on the Board from July, 1972, to July, 1973, as a continuation of his present term and that in October a representative would be nominated and later elected to take office in July, 1973.

The executive secretary recommended that a Board policy manual be prepared so that established policies could easily be reviewed without having to refer back to the minutes of numerous Board meetings when questions arose. Muckenhirn moved that the office staff prepare such a manual during the next year, seconded by Anderson and carried.

Letters of complaint from a Fargo North and a Fargo South parent concerning incidents at the State Hockey and State Gymnastics tournaments were read, along with replies which had been written by the executive secretary. It was moved by Kolbo that the minutes show that the Board was made aware of the incidents and had reviewed the problems in connection therewith, seconded by McLain and carried.

The Board next took under consideration dates for the 1972-1973 hockey season. After some discussion, it was moved by Anderson that the season start one week later than it had this past year, and also end a week later and that the hockey season officially end with the conclusion of the state tournament, thereby eliminating the two week post practice period which had previously been allowed, seconded by Broton and carried.

Next reviewed was the problem that some hockey schools have in getting seeded in the top six schools for the state tournament since they do not belong to the established conference. Anderson moved that the hockey coaches elect an advisory committee and that this committee devise a plan for tourney seeding that would be acceptable to the Board, seconded by Easton and carried. Muckenhirn moved that UND be asked to tentatively reserve their new arena for the dates of next years hockey tourney, seconded by Easton and carried.

Upon motion by Quale and second by McLain, the 2 week hockey clinic sponsored by the Fargo Park Board was ruled a clinic rather than a summer camp.

Ken Rio, athletic director of the Grand Forks Public Schools, appeared before the Board and reported that their schools were opposed to a lengthening of the track season, but rather favored a shorter season if a change is made.

The executive secretary reported that the book recommended for extemporaneous interpretation in the speech contests contained several selections of a questionable nature and consequently the book used a year ago would be substituted.

The secretary also reported that Brooks Hanna of Minot had failed to make restitution according to the terms of his contract with the Parshall

school for his breaking of a basketball officiating contract, and so consequently had been asked to appear before the Board at the Minot meeting.

The Board next reviewed the results of the poll conducted to determine the extent of participation of schools in girls interscholastic basketball. Action on same was delayed until the meeting next week in Minot.

Some time was spent reviewing the agenda prepared for the meeting of the Class B chairmen to be held next week. The Board then recessed reconvening again at 9:00 A.M. on March 11th.

The secretary reported that several schools had requested that junior high seasons for indoor sports be set at a different time of year than high school sports because of problems relative to use of facilities and equipment. The matter was referred to the respective advisory committees for their recommendations.

Next under consideration was a question as to the feasability of amending by-laws pertaining to junior high transfers and modifying the transfer rule as to high school students so as to permit eligibility for all but varsity team competition. Appointed as a committee to draft proposed amendments covering same were Muckenhirn, Broton, and Smith.

The assistant secretary next reported on items discussed at the coaches meetings at the State A and B wrestling tourneys. A similar report was made by the secretary concerning the gymnastic coaches meeting. No action was taken and the recommendations presented were referred to the respective advisory committees.

Also discussed was the advisability of having an athletic directors advisory committee to screen recommendations made by the various sports advisory committees. Action was deferred until the next meeting.

The secretary explained the present allotment system of Bulletins to various size schools. Broton moved that the number be doubled with the 1972-1973 school year, seconded by Muckenhirn and carried.

Discussion followed on telephone polls of Board members on critical questions. It was moved by Broton to rescind previous Board action concerning such polls, and that a conference call system be used when conducting polls, seconded by Kolbo and carried.

The secretary reported that arrangements had been completed for the conduction of a golf clinic by the National Golf Foundation at Valley City on April 17th, under the co-sponsorship of the NDHSAA and the Valley City State College.

The question of the holding of regional NDHSAA clinics next fall was next taken under consideration. Anderson moved that these clinics be discontinued for one year, seconded by Peterson and carried.

The date and site for the annual meeting of the General Assembly was next discussed. An invitation extended by the NDASA to hold this meeting in conjunction with their fall meeting was read and accepted; however, as arrangements for the NDASA meeting were as yet incomplete, no definite time or site was selected.

28

The Board next reviewed the annuity agreements entered into between the Association and the executive secretary and the assistant executive secretary and on motion by Muckenhirn and second by Anderson the following resolution for F. U. Smith was adopted:

# RESOLUTION

WHEREAS, the law for insurance of Savings Association accounts by the Federal Savings and Loan Insurance Corporation provides separate and distinct insurance coverage for the beneficiary of each Trust Estate up to Twenty Thousand and no/100 (\$20,000.00) Dollars independent of any trust coverage for other Trust Estates or accounts belonging to such beneficiary.

THEREFORE, BE IT RESOLVED, That Two Thousand and no/100 (\$2,000.00) Dollars of the undersigned association's funds, together with earnings thereon and additions thereto, be and are hereby conveyed to Francis U. Smith and August L. Spiss, as Trustees, and their successors, in trust for Francis U. Smith, his wife, and the heirs of the survivor of said Francis U. Named on the officials selection committee were Easton, Chairman, Broton, and Peterson. Bruce Anderson was selected as the North Dakota nominee for the position as Executive Committeeman from Region V on the National Federation Board.

Discussion followed on plans for attendance at the National Federation meeting in Miami next June. The following members indicated that they would be attending the conference: Muckenhirn, Broton, McLain, Easton, Peterson, Batterberry, and Spiss. G. F. Muckenhirn was named as official delegate.

Broton moved that the meal allowance for Board and staff members be increased to \$15.00 per day when attending out-of-state meetings. Seconded by Batterberry and carried.

The Board next proceeded to organize itself for the 1972-1973 fiscal year. Don Kolbo was elected president and G. F. Muckenhim was named as vice-president effective July 1st.

As there appeared to be no other business, the Board adjourned after setting the next meeting for 1:30 P.M. on March 17th at Minot, and selecting June 8th and 9th as the dates for the June meeting in Valley City, commencing at 9:00 A.M. on June 8th, with committee meetings at 1:00 P.M. on June 7th.

Board of Directors Meeting

North Dakota High School Activities Association

Minot, North Dakota — March 17, 18, 1972

The Board of Directors of the North Dakota High School Activities Association met at 1:30 P.M. on March 17, 1972, at the Ramada Inn in Minot with all members present except D. Easton.

Supt. Don Herbel of Rock Lake appeared before the Board relative to summer non-athletic camps. He explained that some civic groups had expressed an interest in paying partial expenses of music students attending summer music camps and wondered whether this would be permissible since it was not allowed in athletics. The Board explained that the restrictions outlined on summer camps applied to athletic camps only.

Supt. Bicknese of Roseglen White Shield next presented additional information from the Social Service in Washburn concerning the home status of Joe Ensrud, a student at his school. This information lended support to an earlier decision of the Board in the matter.

The secretary read a letter from Newburg concerning the officiating in the Region 7 tourney at Williston. Don Kolbo was questioned as to his observations of same. No further action was taken.

Supt. Sanbeck and Coach Holien of Clifford-Galesburg and Supt. Bischoff and Principal Erickson of Tower City appeared before the Board relative to an incident that occurred during a basketball game at Tower City in which the Clifford-Galesburg team did not appear on the court following halftime. The game was terminated by the officials with Tower City being awarded a forfeit. The secretary summarized the events as outlined in the written reports submitted by the two schools and the officials. Following lengthy questioning and discussion, Muckenhirn moved that a letter of reprimand be sent to Coach Holien and a copy thereof to the school administrator and president of the school board. Seconded by McLain and carried.

The Board next discussed at some length the contents of a letter from the Attorney Generals office sent to the State Superintendent of Public

Instruction questioning the right of school districts to join the NDHSAA. It was the feeling of the Board that legislation should be introduced authorizing same, as well as payment of dues, and outlining the right of the Association to establish rules and discipline members, should such be found necessary. Appointed to a committee to handle the matter was members Kolbo, Peterson and Quale.

Supt. Norris Wilson of Tioga appeared before the Board requesting a suspension of the rules so that they could revert back to Class B status effective with the 1972-1973 school year. He also stated that if such cannot be granted that they be allowed to 'free lance' for a year without belonging to a district or region, and not participating in the tournament series next year. Following some discussion, the Board reiterated their former position of not being able to change the waiting period since this was specifically spelled out in the By-laws. It was the feeling of the Board that if Tioga did not wish to participate in the tournament series that this was their prerogative, but that they would have to remain classified as an 'A' school for the next school year.

Mr. Kolbo reported that the TV committee had reviewed policies of the Board concerning the televising of various events and would make recommendations relative thereto at the June meeting.

Considerable time was spent reviewing the outline of duties and areas of responsibility of staff members as presented by the executive secretary. After adopting some minor amendments, it was moved by Muckenhirn to approve the report as amended, seconded by Anderson and carried.

Coach Lindsey and Assistant Coach Hotchkiss of Warwick and Supt. Bergene and Coach Rutter of Maddock appeared before the Board concerning the removal of the Warwick team from the floor before the completion of the game in a "B" squad contest between the two schools at Maddock. Each school gave their version of the incident. Assistant Coach Hotchkiss stated that his action in removing his team was a form of protest to the 'pouring on' by Maddock as the other coach kept his regulars in after Warwick had made substitutions when the score became one-sided. After considerable discussion, Muckenhirn moved that the Warwick school be placed on probation. The motion died for lack of a second. Kolbo then moved that the Warwick coach be sent an official letter of reprimand and copies of same be sent to the school administrator and president of the Board. Seconded by Quale and carried. The Board then recessed until 9:00 A.M. on March 18th.

President Spiss called the meeting back to order at 9:00 A.M., with all members present except Easton and Peterson. Discussion followed on salaries for the executive staff members for the 1972-1973 fiscal year. By unanimous action the present salaries of the executive secretary and assistant secretary were increased \$500.00 per year and the assistant to the executive secretary \$300.00 per year.

- H. L. McLain, chairman of the Class B district chairmen, reported that the following items were discussed at their meeting on March 17:
  - 1. Girls basketball;
  - 2. Officials fees:
  - 3. Involvement of administrators on advisory committees:
  - 4. Various plans for Class B tourney set-up;

5. Sites for regionals and state tourneys.

Action concerning recommendations of the group was deferred until the June meeting of the  $\ensuremath{\mathsf{Board}}.$ 

The Board next discussed the feasibility of having advisory committees in the sports of basketball and hockey and an athletic directors committee. Broton moved that an advisory committee be activated in each of these two sports and that recommendations from all athletic advisory committees be channeled through a final committee composed of 3 athletic directors of which at least one shall be from a Class B school and two Board members, prior to final consideration by the Board. Seconded by Muckenhirn and carried. President Spiss appointed Kolbo and Muckenhirn to represent the Board on this five man committee.

Chairman Spiss next appointed Easton, Broton, Peterson, Batterberry and Muckenhirn to serve on the Officials selection committee, and designated Muckenhirn and Batterberry as members to attend the meeting of the Officials Board.

The secretary presented a request from Jamestown for permission to schedule a North Star Hockey Glinic next fall after the opening of the hockey season, because of the lack of artificial ice. The request was denied as the By-laws stipulate that clinics put on by professional athletic clubs must be held outside of the regular season.

Some time was spent reviewing the poll conducted on girls basketball and the recommendations of the Class B district chairmen relative thereto. Upon motion by Anderson and second by Batterberry the question of sponsorship of this activity was tabled for one year.

The committee appointed to draft revisions in the By-laws relative to transfer students was instructed to send copies of their proposed changes to each member of the Board for study, so that the amendment may be finalized at either the June or August meeting.

The secretary next reviewed financial reports which had been received of tournaments held to date.

Next under consideration was the disposition of the case involving Mr. Brooks Hanna of Minot. Mr. Hanna failed to make restitution to the Parshall school according to the terms of his officiating contract, and neither offered a letter of explanation or appeared before the Board in response to the request sent to him. Batterberry moved that Mr. Hanna be indefinitely suspended as an official with the NDOA and that he be sent a letter so notifying him, with a copy of same sent to the Parshall school. Seconded by Anderson and carried. The assistant secretary was instructed to so notify the NDOA executive committee.

Discussion followed on number of officials to be employed for next years' state basketball tournaments. Upon motion by Kolbo, and second by McLain, the Board voted to retain the same system as used this year.

The secretary presented a request from Mr. Borr of Mandan, representing the Music Educators, that the spring weekend formerly reserved for state-wide church activities be reserved for the all-state band and chorus festival, and if

this was not possible to emphasize the scheduling of this event for this date on the activities calendar. As the Board had previously voted to open this weekend to all groups, no action was taken and the secretary was instructed to consider this event the same as all other invitational events.

Discussion followed as to whether the assistant to the secretary should attend the summer meeting of the National Federation. It was moved by Anderson that he attend said meeting and seconded by Kolbo, but the motion was defeated when put to vote.

There being no further business the meeting adjourned.

Richard Schindler, Assistant Secretary N. D. High School Activities Assn.

Board of Directors Meeting

North Dakota High School Activities Association

Valley City — June 8, 9, 1972

The Board of Directors of the North Dakota High School Activities Association met in the Association office building at 9:00 A.M. on June 8, 1972, with all members present except Peterson and Broton. Each member of the Board was furnished with a complete financial report of the business to date, a financial report of the Accident Benefit Fund to date, and an agenda for the meeting. Upon motion by Batterberry and second by McLain the financial reports were accepted as submitted.

The next order of business was a report of the trophy committee (Kolbo, McLain, and Batterberry) who had examined trophies from the Josten Company, Balfour Company, and Allard Trophy Company. The committee presented two recommendations for trophies for each of the various events and the entire Board then voted on the final selections. Bids for supplying basketballs for the 1973 tournaments were opened. Two bids were received, one from Gerrells of Devils Lake for \$12.67 for the Wilson B1200 Jet ball, and one from Colborn School Supply for \$13.45 for the Rawlings RLO ball. It was moved by Anderson that the low bid of \$12.67 per ball for the Wilson B1200 Jet ball as submitted by Gerrells be accepted, seconded by Batterberry and carried. It was agreed by the Board that future bids for basketballs be called for the January meeting of the Board.

Discussion followed on the present rule in regard to the requirement that fees for summer athletic camps be paid by the youngster or his parents, and whether community and civic groups should be allowed to sponsor participants as they now do in the areas of music and speech. It was moved by

McLain and seconded by Batterberry to place this item on the August agenda for further consideration with final action to be taken in October. Motion carried.

Next under discussion was the present status of the endeavor to secure a college course or unit pertaining to the NDHSAA in the institutions of higher learning. It appeared that possibly the 'hang-up' was due to the lack of a course of study, so the chairman directed Mr. Kolbo to prepare same and present a progress report at the next meeting.

A request from the Buchanan school for approval to use Leigh Sorenson another year as basketball coach was taken under consideration. It was moved by Muckenhirn that the request be approved along with a letter advising them that the NDHSAA does not want to perpetuate such arrangement and that a teaching coach be hired at the first opportunity when a teaching vacancy occurs. The motion was seconded by Easton and carried.

Mr. Kolbo presented the following recommendations on behalf of the TV committee:

- Because of the sharp drop in gate receipts, the Northeast Class A regional basketball tournament not be telecast in 1973.
- If a basketball play-off game becomes a reality, the minimum fee for this event be \$500.00.
- 3. The minimum fee for the championship game of the state hockey tourney be \$500.00.
- A minimum fee of \$100.00 for video-taping of state tournaments or meets for delayed telecast.

Upon motion by Muckenhirn and second by Anderson, the report was accepted as a guideline only to be used when considering television bids.

Muckenhirn as chairman of the by-laws committee moved that the following amendments to the Association by-laws be presented to the General Assembly in October:

#### ARTICLE XIII - Eligibility (High School By-laws)

## Section X:

He shall have been in attendance in the school he represents for two complete semesters of 180 classroom days upon transferring from another school to be eligible for interscholastic athletic varsity team competition unless his parents have become residents of the district to which he is transferred, or the school does not offer work of the corresponding year in which he is ranked.

Note: Transfer students under any circumstances are immediately eligible for participation on any athletic team other than the varsity or "A" team, and are immediately eligible for non-athletic activities.

# Section XIII: (Junior High By-laws) Transfer Students

A student who transfers from one junior high school to another is eligible for junior high competition regardless of when the transfer is made.

Note: 7th, 8th, and 9th grade students are also eligible for high school varsity athletic teams if the transfer is made at the beginning of the school year, but would be governed by the high school transfer rule for such competition upon transferring from one school to another after the beginning of the school term without a corresponding change in parental residence. They would be immediately eligible for all junior or high school non-athletic activities and for any high school athletic teams other than the varsity teams, regardless of when the transfer is made.

37

The motion was seconded by Anderson and carried.

A letter from the Class B, District III Music Committee requesting a later date for district music contests was presented, but no action was taken as the Board felt that the present dates best fitted into the entire interscholastic activity schedule.

McLain next presented a report on the district chairmens meeting held in Minot in March.

Appearing before the Board extending invitations to host several Association-sponsored activities for the 1972-1973 school year, were delegations from Minot, Bismarck, Grand Forks, Fargo, Jamestown, and Valley City. Also reviewed were written invitations from other communities and recommendations from various districts. The Board then began a preliminary selection of sites, but recessed before completion.

The Board reconvened at 8:00 A.M. on June 9th with all members present except Peterson. The first order of business was completing the selection of sites. Upon motion by Easton, and second by Muckenhirn the following sites were selected:

Next taken under review were the recommendations of the various advisory committees. F. U. Smith presented the recommendations of the basketball, hockey, and girls gymnastic committees and Dick Schindler those for the wrestling, boys and girls track. Upon motion by Easton and second by Batterberry the following recommendations of the basketball committee were approved as amended.

- 1. All coaches are to recommend 2 to 5 officials to the Association office by February 15. The Association office will then tabulate the choices of the 32 Class B district champions and the 8 Class A regional advancing team. The top selections from this group to be assigned to the state tournaments. This recommendation to go into effect in 1973-1974 on a one year trial basis.
- Referred to the Class B district chairmen, a proposal to create B regional committees consisting of the 4 district chairmen in each region for the 1973-1974 season. The regional committees would be empowered to set regional sites and officials for regional tourneys.

Upon motion by Kolbo and second by Anderson the following recommendations of the hockey committee were approved as amended:

- Two calendar weeks of practice be required before the first permissible game.
- 2. Each team be permitted two scrimmages with another school at any

time during the season which would not be counted toward the total allowable number of games.

- A jamboree be permitted at the start of the season, which would count as one of the allowable games.
- Individual players be restricted to a maximum of four periods of play in any one day.
- Removed restriction that the invitational tourney be restricted to the Christmas holiday season and limited to 4 teams. Same regulations as apply to invitational basketball tourneys be adopted.
- Repealed North Dakota modification of rule pertaining to icing of the puck.
- 7. State tournament plan as drawn by coaches approved.

Upon motion by Batterberry and second by McLain the following recommendations of the girls gymnastic committee were approved as amended: Proposals Pertinent to the Entire Season:

- Teams be allowed to compete in 2 meets per week, but the total number permissible meets remain at 15. At present they are only allowed 1 meet per week.
- Discontinue the requirement that a gymnast be required to move up to the next division when she has won a first in an event any time during the season.
- 3. Loop films are to be used as the official text for all competition.
- A penalty of .50 be imposed on the gymnasts average score for an unsuccessful protest.
- The top 6 scores in each event shall be counted for team score. Teams' scores to be determined before the finals.
- 6. Foot apparel be required during competition.
- Junior high season be 10 weeks long and each school may set their own starting date.

# Proposals Pertaining to State Meet:

- The present three divisions be retained, but each school to be limited to a maximum of two entries in each event in the Novice division. Said entries must have met a qualifying score of 4.0 during the season.
- Intermediate and Advanced divisions qualify for the state meet by participating in at least 3 compulsory meets and by also receiving a score of 4.5 for the Intermediate division and 5.5 for the Advanced division in either compulsory or optional meets.
- Competition in Intermediate and Advanced divisions be limited to optional routines only.
- 4. Each team be allowed 5 intermediate competitors in each event providing that at least two are all-around competitors, and that the junior division be unlimited providing that at least two are all-around competitors.
- 5. The two optional scores are to be averaged in the finals competition to determine individual winners in the Intermediate and Advanced

divisions. The Novice division does not enter in final competition.

- The meet referee shall not be a high school coach of a competing team.
- Recommended Officials Fees:
   Judges \$2.00 per hour with a \$7.50 meet minimum.
   Superior Judges \$2.50 per hour with a \$10.00 meet minimum.

Upon motion by Muckenhirn and second by McLain, the following recommendations of the Speech advisory committee were approved:

47

Batterberry moved that the dates be changed to March 5, 6 instead of March 6, 7 as previously set. Seconded by Anderson and carried.

Also reviewed was the date set for the 1973 regional sand greens golf tournament. Upon motion by Easton and second by Anderson, the date was changed to May 17th.

Next considered was a complaint received from the Man-Dak Collegiate Conference concerning the introduction of the Minot State College basketball team at the State Class B tourney. McLain moved that the executive secretary draw up a set of guidelines to follow in the future concerning special recognition of individuals or groups at Association events for presentation at the August meeting. Seconded by Batterberry and carried.

The Board next discussed whether a pitching limitation rule should be adopted for boys baseball. Upon motion by Easton and second by McLain, a pitching limitation rule of 12 innings for any one individual in a 48 hour period was adopted.

The Board next ruled that Steve Blehm of Bismarck, who has been attending the North Dakota School for the Deaf, would be eligible at Bismarck High School if he returned to live with his parents for his final year of high school.

Next reviewed were amendments to be voted on at the business meeting of the National Federation at Miami on June 30th, and delegate G. F. Muckenhirn was instructed to vote in accordance with the wishes of Board concerning said amendments.

Salaries of the two office secretaries were next reviewed and set at the same figures for 1972-1973 as paid in 1971-1972. Upon motion by Easton and second by Muckenhirn, the executive secretary was authorized to employ additional part-time office help as needed.

Kolbo moved that expenses of staff members attending events because of their position and expenses of Board members attending regional or state events be allowed. Seconded by Muckenhirn and carried.

The executive secretary presented a month-by-month report on cost of long distance telephone calls and a comparative cost for a Watts line. Upon motion by Broton and second by Muckenhirn, authorization was given for installing of a Watts line.

Next reviewed was a survey conducted by the secretary as to trade-in allowances which could be obtained on Association-owned vehicles, and a recommendation that the cars be sold out-right and new ones purchased without trade-in at the proper time. It was the opinion of the group that such a plan should be followed but action as to procedure to follow was postponed until the August meeting.

The secretary reported that Mr. Bob Shields who had been clinician for our Cheerleading Clinics for many years had formed his own company and will not be able to conduct our clinics this fall, but had requested consideration when the Board contracts a clinician for 1973. The secretary was instructed to secure rates from Mr. Shields and to report on same at a later meeting.

Some time was spent discussing plans for the annual meeting in October.

Next reviewed were by-law amendments proposed by Dickinson High School concerning the age limits for participation by junior and senior high school students and recommendations for corrections in relation thereto as submitted by the executive secretary to Dickinson High School. Action relative to endorsement of the proposals was postponed until the August meeting pending final wording of the amendments.

The executive secretary reported on a survey conducted on the legal status of State Associations and a report concerning same from the Association attorneys. Kolbo was instructed to keep his committee active concerning possible legislative action to give statute status to the NDHSAA.

The Board next reviewed a protest submitted by New England concerning the running of the Class B 880 yard relay at the State Track Meet. No action was taken as no foul had been reported and the rule book had been followed in connection therewith. It was agreed, however, that precautions should be taken so that sufficient competent judges are used in future meets to attempt to prevent similar incidents from happening.

Anderson moved that the Board go on record thanking August Spiss for all the contributions he had made as a member of the Board and as Board president. Seconded by Muckenhirn and carried with a standing ovation.

The Board then adjourned after setting August 3rd and 4th as the dates for their next meeting, commencing at 9:00 A.M. on August 3rd.

# **MINUTES** ANNUAL MEETING North Dakota High School Activities Association October 21, 1971 - Fargo, North Dakota

The annual meeting of the North Dakota High School Activities Association was held in the West Theatre of South High School, Fargo, North Dakota, on October 21, 1971, at 2:00 P.M. Following an address on "The Challenge of Change" by Orval Bies, Assistant to the Executive-Secretary of the Minnesota High School League, Don Kolbo, Vice-President of the NDHSAA, gave a report on the National Federation convention held in Denver in July, 1971.

The business meeting was called to order by Chairman Spiss at 3:00 P.M. Inasmuch as all members had copies of the minutes of the last meeting in the Annual Handbook, Supt. Ford of Selfridge moved that the reading of the minutes be waived. The motion was seconded by Supt. Maxwell of Grafton and carried.

Del Easton of Williston presented the following amendment to the By-laws and moved its adoption:

# ARTICLE XIII - Rules of Eligibility

Section X:

Use or possession of tobacco, alcohol, other harmful substances, illegal use or possession of narcotics or habit-forming drugs is prohibited. Any co-curricular participant who indulges in any of these harmful practices will be suspended from all game participation or public appearances from the date of infraction for a period of six consecutive weeks for the first offense and for a period of eighteen consecutive school weeks for any subsequent offense. Infractions committed during the summer months when school is not in session will be penalized commencing with the first day of school.

The motion was seconded by Supt. Muhs of Towner. Supt. Johnston of Carson then moved to amend the motion by striking the last sentence therefrom. Seconded by Johnson of Fargo South. The motion to amerid was carried on a standing vote. After some discussion the original motion as amended was passed.

OFFICIAL HANDBOOK

Supt. Kringen of Parshall next submitted the following amendment so that paragraph (a) of Section X of Article XIII of the By-laws would read as follows, and moved for its adoption:

# ARTICLE XIII - Rules of Eligibility

Section X (a): He shall have been in attendance in the school he represents for two complete semesters of 180 days upon transferring from another school unless his parents have become residents of the district to which he transferred, or the school from which he transferred does not offer work of the corresponding year in which he is ranked.

> Note: If the transfer is made during a semester rather than at the beginning of the semester, he would become eligible 180 classroom days after the date of transfer.

The motion was seconded by Supt. Solberg of Beulah, who requested a secret ballot. Permission was granted for same and upon tallying of the ballots, the measure passed with 107 Yes votes and 67 No.

Supt. Solberg of Beulah next submitted the following amendment so that paragraph (b) of Section X of Article XIII would read as follows and moved its adoption:

# ARTICLE XIII - Rules of Eligibility

Section X (b): A student who because of unavoidable circumstances such as broken home conditions, death of parents or guardian, abandonment, or other exceptional or emergency reason, finds it necessary to change schools in order to have a home, may be declared eligible by the Board of Directors, provided the administrator of each school involved files a statement with the NDHSAA that the change was necessary and there was no undue influence. Rulings on such cases will be considered by the Board only when in regular session and after a complete investigation by a committee consisting of at least two Board members.

The motion was seconded by Supt. Huber of Hazen and passed on a standing vote.

Milo Dullum of Dickinson next proposed the following amendment so that Section X of Article III of the Junior High By-laws would read as follows and moved its adoption:

# ARTICLE III -- General Regulations

Section X:

In a Junior High School with an enrollment under two hundred fifty (250) a ninth grade student shall not be eligible in the junior high division on or after the day on which the sixteenth anniversary of his birth occurs; a seventh or eighth grader on or after the day of his fifteenth birthday. In a Junior High School with an enrollment of two hundred fifty or more, a ninth grader shall not be eligible to compete in the junior high division on or after the day on which the seventeenth anniversary of his birth occurs, a seventh or eighth grader on or after the day of his sixteenth birthday.

The motion was seconded by Carlson of Minot. Supt. Sailer of South Heart moved that the motion be amended to read as follows:

"A ninth grade student shall be eligible to compete in the junior high division for the entire school year if the 16th anniversary of his birth occurs on or after September 1 - he shall not be eligible on or after his 17th birthday. A seventh or eighth grade student shall be eligible to compete for the entire school year if the 15th anniversary of his birth occurs on or after September 1 - he shall not be eligible on or after his 16th birthday.

The motion was seconded by Supt. Getz of Scranton and passed; however, when the original motion as amended was put to vote it was defeated.

Supt. Getz of Scranton spoke to the group about a constitutional amendment which would increase the powers of the district committees so that they could require a team to play a certain number of games during the season against other district members in order to qualify for the district tournament. He asked member schools to return a questionnaire concerning same to him that he might ascertain whether he should submit such an amendment for mail vote in January.

The assistant secretary informed the group that the Board was sponsoring a constitutional amendment which would give the Board of Directors the power to set the time and site of the annual meeting of the General Assembly, and explained the reasons therefore.

The report of the nominating committee (consisting of Supt. Berger of West Fargo, Supt. Wilson of Tioga, and Supt. Sheppard of Northwood) was presented by Supt. Wilson submitting the following names for vacancies on the Board of Directors:

- 1 Class A representative for 3 year term: John Sunderland of Cavalier
- 1 Class B representative for 3 year term: H. L. McLain of Hatton

1 - Representative-at-large for 3 year term:

Don Kolbo of Mohall

Nominations were then called for from the floor. Nominated for Class B representatives were the following:

John Knudsvig of Hillsboro; Elmer Huber of Hazen; Bruce McShane of Ashley.

Robert Glock of Fargo North was nominated for representative-at-large by Marvin Leidal of West Fargo.

There were no other nominations so the motion that nominations cease was made, seconded and carried.

There being no further business, the meeting adjourned.

Dick Schindler, Assistant Secretary N. D. High School Activities Assn.

# NDOA BOARD OF DIRECTORS MEETING Valley City, North Dakota June 3, 1972, 10:00 A.M.

Jack Brown called the regular meeting of the North Dakota Officials Association Executive Board to order with all members present. Minutes of the previous meeting were read and approved.

Motion by Burfening to have the annual meeting in Valley City on Friday, November 10, 1972, at 6:30, to be followed by a regular basketball rules clinic, starting at 7:30 P.M. Second by Gebhart and carried.

The Board agreed that the rules clinics in football and basketball should be scheduled in a gymnasium at each site if at all possible. The mechanics of officiating section to be added to the regular rules clinics will be conducted by the local officials association representatives or by people contacted by Mr. Schindler when no local has been organized. The football mechanics section to cover the following items for 1972: Proper uniform, equipment, general pre-game duties of each member, position of officials for kick-off, running plays, passing plays, etc., administration of penalties, signalling, and measuring for a first-down. In basketball, the mechanics section to cover proper uniform, pre-game duties, basic floor positioning, signalling, and the mechanics of the various counts which must be taken.

Jack Brown next read a letter from Gerald Balzer in which Mr. Balzer asked the Board to take action concerning coach-official relationship.

The Board next spent considerable time discussing the problem of the football and basketball coach that causes problems for all officials but who never gets reported or called before the NDHSAA Board. Motion by Burfening to have the NDHSAA devise a form that would be sent to each football and basketball official on which he would report any yardage penalty against a

N. DAK. HIGH SCHOOL ACTIVITIES ASSOCIATION

football coach or any technical foul against a coach, player or bench personnel for misconduct. Each official would be responsible for sending in a report following a game in which such violation occurred. Second by Gebhart and carried.

Jack Brown appointed Ray Albrecht to study the rating system now used in the NDOA and to report back at the November meeting.

The Board next reviewed the nominations for the Officials Hall of Fame and selected the following men to be inducted into the "Hall" in November: Harvey Hanson of Grand Forks; L. C. Loerch of Harvey; Cliff Nygaard of Bismarck. Motion by Albrecht to have NDHSAA pay "Hall of Fame" inductees the cost of the banquet ticket and mileage within the state to attend the awards ceremony. Second by Gebhart and carried.

The Board next reviewed all the information concerning ratings and recommendations of officials and made their selections for officials to work the basketball tourneys in 1973.

There being no further business, the meeting was adjourned.

North Dakota High School Activities Association 134 Third Street North East Valley City, North Dakota

We have examined the statement of assets, reserves, and fund balances of your unincorporated association, as of June 30, 1972, and the related summery of changes in unappropriated fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and other procedures considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the assets, reserves and fund balances of the North Dakota High School Activities Association on June 30, 1972, and the changes in unappropriated fund balances for the year then ended, resulting from cash transactions applied on a consistent basis.

#### NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION

#### NOTES TO FINANCIAL STATEMENTS, June 30, 1972

NOTE 1: The association has invested its reserves for maximum yield and safety. The following summary indicates how the funds were invested on the closing dates --

U.S. Treasury & Federal Agencies Savings & Loan Association Local Banks	1972 47% 25% 28%	1971 51% 30% 19%
TOTAL	100%	100%

The yield was 7.417% on the average investment this year.

NOTE 2: On June 30, 1972, the association had \$44,879. invested in real estate and improvements, \$16,751. in office fixtures and equipment, \$3,239. in films and publications, and \$7,950. in two staff cars. Depreciation has been provided using the straight line method with appropriate lives varying from 28 to 4 years.

NOTE 3: Unclaimed checks issued, outstanding in excess of one year, have been restored to the bank accounts and will be carried as a liability until the statute of limitations permits them to be cancelled and restored to the related fund balance.

NOTE 4: Encumbrances represent a provision for unpaid bills, estimates of the cost of goods and services on order but which have not been billed to the association, insurance claims in process, and a reasonable estimate of expected claims where only the notice of injury has been received.

NOTE 5: The association intends to return to the members the excess portion of the balances in each fund which are not needed in the future. This may be done by reducing future assessments for dues or premiums, or by increasing the benefits and services rendered — at the discretion of the board. See note 6 below for the effect of the action on the prior year balances.

NOTE 6: On August 20, 1971 the Board reviewed the status of the unappropriated balances in the General and Accident Benefit fund on June 30, 1971. The following appropriations were then authorized from same --

	G <u>eneral Fun</u> d	B <u>enefit Fun</u> d
