81ST ANNUAL

OFFICIAL YEARBOOK

FOREWORD

This yearbook provides a detailed accounting of the past years' activities for NDHSAA. I would like to thank the Board of Directors, NDHSAA office staff and all representatives of the member schools for your dedication and commitment to the Association.

US Bank completed its' sixth year as NDHSAA Corporate Sponsor and has renewed a three year contract. In addition, US Bank provides the scholarship funds for the Distinguished Student program. Their commitment to high school activities is appreciated.

This is the second year Farmers Union Insurance is a supporting sponsor for all activities. Their involvement is also appreciated.

Once again, NDHSAA served a large number of students in grades nine through twelve. In 2004-05 there were 26,880 student participants in sports activities and 16,867 student participants in fine arts activities.

Because of the hard work and support of our member schools, NDHSAA continues to be a very successful organization that serves North Dakota students involved in activities. It is important that each member feels as though they are an important part of the Association. We anticipate another good year for the Association. Your support is greatly appreciated.

Sherman Sylling
Executive Secretary

MINUTES

North Dakota High School Activities Association Board of Directors August 12, 2004

The Board of Directors of the North Dakota High School Activities Association held their meeting on August 12, 2004 in Valley City. President Schock called the meeting to order at 9:30 a.m. with all members present.

President Schock welcomed new Board members, Lorell Jungling, Brian Duchscherer and Kim Knodle.

Following additions, motion by Briggs to approve the agenda. Second by Sanstead and carried.

The Board was supplied with minutes of the June 22, 2004 meeting. Motion by Schaible to approve. Second by Jungling and carried.

The Board reviewed the financial reports. Following questions and discussion, motion by Volesky to approve the reports. Second by Lockwood and carried.

The Board held audience with Supt. Kevin Keenaghan to hear Watford City's appeal of the Board's denial of their request for an extra year of eligibility for a student. Motion by Sanstead to allow the additional year of eligibility. Second by Lockwood and carried.

Requests for cooperative sponsorship dissolutions were reviewed. With motion by Lockwood and second by Briggs, the board approved the dissolution of New Public School Dist. 8 and Williston in gymnastics, baseball, speech, debate and one act play.

Applications for cooperative sponsorship were reviewed.

a. Milnor/Wyndmere and Lidgerwood in track, 7-12 (2004-2005)

Motion by Volesky to approve the application. Second by Lockwood and carried.

b. Grafton and Midway in cross country 7-12 (2004-2005)

Motion by Lockwood to approve. Second by Sanstead and carried.

c. New Town and Mandaree in football 7-12 (2004)

Motion by Briggs to approve. Second by Volesky and carried.

d. Cavalier and Pembina in cross country 7-12 (2004)

Motion by Volesky to approve. Second by Schaible and carried.

The Executive Secretary informed the Board of the updates for the policy book which is in their meeting file.

The Board was informed of the incorrect dates that were shared with the Board at the last meeting. The DPI Call Conference is September 26th through noon on September 28th. Therefore, it is recommended NDHSAA committee meetings will take place on September 27th and the meeting would be held on September 28th. Also, the National Federation moved the Legal Conference one week later, which conflicts with the April 21st meeting. The April meet date is changed to April 20th. Motion by Sanstead to approve the changes for meeting dates. Second by Carlson and carried.

Volesky reported on behalf of the Finance Committee with two main items on their agenda:

1. Vehicle bids for replacement of the gray van. The Executive Secretary is requesting permission to go directly to the dealership to negotiate a deal with the company that has provided the vans in the past.
2. The committee is studying a plan to revise team payments. The committee will meet prior to the next meeting and devise a payment schedule prior to the September meeting. The plan is to have something in place to share with the membership at the October meeting.

Schaible reported on the Constitution and By-Laws committee with the following recommendation for wording concerning an interpretation of the intent of the rule which has been given in the past but was in need of a wording update. Page 37 under 4a. in bold after the wording "high school's coaching staff" and following question 58, add an explanation as a note which states, "Note: Boys' and Girls' basketball, boys' and girls' hockey, and boys' and girls' soccer are each interpreted as one sport. Motion by Sanstead that these language additions be made. Second by Briggs and carried.

Briggs indicated the wording in Section XI on page 34 may need to be reviewed to indicate appeals need to come from a school rather than an individual.

Carlson reported on behalf of the Class B Redistricting Committee's study on the recommendations that were approved for the 2005-2006 school year. There is one problem with the number of teams assigned to District 7 and District 8. Currently the number of teams is unequal. Recommended is to wait for any action until the October General Assembly meeting in case there is a proposal and vote on a three-class amendment. In volleyball, previously the following changes were: Hillsboro from District 2 to District 3; Center from District 10 to District 9, Sawyer from District 12 to District 11; Trenton from District 15 to District 16 and Belfield/South Heart from District 13 to District 14. When the committee studied their previous action, they missed reassigning Trinity Christian to the same district as their basketball teams were assigned. If Trinity Christian were now moved from District 15 to District 16, there would be an extreme imbalance with district numbers. Recommendation from the committee is to leave Trinity Christian in District 15 and put Trenton back in District 15 to make the numbers equal. Motion by Coles to support the recommendation. Second by Schaible and carried.

The Board held audience with a delegation from North Border with a request concerning regional alignment in the new football plan. Jeff Carpenter, Shawn Horgan, Morgan Huset and Joe Defoe represented the schools. Jeff Carpenter spoke on behalf of the delegation with several suggestions to change the regional alignment for their division by switching North Border and Griggs County region assignments. Motion by Lockwood to refer this request to the Football Committee for study and a recommendation to be presented to the Board at the September meeting. Second by Carlson. Suggested by Duchscherer is all teams involved should be notified there is a study of the region alignment to be brought back September 28th. Motion carried.

Harold Rotunda, Certified Public Accountant, appeared before the Board with the audit of the financial year ended June 30, 2004. Motion by Volesky to approve the auditor's report. Second by Briggs and carried.

The Board read a letter from Jim Haussler, athletic director of the Bismarck Public Schools requesting permission to allow Grant Bakke to participate in the Northwest Athletic Club Boys' Fall Classic championship Level 5 September 17-19. The question was raised as to whether this would be of international or Olympic ramifications. Motion by Volesky to deny the request to allow this student to participate. Second by Lockwood and carried.

Motion by Briggs to go into executive session. Second by Sanstead and carried. President Schock declared the Board in executive session at 1:15 p.m.

Motion by Volesky to end the executive session. Second by Sanstead and carried. President Schock announced at 1:35 p.m. the Grand Forks hardship has been denied.

The Board reviewed the 2005 calendar date that has been approved for the end of 9-man regular season and first round for 9-man football playoffs. Currently, they have been set for Tuesday, October 11th and Saturday, October 15th. A request has been forwarded to change these dates to October 18th and October 22nd respectively in the 2005 football season. Motion by Coles to accept the calendar change as presented. Second by Volesky and carried.

With the completion of Board terms for Schock and Coles, there is a need to establish a nominating committee for the Class B southwest position. The Principal's association will be responsible to supply nominations for Coles' position. Motion by Volesky to contact the southwest Class B administrators for this purpose. Second by Schaible and carried. Volesky reported on behalf of the Tournament Committee concerning the Track and Field Advisory Committee's recommendation to reconsider placing the 2005 State Track and Field meet in Grand Forks. A thorough investigation revealed the facility is in condition to allow conducting the state meet adequately. The committee shared a recommendation to remain in Grand Forks for the 2005 state meet. Motion by Coles to accept the recommendation. Second by Volesky and carried.

Trophy assignments were turned in.

The Board reviewed recommendations for region track sites. Recommended are:

- Region 1 – Fargo, Terri Krueger, Mgr.
 - Region 2 – Grand Forks, Donna Galloway, Mgr.
 - Region 3 – Devils Lake, Darren Sheldon, Mgr.
 - Region 4 – Jamestown, Jim Roaldson, Mgr.
 - Region 5 – Hazen, Randy Johnson, Mgr.
 - Region 6 – Rugby, Scott Grochow, Mgr.
 - Region 7 – Watford City, Tom Suelzle, Mgr.
 - Region 8 – Bowman, Steve Conley, Mgr.
- Motion by Coles to accept these sites. Second by Jungling and carried.

The Board reviewed a request from Fargo South for an additional year of eligibility for a student because situations beyond his control denied him opportunity to participate. Motion by Carlson to

approve the request. Second by Knodle and carried.

The Board read correspondence from Four Winds directing the Executive Secretary to respond.

The Executive Secretary gave his report:

1. The latest Michigan ruling for seasons has been an area of concern.
2. The Attorney General invited the association to attend a Council for Youth Alcohol Abuse seminar to explain the NDHSAA rules and regulations
3. Attended a sports huddle with the sports writers of North Dakota. Had a good visit about the relationship with the print media and the NDHSAA.

Motion by Duchscherer to adjourn. Second by Jungling and carried.

Meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

MINUTES North Dakota High School Activities Association Board of Directors-Special Meeting August 20, 2004

A special meeting of the North Dakota High School Activities Association Board of Directors was called to order at 9:00 a.m. on August 20, 2004. Vice-President Lockwood called the meeting to order with all members present except Schock and Schaible.

The purpose of the meeting was to hear reports concerning hardship applications and a request for approval of a cooperative sponsorship application.

Supt. Steve Dick from Velva was present for the Velva portion of the report to answer any questions. Motion by Briggs to go into executive session to hear a hardship application from Velva and LaMoure. Second by Jungling and carried.

Chairman Lockwood declared the Board out of executive session with the announcement the two hardships for Velva and one for LaMoure have been approved.

The Board considered a Hettinger and Bowman cross country cooperative sponsorship agreement. John Campbell and Tony Duletski were present to answer any questions concerning this request. Hettinger had dropped their program but had a senior student that wished to compete. Because of this, Hettinger had requested Bowman to accept a cooperative sponsorship. Hettinger also indicated if the number of Hettinger athletes was to increase, they may start their program again. Motion by Sanstead to approve the application with the \$500 late fee. Second by Volesky and carried unanimously. It was noted although the total enrollment of the schools involved in this coop exceeds the 325 limit, by the Constitution & By-Laws exception for wrestling and cross country, this program may continue to compete in Class B.

With no further business, Chairman Lockwood declared the meeting adjourned.

Respectfully submitted,

MINUTES NDOA Board Meeting Valley City, 9/19/04

President Glarum called the meeting to order @ 12:04 PM with Dave Klundt, Greg Selbo, Donna Hutchison, Terry Schneweis, Ron Wright and Kim Anderson attending.

President Glarum welcomed all and especially new board member, Ron Wright.

Klundt moved to approve minutes of the February meeting. Second by Schneweis and carried.

Anderson moved to assign the boys' basketball portfolio to Ron Wright and Kim Anderson would take the baseball and wrestling portfolios. Second by Klundt and carried.

A discussion concerning the upcoming board term vacancies and representation was held.

Geography, sport representation and registration in one sport of a board member's portfolio were brought forward for consideration. The board welcomes nominations or personal requests from individuals who would like to serve on the NDOA Board. Two board positions will be open for next year: southeast, girls' basketball portfolio; southwest, football portfolio. Ron Wright and Don Glarum will serve as the NDOA nominating representatives.

Active Officials Awards – Baseball, Kevin Kerr, Mandan; Boys' Basketball, Mitch Parker, Fargo; Girls' Basketball, Carl Buechler, Bismarck; Football, Howard Klug, Williston; Gymnastics, Suzanne Darling, Fargo; Hockey, Scott Ellis, Williston; Soccer, Russ Wilber, Grand Forks; Swimming, Irene Wrenn, Grand Forks; Volleyball, Steph Smith, Bismarck; Wrestling, Jim Ladbury, Dickinson. Selbo moved to accept the Active Officials' Awards. Second by Schneweis and carried.

Ron Wright moved to increase regular and post season officials' fees by 4% for the 05-06 school year. Second by Klundt and carried.

A discussion was held concerning officials who do not have social security numbers the possible utilization of the I-9 form.

Schneweis moved to allow soccer officials to develop and use a patch on their officiating uniforms. Second by Anderson and carried.

Selbo moved to allow swimming officials to wear white shirts with navy pants or navy shorts and that gymnastics officials be allowed to wear black slacks/skirt and white top. Officials are to be uniform in their dress for each meet. Second by Schneweis and carried.

The board decided to continue utilizing last year's action, the number of NDOA HOF Inductees per year to three. Under special circumstances, the board may induct one additional person provided such person receives a two-thirds majority vote, as a board policy.

Selbo moved to induct Rocky Schell, Jim Potter and Larry Houser into the NDOA Hall of Fame. Second by Klundt and carried.

Schneweis moved to raise the officials' registration late fee and make up workshop late fee to \$20. Second by Wright and carried. Too many people are paying the nominal late fee so they can do "fun" things instead of attending the scheduled meeting. It is felt an increased fee will help discourage that practice.

** Hockey Day camps were discussed as a number of officials have expressed concern about the hardship of traveling to a single site with no date options and being required to skate every year to qualify for post season officiating. Distance for some is great depending on the location of the day camp.

The possibility of an officials' convention was discussed. Ron and Dave will do some research and report to the board in February.

NDOA meeting days were discussed and it was determined that Sundays are the best days for the NDOA Board to meet.

The next board meeting will be held Sunday, February 13th at noon in the NDHSA Office in Valley City. Board meetings are open and you are welcome. Please contact a board member or Dave Carlsrud in advance to be on the agenda.

Respectfully Submitted,
Dave Carlsrud

MINUTES
North Dakota High School Activities Association
Board of Directors
September 28, 2004 – Bismarck, ND

The Board of Directors of the North Dakota High School Activities Association met on September 28, 2004 at the Bismarck Ramkota Inn. President Schock called the meeting to order at 1:00 p.m. with all members present except Sanstead who joined the Board at 1:30 p.m. Following additions, motion by Briggs to approve the agenda. Second by Schaible and carried.

The Board reviewed the minutes of the August 12, 2004 regular meeting and the August 20, 2004 special meeting. Motion by Lockwood to approve. Second by Volesky and carried.

The Executive Secretary presented the finance report included in the Board's packet including the

balance sheet, updated budget, investment report and checks written for August. Motion by Briggs to approve the report. Second by Knodle and carried.

The following cooperative sponsorship applications were considered:

- a. Mandan and Center-Stanton in boys' swimming 7-12 (2004-2005)
- b. Wishek and Ashley/Zeeland for wrestling 7-12 (2004-2005)

Motion by Schaible to approve. Second by Lockwood and carried.

The Board held audience with a delegation from North Border requesting the Board consider reassigning regions for football. Coles reported on the meeting the Football Committee held with Griggs County and North Border with a recommendation to have the regions remain as originally assigned. Speaking for the delegation, Supt. Joe Defoe shared thoughts on behalf of the North Border delegation. Also in the delegation was Supt. Dave Hanson of St. Thomas. The purpose of their appearance is to indicate they have accepted their region assignment but ask consideration for a one-year region schedule followed by a review and change for the following year.

Sanstead joined the meeting at 1:30.

Mr. Defoe indicated they realize no football plan will be totally acceptable to all member schools. Carlson indicated it may be favorable to look at a three-division football plan to reduce the amount of travel that is required now. He also suggested in looking at any plan, strength of program is not used for basketball and should not be used for football. Coles pointed out the football committee did discuss a letter concerning a three-class football classification. It was discussed that a survey be sent to the member schools requiring signatures from the superintendent, principal, athletic administrator and coach to get total communication. The Board suggested questions: (a) Do you favor a one or a two-year? (b) If one year, would you be okay with dropping the home and home opportunity to go with a different plan? (c) Do you favor a three-division system? If you favor a three-division system, how large should the middle division be? (d) Will there be a number of schools in disagreement with the plan they favor? Carlson stated that each school has one vote, even if there is disagreement among those within that school. Briggs asked what would be a timeline with this type of survey? The Executive Secretary recommended this be done immediately and the results be shared at the October General Assembly. At that time, the Football Committee may be given some direction.

Motion by Lockwood to direct the staff to develop a draft of the survey that will be sent out within the next week asking the questions that have been suggested. Second by Jungling. Should a coop with more than one school have more than one vote? The staff was directed to send the survey to the host school and indicate in the letter they need to contact the other schools within that coop who will also be sent a survey for review, to meet and discuss the survey and come up with a consensus from that football program. Only the survey from the host school will be counted. There was a call for the question and motion carried.

Motion by Coles to accept the plan from the Football Committee as developed. Second by Schaible and carried with one dissenting vote.

A letter from Beulah was reviewed petitioning their school be moved to Class B status for the 2006-2007 school year as their enrollment will fall below 325 for two consecutive years. This is the first notice for a reclassification status. This action will take place in two years if their enrollment remains below the 325.

Gary Cowdus from the Dakota Boys' Ranch appeared before the Board requesting an exemption from the participation fees. He is requesting this because of the participation fee being charged for each of their cooperative sponsorships with Minot Public Schools and paying them, even though they may not have a student that is capable of participating. The previous year they paid for 21 activities and only one student participated in cross country and track and field. Motion by Lockwood to have the NDHSA assess yearly participation fees to residential/institutional (court placed individuals) schools such as the Dakota Boys' Ranch, based only on the activities in which they participate. Second by Sanstead and carried.

The Board reviewed a letter from Jim Stenehjorn, Principal at Red River High School requesting consideration to change the Sportsmanship Challenge Program in determining what schools are eligible for a sportsmanship banner at a state tournament. It was stated there are a number of Class A Schools that have newly hired principals. Prin. Michael Heilman of Bismarck Century appeared before the Board representing the Class A principals to express this concern of the ineffectiveness of this particular program. Lockwood clarified their principals were addressing opposition to the tournament sportsmanship banner rather than the Sportsmanship Challenge Banner. Volesky asked if the principals had an alternative suggestion. Mr. Heilman indicated the principals had not had the opportunity to meet for discussion. Knodle indicated the principals are planning to come together as a group to discuss what are the expectations of the Class A schools in deserving a tournament sportsmanship banner. Lockwood stated the Sportsmanship Committee took a great deal of time in forming this plan. The Class A principals are requesting that the tournament sportsmanship banner

not be awarded at the state tournament. Coles shared the amount of work that was put into this plan and there were questions about the effectiveness but the committee reached the consensus that the committee would go forward with this plan. Following the fall events, the committee could re-evaluate the effectiveness of the plan with the possibility to make changes with the plan. Lockwood asked how do you handle tournaments where you have both classifications and give sportsmanship awards to only one of those two classes? Carlson asked if the Board could find out how the total administration of each Class A school feels about this issue before any action is taken. No action was taken.

Motion by Lockwood to go into executive session. Second by Briggs and carried.

Motion by Jungling to come out of executive session. Second by Briggs and carried. President Schock announced the Board is out of Executive Session and the three hardship eligibility requests from Flasher Schools have been denied. The Board held audience with Billie Ann Caya concerning the National Federation Coaches Education and her certification to become an instructor. The Executive Secretary shared an update as to how the NDHSAA became involved with cheerleading, even though cheerleading is not sanctioned. The cheerleading programs are now allowed to stunt under National Federation rules if the coach becomes safety certified through the ASEP program and a member of the cheer squad attends a bonafide cheerleading camp. The Board endorsed reimbursing Mrs. Caya for the cost of her safety recertification.

The Executive Secretary continued explanation of the ASEP program which, along with the National Federation, is also providing a coaches education program. This program is provided on line for a fee set by the state association. Billie Ann indicated there are 32 states that require coaches to take the coaching certification course. Each state is able to set requirements and fees for this program. She recommended coaches take the coaches education course because they will find a great benefit from this course. Currently the cost of a course is \$95. It was clarified that this could provide a college credit. The Executive Secretary will continue working with the other educational groups in this study.

Coles reported on behalf of the Football Committee with the correspondence received expressing concern about students that are not competing because of the dissolution of cooperative sponsorship programs in football in response to the upcoming football plan. Also received was a letter from Langdon requesting to be moved up from Division A to AA. The committee discussed this request and will report on this. A school stated their enrollment was inaccurate and cannot be corrected at this time. No action was taken on any of the requests received that would effect the current plan. Motion by Lockwood to accept the Football Committee report. Second by Coles and carried.

Motion by Lockwood to deny Langdon's request to move from Division A to AA in football because they had ample opportunity to make this request prior to the deadline. Second by Schaible and carried.

Volesky reported on behalf of the Finance Committee's study on a team payment formula. Basically, the study is dividing travel into zones based on mileage to determine team payments. Also, the committee is to determine what type of interim fund must be kept. A basic handout will be prepared and shared with the General Assembly to explain the study in the development of the team payments. Motion by Lockwood to approve the report indicating the committee will continue with this study. Second by Coles and carried.

Schock reported on behalf of the Executive Board with the following:

- Standing Rock played 3 ineligible football players. The new athletic director indicated he was late with the eligibility reports. Decided was to direct them to forfeit the two games and place them on probation.
- Four Winds had paid for the attendance of their athletes to attend a basketball camp which is in violation of the NDHSAA Constitution & By-Laws. Decided was to place the school on probation and further violations will make this school ineligible for post-season play as subject to review by the Executive Board.

Motion by Sanstead to approve the Executive Board's report. Second by Knodle and carried.

The Executive Secretary gave his report:

- a. We have 113 schools which have signed up for sportsmanship banners.
- b. Starkweather and Munich will not have football teams at the end of the school year. They are requesting the waiver of the \$500 late fee when they pursue a coop.
- c. The NDHSAA is hosting Section V meeting. One of the major items on the agenda is committee assignments. The one assignment is Section V's turn to have an at-large National Federation board member and the rotation calls for North Dakota to name that person. The Board will be asked to address this issue at the October meeting.

Sanstead shared a telephone call he received from a retired military officer indicating his susceptibility

to second hand smoke. His question was does the Activities Association have any policy on smoking at association sponsored events. Questioned is, does the association have any policy concerning this issue? It was stated there is currently no policy and this would be a local control issue.

The next meeting will be held in October 20 in Bismarck. With no further items, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg, Asst. to the Exec. Sec.

MINUTES North Dakota High School Activities Association Board of Directors-Special Meeting October 6, 2004

A special meeting of the North Dakota High School Activities Association Board of Directors was called to order at 9:00 a.m. on October 6, 2004. President Schock called the meeting to order with all members present except Volesky. Randy Vigen and Rick Sondrol of Central Valley High School were also present.

Central Valley High School has requested a waiver of Article XIV, Section I, which requires a student to be enrolled in school on or before the 11 day of a semester to be eligible for participation in sanctioned activities.

Lockwood made the motion to go into executive session, seconded by Coles, and motion carried.

Executive session was ended and President Schock announced the exemption has been approved and declared the student immediately eligible because of circumstances beyond control of the student. Meeting adjourned.

Respectfully submitted,
Sherman Sylling
Executive Secretary.

MINUTES North Dakota High School Activities Association Board of Directors October 20, 2004 - Bismarck, ND

The Board of Directors of the North Dakota High School Activities Association met on October 20, 2004 at the Bismarck Ramkota Inn. President Schock called the meeting to order at 9:30 a.m. with all members present.

Following additions and deletions, motion by Volesky to approve the agenda. Second by Knodle and carried.

The minutes of the September 28, 2004 meeting and the October 6, 2004 special meeting were provided in the Board's packet. Motion by Sanstead to approve the minutes. Second by Briggs and carried.

The Executive Secretary presented the finance report including the balance sheet, updated budget, investment report and checks written as of September 30, 2004. Motion by Briggs to approve. Second by Lockwood and carried.

The Board heard requests for dissolution of the following cooperative sponsorship programs:

- a. Hebron and New Salem in wrestling for 2005-2006. Motion by Volesky to dissolve. Second by Duchscherer and carried.
- b. Hebron and Dickinson in cross country for 2005-2006. Motion by Briggs to approve the request. Second by Jungling and carried.

Cooperative sponsorship applications were reviewed:

Motion by Carlson to approve:

- a. Dickinson and South Heart in wrestling, 7-12 (04-05)
- b. Border Central and Rock Lake in speech, 7-12 (04-05)
- c. Hebron and Glen Ullin in cross country (05-06)
- d. Fargo South, Shanley and Oak Grove in girls' hockey, 7-12 (04-05)

e. West Fargo and Northern Cass in boys' hockey (04-05)

Second by Duchscherer and carried.

Concern was expressed with the number of schools in a coop for cross country as individuals may compete without a full team. With the total enrollment of all schools involved in the May-Port CG, Larimore, Northwood/Hatton/Thompson request for a cross country coop, there would be a total of about 800 students, plus, programs already exist and individuals may compete on their own without a full team, motion by Volesky to deny the request. Second by Jungling and carried.

The Enderlin and Maple Valley coop application for football (05-06) was reviewed. Supt. Jon Kringen of Enderlin was present to answer any questions the Board may have. Motion by Schaible to deny the request as it is past the deadline as set by the football plan. Second by Coles and carried. Coles indicated the need to stay the course on the football plan, even though the decisions have been very difficult. President Schock shared the importance of schools planning ahead in an attempt to avoid situations that put their students in an unfair advantage. Lockwood stated the difficulty of planning with so many uncertainties but planning ahead is very important.

Coles reported on behalf of the Officials Committee with the following.

- The NDOA proposes to increase fees plus post season fees by 4% for the 2005-2006 season. The committee is recommending the adoption of this recommendation.
- Swimming and gymnastics officials are requesting a change in the official uniform. More information will be presented at the November meeting.
- Raise the officials' late registration fees from \$15 to \$20 and workshop late fee from \$10 to \$20.
- Baseball officials requested two additional officials but the committee recommended continuing with the present number of officials at the state tournament.
- The committee informed the Board of an official involved in an incident in a football game between Dickinson and Williston. There is an ongoing investigation of this situation.

Schaible reported on the Constitution & By-Laws Committee's study of Section 1 to remove the 11th day part of the rule. The remainder of this section addresses home based students. The committee will continue this study.

The Executive Secretary reported on the recommendation to determine how teams qualify for the State Girls' Hockey Tournament. The change would read as follows: "State Tournament Format: The top four teams in each region (determined by region standings) will advance to the state girls' hockey tournament." Rationale: Equitable division of teams in the state tournament. The scheduling process is more flexible because all teams do not have to play each other the same number of times. Lockwood expressed concern the western hockey schools will be left short on their schedule because the east schools have Minnesota schools they can schedule. Motion by Volesky to accept the proposal. Second by Coles and carried.

The Board read a communiqué from the athletic administrators from the east region requesting a split of the hockey jamboree into an east and west site from the current one site. This year the hockey day camp is being considered to be held in Minot because all teams are coming to this event and there is a need of three sheets of ice. Motion by Lockwood to allow for a second officials' jamboree in hockey for the east region. Second by Knodle and carried.

Sanstead reported on a letter from Scott Miller, Assistant Attorney General, addressing a North Dakota Century Code on adopting a position on suspension rules. He was asked to consider the following:

- Determine if there is a real need for a resolution and if so would the NDHSA would be a participant in any such action.
- Go to the legislation assembly to pass a bill to support. It was suggested this was not a direction the association wishes to take. The board felt the Department of Public Instruction should support the regulations and policies of the member schools.

The Board reviewed the regulations for the winter season activities, basketball, gymnastics, hockey, and wrestling. Motion by Knodle that artificial noise makers not be allowed for all indoor events during the entire regular season as well as the post season. Second by Jungling and carried. Motion by Sanstead to approve winter season sports regulations as amended. Second by Schaible and carried.

The Executive Secretary informed the Board the association was asked to review the note concerning alcohol violations and the ruling concerning an in-patient treatment to lessen the length of suspension. Deputy Attorney General Sandy Tabor appeared before the Board to represent Attorney General Wayne Stenehjem. Shared is a three-year plan to focus on law enforcement and prevention coming together to provide resources and prevention programs for chemical abuse. Questions were raised concerning the situation where a student voluntarily attends a smoking cessation program and how does this affect the alcohol, tobacco and chemical regulation of the NDHSA Constitution

& By-Laws. It is the contention that these programs were developed to help a student and not put them in a position where participation would cause punishment. President Schock indicated this should be referred to the Constitution & By-Laws Committee for study. Motion by Lockwood to refer this to the Constitution & By-Laws Committee. Second by Briggs and carried.

Volesky reported on the Finance Committee recommendation for the purchase of a replacement vehicle of the two-year old automobile. Negotiations have taken place with Miller Motor for \$9,894 for trade-in of the 2003 Dodge Caravan for a 2005 Dodge Caravan. The committee recommends approval of the purchase of this vehicle. Motion by Briggs to approve the recommendation. Second by Coles and carried.

Volesky shared the materials that were developed for the continued study of the team payment plan. The Executive Secretary will give a preliminary report to the General Assembly at the October 21, 2004 meeting.

Supt. Gaillard Peltier of Four Winds appeared before the board to appeal the decision of the Executive Board at the September 28, 2004 meeting concerning their school paying for registration for a basketball camp which is in violation of Part Three, 5, page 37 of the 2004-2005 Constitution & By-Laws: "Students may participate in summer sports camps on their own. SPECIAL NOTE #2 Schools are not permitted to pay registration fees for students attending summer camps." Mr. Peltier asked for reconsideration of the penalty for their infraction changing it from probation to a letter of warning. The Board was asked to remand this back to the Executive Board to come back with their decision in this matter. Mr. Peltier was commended for standing up in support of the rules and regulations of the NDHSA Constitution & By-Laws. Schaible stated as a school board representative, he has a perspective of a board member and feels members of a local board need to be held accountable to know the rules. Motion by Schaible to uphold the Executive Board's decision to place Four Winds on probation. Second by Briggs and carried. The Executive Secretary will be sending a letter to the Four Winds school board concerning this issue.

Mr. Peltier shared with the Board a possible movement of football teams that feel they cannot compete in the division they are assigned for the 2005 season. These teams are considering an independent season rather than being tied into a schedule in which they cannot compete.

Supt. Kevin Harmon of Minot Bishop Ryan and Terry Voiles appeared before the Board asking advice concerning a situation in which they obtained two students from Serbia who are not here through an approved foreign exchange program but were referred to them from another student who had attended school in Minot. The Board indicated these two students would be eligible for one calendar year for sub-varsity competition.

The Executive Secretary reported the results of the football survey which was requested at the September meeting. From the 95 returns, the results were:

- Favor a one-year plan -- 19
- Favor a two-year plan -- 76
- Favor three divisions -- 30
- Favor four divisions -- 60

These results will be shared with the General Assembly.

Staff member Carlsrud spoke to the Board concerning the weight management movement at the National level. This was for informational purposes and will be shared with the General Assembly meeting the following day.

The Board reviewed the agenda for the General Assembly and reviewed plans in preparation for the meeting.

Plans for the District Chairperson's meetings in November and March were reviewed. Selected to chair those meetings are:

- November, 2004 -- Bob Briggs
- March, 2005 -- Brian Duchscherer

The Board reviewed a request from Fairmont/Campbell-Tintah to move from competing in Minnesota to North Dakota in girls' basketball and volleyball. Motion by Carlson to approve. Second by Sanstead and carried. They will be assigned to District 1, Region 1.

Motion by Duchscherer to go into executive session to hear a request for a Rolla student. Second by Sanstead and carried.

Motion by Jungling to come out of executive session. Second by Lockwood and carried. President Schock announced the request for an extra semester for a Rolla student was denied.

Letters of correspondence were reviewed by the Board from Gary Beck, Barb O'Hara and Tim and Karen Smith.

The Executive Secretary reported five staff members will attend a Microsoft Office workshop.

The next Board meeting will be November 19th in Jamestown. The District Chairperson's meeting will be November 19th at 9:00 a.m.

Motion by Briggs to adjourn the meeting. Second by Sanstead and carried.

Respectfully Submitted,
Sheryl Solberg

MINUTES
Annual Meeting
North Dakota High School Activities Association
October 21, 2004 - Bismarck, ND

The General Assembly of the North Dakota High School Activities Association met at the Bismarck Ramkota Inn on October 21, 2004. President Schock called the meeting to order at 4:30 and declared a quorum.

President Schock began with some opening remarks thanking the membership for being an important part in offering opportunities for students. The NDHSAA Board of Directors and staff were introduced.

Motion by Supt. Wade Faul, Griggs County Central to approve the minutes of October, 2003 and January 2004 as published in the yearbook. Second by Supt. Dean Vorland, Drake and carried.

Supt. Myron Schweitzer of Mott-Regent presented the nominations for Class B southwest position on the NDHSAA Board of Directors:

Supt. Royal Lyson, of Center-Stanton
Supt. Tony Duletski of Bowman and Rhame

With no other nominations from the floor, these names will be placed on the ballot.

Prin. Kevin Coles, Hillsboro presented the nominations for the NDASSP position on the NDHSAA Board of Directors:

Prin. Kurt Hayes of Munich
Prin. Mickey Jordan of Dickinson

With no other nominations from the floor, these names will be placed on the ballot.

The Executive Secretary reported on the Finance Committee's study of the team payment policy. Wilfred Volesky was introduced as the chairman of the committee that is studying this plan.

The NDHSAA Constitution & By-Laws concerning voting was reviewed.

Loren Scheer, Dakota Prairie presented the amendment to delete existing Article XIII, Sports Seasons, and replace it with Article XIII, Section I, which would read as follows: "All NDHSAA sponsored interscholastic activities shall be governed by regulations as established by the NDHSAA Board of directors." Motion by Scheer to accept this amendment. Second by Curt Jones, West Fargo. By voice vote, motion carried.

Gerald Quintus, Richardson-Taylor HS presented and made a motion to adopt the proposed following amendment to Part Two, Article II, Sections I, II, III, and create Sections IV and V of the By-Laws as found on pages 5 & 6 of the NDHSAA Constitution and By-Laws. The rationale as supplied by the Southwest North Dakota Association of School Administrators is as follows: "It is hoped that by adding a third level of participation in the sport of basketball that more student athletes will be provided the opportunity to experience the benefits of being involved in a state tournament in the sport while still maintaining the integrity of each of the proposed state tournaments: AA, A and B." PROPOSED AMENDMENT TO NDHSAA BY-LAWS TO ESTABLISH THE THREE CLASS SYSTEM TO BECOME EFFECTIVE THE BEGINNING OF THE 2005-2006 SCHOOL YEAR PART TWO; ARTICLE II-CLASSIFICATION OF SCHOOLS:

Section 1: Class AA Schools:

a. This group shall consist of the eighteen (18) schools with the highest number of students enrolled in grades 8-11 inclusive, as of October 1, 2004, based on DPI figures, using a one-for-one ratio when co-ops exist, plus any two member schools that elect to choose Class AA as provided in section (b) herewith. AA shall consist of a minimum of seventeen schools and a maximum of nineteen schools.

b. Before January 1, 2005, any two (2) member schools whose enrollment places them in Class A may petition the North Dakota High School Activities Association Board of Directors to be moved

immediately to Class AA. After the original Class AA has been established on January 1, 2005, if an open spot is available, a member school classified in Class A must give two years notice to the Board of Directors of their desire to change classification.

Such choice must be made not later than September 1st of any year and shall become effective with the opening of the fall term two years later. Schools that elect to change classifications must remain in that classification for a minimum of two years before they may again apply for reclassification.

Section II: Class A Schools:

a. This group shall consist of the thirty-two (32) schools (after the highest seventeen) with the next highest number of students enrolled in grades 8-11 inclusive, based on DPI figures, as of October 1, 2004, using a one-for-one ratio when co-ops exist. Those schools immediately below the Class AA schools, plus any member schools that elect to choose Class A as provided in section (b) herewith shall be included in Class A. A shall consist of a minimum of thirty schools and a maximum of thirty six schools.

b. Before January 1, 2005, any four (4) member schools whose enrollment places them in Class B may petition the North Dakota High School Activities Association Board of Directors to be moved immediately to Class A. After the original Class A has been established on January 1, 2005, if an open spot is available, a member school classified in Class A must give two years notice to the Board of Directors of their desire to change their classification. Such choice must be made not later than September 1st of any year and shall become effective with the opening of the fall term two years later. Schools that elect to change classification must remain in that classification for a minimum of two years before they may again apply for reclassification.

c. Determination of qualifiers for and seeding of the regional tournament will be decided by the schools of each region. They may hold district tournaments or seed according to season record.

d. In the case of co-ops in which only one gender takes part in a co-op, classification will be determined on an individual basis based on the same criteria as used in letter (a) of this section.

Example: Girls from school A and school B are part of a co-op which places them in Class A. Boys from these two schools participate individually. Since enrollment for each of the schools places them in Class B individually for boys basketball, the girls team will participate in the Class A level and each of the boys teams will participate in Class B. Section III: Class B Schools:

a. All member high schools, other than those designated Class AA or Class A, shall be classified as Class B schools.

b. Determination of qualifiers for and seeding of the regional tournament will be decided by the schools of each region. They may hold district tournaments or seed according to season record. Regional tournament sites are to be determined by the NDHSAA Board of Directors.

c. In the case of co-ops in which only one gender takes part in a co-op, classification will be determined on an individual basis based on the same criteria as used in letter (a) of this section. Example: Girls from school A and school B are part of a co-op which places them in Class A. Boys from these two schools participate individually.

Since enrollment for each of the schools places them in Class B individually for boys basketball, the girls team will participate in the Class A level and each of the boys teams will participate in Class B.

Section IV: Two Year Review: Every two years the North Dakota High School Activities Association Board of Directors shall review enrollment figures for grades 8-11 from each participating school to determine classification assignments to become effective with the opening of the fall term two years later.

Section V: Authorization for Competition in Other Activities:

Class AA, Class A, and Class B schools may compete in separate classes to determine state basketball championships. The Board of Directors of the North Dakota High School Activities Association is authorized to combine classes in other athletic or non-athletic contests and festivals if it appears expedient and desirable.

Second by Elroy Burkle, Border Central

Several members of the General Assembly spoke including Supt. Mike Ness, Hazen and Supt. Terry Quintus of Burke Central.

Supt. Robert Tollefson of Washburn proposed a floor amendment to the amendment Section II, Class A Schools - "a. This group shall consist of the thirty-two (32) schools after the highest seventeen comprised of all remaining private schools not included in the Class AA and other schools." Motion by Tollefson to approve this amendment to the amendment. Second by Supt. Douglas Bertsch of Valley High School. Others spoke including Supt. Noel Lunde, New England; Supt. Daniel Anderson, Ray

Following a voice vote on the amendment, a roll call vote was requested. The amendment to the amendment failed by a vote of 33-135.

A roll call vote on the original amendment failed - yes, 49, no 120.

The Executive Secretary gave his report

- a. Football plan for the 2005-2007 was reviewed. Results of the survey were shared with the assembly. 95 responded, 19 indicated one-year plan and two-year-76.
- b. Dave Carlsrud was asked to share an up-coming issue on weight management in wrestling.

- c. Today is National Coaches' Day and thank you.
- d. Shared names of those that are serving nationally for the association and the National Federation.
- e. Thank you to the membership's efforts in handling switch of seasons, rally scoring, libero player in volleyball, sportsmanship challenge plan of which 117 schools have plans in place.

With no further business, President Schock declared the meeting adjourned.

Respectfully submitted,
Sheryl Solberg

Class B District Chairperson's Meeting

9:00 A.M. – November 19, 2004

Gladstone Inn, Jamestown, ND

(Items advanced to NDHSAA Board listed following minutes)

The Class B District Chairpersons met at 9:00 a.m. on November 19, 2004 at the Jamestown Gladstone Inn. Chairman Briggs called the meeting to order with all districts present. Chairman Briggs welcomed the district chairmen and thanked them for bringing the recommendations from their respective districts.

Following each district chairperson, guests and staff introducing themselves, the Executive Secretary passed out information sheets to be completed by each district for 2005 district volleyball chairperson, 2005 district volleyball site and manager, and 2005 regional volleyball site recommendations. He also expressed gratitude to the district chairpersons for their time and work in preparation for this meeting.

The Executive Secretary reviewed the process for recommendations from the district chairpersons. These recommendations are voted on by the members of their respective districts, and then must be voted on as a district chair group. The group was thanked for their involvement in this process.

The following districts reported:

District 1-----Rick Jacobson, Wyndmere HS

1. Shorten all seasons
2. Is it necessary to switch sides in volleyball? This is a crowd control issue.
3. Why require three signatures on surveys?
4. Let libero position serve.

Discussion:

1. The vote on shortening all seasons was voted upon with 12 in favor.
2. This was explained as a National Federation rule. Vote – 0 in favor.
3. This question was explained by the Executive Secretary as a result of Board action because of communication issues. Three signatures indicate all administration is aware of the consensus coming from the school. District 1 indicated this was simply a question.
4. This will be presented to coaches at their meeting and then on – 15 districts indicated they were in favor of adding this to the experimentation.

District 2-----Morgan Forness, Oak Grove HS

1. The overlap of volleyball and girls' basketball seasons—solutions:
 - a. Start volleyball sooner or shorten the season
 - b. Switch basketball seasons
2. Problems with the NDHSAA website, especially reporting scores.

Discussion:

1. Are you satisfied with Dist. 1's recommendation of shortening all seasons? A vote was taken to see if the consensus of the districts was the only season that seems too long is volleyball and could be shortened by one week at the end of the season. Vote – 5 favored this.
2. Website – The Executive Secretary reported on various web sites doing the sports score

that have gone out of business. We currently are using an in-state provider and are working toward making use of this site easier for our member schools.

District 3-----Kevin Rogers, Hatton HS

1. Change rule to allow 15 players on the post season volleyball roster and 15 to be dressed rather than 16 on the roster and 14 dressed.

Discussion: A vote indicated 15 districts were in favor of adopting this policy.

District 4-----Doug Bertsch, Valley HS

1. Coaches indicated the nets were really loose and were concerned for what the top official was standing on at the Ralph in Grand Forks.

Discussion – This is a management issue to be dealt with on a local basis.

District 5-----Todd Kosel, Edgeley HS

1. Increase playing time for junior high football from 4 quarters per week to 6 quarters per week.
2. Change the start time for the Region Volleyball Tournament from noon and 5:00 p.m. to 1:00 p.m. and 6:00 p.m. on Saturday. Also change the start time on Monday and Tuesday from 5:00 p.m. to 6:00 p.m. Hopefully this will decrease missed school time, increase fan support and make it easier to find workers for the regional volleyball tournament.

Discussion:

1. The junior high football quarter regulation is covered in Art. IV of Constitution & By-Laws. Those in favor of this being brought forward by the committee – 7 in favor.
2. Change starting times to 1:00 p.m. for the afternoon session and 6:00 p.m. The second match of the session will begin 25 minutes after the end of the previous match. A vote indicated 15 districts in favor.

District 6-----Jim Elsemán, Strasburg HS

1. Recommend the regional volleyball tournaments begin at 5:30 or 6:00, rather than 5:00 p.m.

Discussion: This was the same as covered by District 5 and District 6 is in agreement with District 5's recommendation of times.

District 7-----Sharon Boehmer, Carrington HS

1. Concern about the inconsistency in calls made by volleyball officials. Are evaluations a possibility?

Discussion: Is the implementation of an evaluation process feasible? A vote indicated 4 in favor of an evaluation program.

District 8-----Wade Schock, Adams-Edmore HS

1. Allow Libero serving.
2. Doing away with the center line.
3. Corresponding season dates.
4. Television coverage of the 2 championship games.

Discussion:

4. Getting volleyball televised could take some financial consideration to get this plus some other activities on a television contract package.

District 9-----Ray Jones, Standing Rock

1. Allow the libero to serve.
2. Add a match to the present regular schedule for volleyball because there is such a gap due to the long season. Go to 13-4 or 15-3 or 17-2.

Discussion:

1. Previously covered
2. A vote was taken on adding a match – 0 in favor.

District 10-----Tim Ketterling, Turtle Lake-Mercer

1. 9-man FB playoffs – Do not pair teams in the same regions for at least 1st round playoffs.
2. To allow the libero to serve.

Discussion:

1. A vote was taken on the football playoff first round pairings not be in the same region with 9 districts in favor.

District 11-----Jeff Lind, Rugby HS

1. Recommend continued use of the libero and allow to serve.

Discussion: Previously covered.**District 12-----Peggy Person, Berthold HS**

1. Libero able to serve.
2. What is the process for re-districting? Is the Bulletin the only communication that the District receives when a school is moved from one district to another? Are the district schools allowed input in re-districting?
3. Is it necessary for the line judges to stand by the up official during timeouts and between games?
4. District 12 respectfully and unanimously requests that the Region 6 volleyball tournament be held at the Minot Municipal Auditorium.
5. Time and location of All State football meeting requires that coaches miss some of the games played. Is there a better alternative date/time?

Discussion:

1. Previously covered.
2. It was agreed there needs to be an improvement in communication when there is a possible re-districting.
3. This is a National Federation rule.
4. There has been some difficulty in agreeing as to where the regional tournament site should be set. The Executive Secretary explained if the two districts do not agree on the site, the Board will set it for them.
5. This would be an issue that requires attention from those schools involved in this meeting.

District 13-----Kevin Morast, Hettinger HS

1. Why is Belfield going to district 14 in VB? If Beulah comes in does that not make the District uneven?
2. Volleyball and use of lower body to play ball – coordinating rules with the NCAA.

Discussion:

1. It was explained the Board was directed by the district chairpersons to make the district lines for basketball and volleyball the same. That way, the districts are the same for all of their meetings. The Class B Districting Committee studies realignment on a regular basis.
2. This is a National Federation rule.

District 14-----Gary Wilz, Killdeer HS

1. Allow additional timeout in a match when the score is tied at 24 to 24.

Discussion:

1. This is a National Federation rule.

District 15-----Tracy Peterson, Williston Trinity Christian HS

1. Sportsmanship in volleyball by the teams as they cheer when opponent is serving "Side out", "Ace", "Kill", and team cheers that appear to be taunting. In basketball, or other sports, they would be ruled an unsportsmanlike act and the team would be penalized with a technical. Any thoughts?
2. Why are there only 2 state activities being held in Western North Dakota this year?
3. District VB Ticket prices remain the same: \$5.00 adult, \$3.00 student.
4. Start volleyball practices the same time as football and end season a week earlier.

- More separation between sports.
5. Have golf and track finish two weeks later in the spring.

Discussion:

1. It was decided to have each district discuss this issue.
2. After further review of additional region and state assignments, there was no further discussion.
3. It was explained the ticket prices are set by each individual district.
4. A vote on # 4 indicated 1 district in favor.
5. The discussion on golf & track being later indicated 0 in favor.

District 16-----Marilyn Vatne, Wildrose-Alamo HS

1. Is it possible to change the dates of the region volleyball tournament to avoid football playoffs?
2. Shorten the volleyball season.
3. Don't look too hard at basketball and volleyball realignment
4. Switch seasons for girls' basketball and volleyball.

Discussion:

1. Is it possible to change to something like a Friday, Monday, Tuesday? Favor - 1
2. Discussed. No further action.
3. This would cause a severe overload in one district for volleyball in their area.
4. With both basketball seasons at the same time, there is difficulty in getting officials, gym time, coaches, etc. A vote indicated 0 in favor.

With no additional items, the meeting was turned over to the Executive Secretary. Reviewed were the recommendations with a vote in favor of forwarding to the NDHSAA Board of Directors:

1. Shortening all seasons.
2. Change the regulation to allow roster to 15 and dress 15 for post-season volleyball
3. Change region volleyball tournament session times to 1:00 p.m. and 6:00 p.m. The second match of the session will begin 25 minutes after the end of the previous match.
4. Include television coverage of 2 championship volleyball matches in next television contract specifications.
5. Do not pair 9-man football region teams in 1st round.
6. Apply to the National Federation to add libero serve to our current libero experiment.

Chairman Briggs thanked the district chairpersons for their input and declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

MINUTES
North Dakota High School Activities Association
Board of Directors
November 19, 2004 – Jamestown, ND

The Board of Directors of the North Dakota High School Activities Association met on November 19, 2004 at the Jamestown Gladstone Inn. President Schock called the meeting to order at 1:00 p.m. with all members present except Sanstead.

Several additions were made to the agenda.

The minutes from the October 20, 2004 meeting were provided to the Board in their packets. Motion by Lockwood to approve as written. Second by Briggs and carried.

The Executive Secretary presented the financial report. Comparatively speaking, neither football nor volleyball has shown to be financially successful this fall. Motion by Volesky to approve the report. Second by Jungling and carried.

The Board reviewed a request for the dissolution of the Halliday and Killdeer volleyball cooperative program. Letters from both schools were read indicating approval of the dissolution. Motion by Volesky to approve the request. Second by Briggs and carried.

The Board reviewed the following cooperative sponsorship applications:

- a. Turtle Lake-Mercer and Underwood in junior high football (05-06). Motion by Briggs to approve. Second by Duchscherer and carried.
- b. Grand Forks Central, Grand Forks Red River and East Grand Forks in girls' swimming

- c. and diving (05-06). Motion by Carlson to deny. Second by Coles and carried.
- c. Langdon and Munich in junior high football (05-06). Motion by Lockwood to approve. Second by Briggs and carried.
- d. Halliday and Dodge/Golden Valley in volleyball, 7-12 (05-06). Motion by Volesky to approve. Second by Schaible and carried.
- e. Velva and Sawyer in volleyball 9-12 (05-06). Motion by Carlson to approve. Second by Jungling and carried.
- f. Cavalier and Drayton in wrestling, 7-12 (04-05). Motion by Lockwood to approve. Second by Coles and carried.

Coles inquired as to the possibility of a committee to study the guidelines to help the Board in their consideration of cooperative sponsorship requests.

The Board held audience with a group from Maple Valley and Enderlin. They were present to appeal a Board decision that denied their application for a football cooperative sponsorship program. Supt. Roger Mulvaney of Maple Valley spoke as well as Ron Fraase, Maple Valley School Board member. Also, Dalen Grieger and Neal Dimmer from the MV school board were present. Representing Enderlin was Brian Midthun, athletic director and school board members, Bobby Geske and Dan Billing. The question arose if the coop was to be approved, would their football program stay in the 9-man division. Questions followed. Lockwood addressed the intent of the parameters that were set for the 2-year football plan would not allow a re-divisioning of any teams after the deadline. Because of this, if their coop was to be approved, it would make them larger than more than half of the schools in the next division higher. Motion by Lockwood to allow the coop between Maple Valley and Enderlin be approved for the 2006 football season. Motion died for lack of a second. Motion by Coles to deny the appeal. Second by Volesky. Further discussion followed. Jungling indicated if the parameters were to be adjusted, does this mean we scrap the current football plan. Motion to deny carried with one dissenting vote.

There is an upcoming vacancy for the at-large position on the National Federation Board of Directors. The Board suggested those eligible and are interested are to contact the Executive Secretary within the next two weeks and allow the Executive Board make the decision if more than one Board member expresses interest in serving in this position.

Motion by Briggs to go into executive session. Second by Schaible and carried.

Motion by Jungling to return from executive session. Second by Schaible and carried. President Schock reported the Board approved the hardship applications from Montpelier and Fairmount and denied the application from Mandan. Briggs reported on behalf of the Fine Arts Committee concerning the changes made with the State Class A Instrumental Music Contest. As was stated earlier, this was approved on a one-year basis and there will be a thorough review following this one year. It is requested the Fine Arts Committee meet and set some critical review criteria. They will be meeting prior to the January, 2005 Board meeting.

Coles reported on behalf of the Football Committee with no regional assignment until further review. The number of football passes for distribution to participating teams for Dakota Bowl was discussed. The committee has placed this on their agenda for a future meeting. The AA playoffs will be studied and the committee will report later. The committee also dealt with the Devils Lake request for 05-06 because of an error in counting the numbers for Turtle Mountain. No action was taken. Also studied a second letter of request for the 07-08 from Devils Lake to consider moving down one division. This will be addressed at a later date using numbers that will be current at that time.

Coles reported on behalf of the Officials Committee with the following action:

- a. Increase regular and post season officials' fees by 4% for the 2005-2006 school year.
- b. Allow swimming & diving officials to wear white shirts with navy pants or navy shorts and allow gymnastics officials to wear black slacks/skirt and a white top.
- c. Raise the officials' registration late fee and make up workshop late fees to \$20 for the 2005-2006 school year.

Discussion was held concerning allowing students younger than 11th grade to register to officiate. This will be discussed further. Motion by Briggs to accept the recommendations as listed by the committee. Second by Lockwood and carried.

Volesky reported on behalf of the Finance Committee:

- a. Studied the health insurance increase for the staff. This is a \$4,532.40 increase from the previous year. The committee recommends continuing with the current plan. Motion by Briggs to approve continuing with this plan with the increase. Second by Duchscherer and carried.
- b. Tesoro has indicated they are interested in becoming a corporate sponsor. Decided this would be allowed if \$30,000 was paid for the year or pay \$10,000 per activity to be a supporting sponsor.
- c. The Board directed the Executive Secretary to request \$100,000 for renewal of the US Bank contract. Motion by Briggs to ask this amount. Second by Knodle and carried.
- d. The study continues on a team payment plan. Currently, the same dollar value is being

assigned to all activities. One of the issues being discussed is setting a cap on the number of participants in music.

The Finance Committee will meet on Saturday morning prior to the Board meeting to further discuss the team payment plan.

Prin. Mark Andresen of Mandan appeared before the Board requesting an additional semester for a student. Motion by Briggs to approve pending receipt of said paper and remain eligible until the 20th anniversary of his birth. Second by Lockwood and carried.

The Board discussed the problems that have taken place with the hosting of the State Volleyball Tournament. Possible alternative sites were discussed. It was decided that Jamestown will be able to work out their problems for the State Girls' Class B Basketball Tournament.

The Board read a letter of appeal from Mrs. George Overby. Motion by Lockwood to uphold the Executive Secretary's decision and reject the appeal. Second by Schaible and carried.

The recommendations from the District Chairperson's meeting were reviewed.

The Board read a letter from Craig Pool of Belfield/South Heart concerning a district realignment and Pat McNally of Minot concerning the hockey jamboree.

The Executive Secretary gave a report:

- a. A conference call to hear a hardship was set for November 29th at 9:00 a.m. Central time.
- b. An Oak Grove hardship will be reviewed at the January Board meeting.
- c. The letter to Four Winds that was directed at the October meeting has been sent.

The following meetings were set:

- a. Football Committee – Friday, January 28 at 3:00 p.m.
- b. Fine Arts Committee – Friday, January 28 at 5:30 p.m.
- c. Constitution & By-Laws Committee – Friday, January 28 at 7:00 p.m.
- d. Athletic Review Committee – Saturday, January 29 at 10:00 a.m.
- e. Board Meeting – Saturday, January 29 at 1:00 p.m.

With no further business, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

**North Dakota High School Activities Association
Board of Directors-Special Meeting
December 17, 2004**

A special meeting of the North Dakota High School Activities Association Board of directors was called to order at 9:05 a.m. on December 17, 2004. Vice President Lockwood called the meeting to order with all members present except, Carlson. Schock joined late, and Lockwood continued to chair the meeting.

Oak Grove High School has filed a hardship application and request action accordingly. A motion was made by Jungling and second by Sanstead to go into executive session.

Executive session was ended and VP Lockwood announced the hardship has been denied.

Discussion was held concerning an altercation between an Underwood High School and Flasher High School basketball players. The Executive Secretary reported he had remanded this issue to Underwood High School and suggested further penalty be established because of the nature of the fight and an intent to harm. Underwood High School will be represented at the January 29th meeting to report their actions to the Board.

An audience was held with Gary Thune concerning the court injunction placed against NDHSAA concerning an international student attending Minot Bishop Ryan High School. The hearing is January 18th 2005 in Minot. The Executive Secretary is to notify NDIRF. Meeting adjourned.

Respectfully submitted by:
Sherrn Sylling
Executive Secretary

MINUTES

**North Dakota High School Activities Association
Board of Directors
January 29, 2005 – Bismarck, ND**

The Board of Directors of the North Dakota High School Activities Association met on January 29, 2005 at the Bismarck Ramkota Inn. President Schock called the meeting to order at 1:00 p.m. with all members present except Carlson.

The agenda was reviewed. After additions were made, motion by Volesky to approve the agenda. Second by Briggs and carried.

The minutes of the November 19, 2004 regular meeting and the November 29, 2004 and December 17, 2004 special meetings were previously reviewed. Motion by Lockwood to approve the minutes of these meetings. Second by Knodle and carried.

The Executive Secretary presented the financial report. The Board reviewed the balance sheet, year-to-date budget, and the savings and investment reports. Also provided to the Board was a list of checks written for November and December as well as detailed financial reports for each of the fall tournaments and activities. Motion by Briggs to approve the report. Second by Schaible and carried.

The Board reviewed requests for dissolution of the following cooperative sponsorships:

- Our Redeemers and Minot in boys and girls golf (7-12)
- Little Heart and Mandan in boys and girls cross country, tennis, golf, track, swimming and gymnastics.
- Drake and Anamoose in boys and girls cross country
- Devils Lake and Four winds in football

Motion by Briggs to approve the dissolutions. Second by Sanstead and carried.

Cooperative sponsorship applications were reviewed:

- Walford City and Alexander in volleyball, 9-12 (05-06) no fee
- Devils Lake and Leeds in baseball (04-05), no fee
- Bottineau and Westhope in boys' hockey (05-06) no fee
- Midway and Minto in girls' and boys' basketball, 9-12 (05-06) no fee
- Cando and Bisbee-Egeland in boys' and girls' golf (04-05) no fee

Motion by Schaible to approve the coops. Second by Lockwood. Motion carried with 3 dissenting votes.

Schock reported on the Executive Committee review on the use of an ineligible wrestler by Rolla. The committee recommended all matches wrestled by the ineligible student this season be forfeited and adjust the dual score of all matches in which he participated, with the outcome reversed if there was a win that affected the score. For a Grand Forks hockey player exceeding the period limitation, it was recommended the penalty be forfeit of the game. The Board agreed to add periods to the prescribed penalty rule for athletes to be in line with the penalty for participating in too many quarters

Motion by Briggs to go into Executive Session to review a hardship eligibility application. Second by Lockwood and carried.

Motion by Lockwood and second by Jungling to come out of Executive session. Motion carried. President Schock announced the hardship application from Montpelier has been denied.

The Board reviewed a letter from Velva requesting approval to receive the football sportsmanship banner which was denied them because Sawyer High School failed to file a Sportsmanship Challenge plan prior to the deadline. It was noted that schools were informed of the deadline and that all schools in a coop must have a verified sportsmanship plan. It was stated if there was an exception, it would lead to a difficult situation if there was another request. Also, it was felt the host school should make it their responsibility to ensure other participating schools in their coop take care of this responsibility. Motion by Volesky to deny the request. Second by Coles and carried.

The Board held audience with Gene Utecht concerning a fight between Underwood and Flasher basketball players with the Underwood player becoming physically aggressive. The Board reviewed the tapes of the incident. Mr. Utecht reported what Underwood prescribed an additional penalty for the one which has been previously established. The Underwood student involved in the incident was given a seven-game suspension as well as the student being placed on probation for the remainder of the year. He was also required to meet with the elementary students to explain the importance of good sportsmanship. The student also wrote a letter of apology which was sent to the Flasher school. The Board accepted the decision of the school and commended Mr. Utecht for his efforts in this matter. No further action was taken. The Executive Secretary will write an official letter to the school.

The Board held an extensive discussion concerning the bench decorum rule in basketball and the lack of consistency in enforcement. It was agreed the administrators have a great deal of work to do concerning this area.

The Board held audience with Supt. Robert Stringer of Sykeston concerning their reorganization to join the Carrington school district. Interpretations of several transfer eligibility questions were discussed. It was stated this and all situations of schools closing is in need of study before the Board would make a ruling on this issue. Motion by Lockwood to refer this to the Constitution & By-Laws Committee. Second by Volesky and carried.

The Board had previously reviewed the affidavits from Supt. Kevin Harmon of Minot Bishop Ryan and Bojan Janjic, student at Minot Ryan. NDHSAA attorney Thune appeared before the Board to update them on the progress of this court case.

The National Federation Board of Director's position was discussed. Three Board members have expressed interest in serving this position. A secret ballot was taken. The results indicate Lorell Jungling will be the National Federation representative.

The Board read a communiqué from Leeds requesting permission for two athletes to attend the Nike Indoor Track & Field Championships. It was noted the meet was sanctioned by US Track & Field. Motion by Lockwood to approve the request. Second by Knodle and carried.

Volesky reported on behalf of the Finance Committee:

- The proposed team payment plan was explained as finalized by the committee and is ready for presentation to the membership at the General Assembly meeting. It was determined this would be implemented July 1 beginning with the 2005-2006 school year.
- Salary proposals are as follows: The Executive Secretary is in the first of a two-year contract. The Assistant Executive Secretaries will be offered a two year contract with 3.5% increase each year and the support staff is offered a 3.5% increase for the 2005-2006 year.

Motion by Sanstead to approve the recommendation as presented. Second by Lockwood and carried.

- US Bank contract states a request for an increase in sponsorship fees cannot exceed 3% of the original amount. The Executive Secretary was directed to ask this clause to be taken out. If this will not happen, we will continue with the contract for one more year.

Schaible reported on behalf of the Constitution & By-Laws with the current studies:

- a. Article XIV – Rules of Eligibility were discussed. The committee will set a meeting at the NDHSA office to allow time for further work on this section of the Constitution & By-Laws.
- b. Page 35 special note was discussed concerning the inpatient program as out patient is now the treatment of choice. Further study will be made. It was the feeling of the committee that there needs to be a minimum number of weeks that a participating student must fulfill before being declared eligible under this note. The Executive Secretary asked if this should continue to be a note subject to possible change by the Board or if it should be presented as an amendment to the Constitution & By-Laws for a vote of the membership.

Briggs reported on behalf of the Fine Arts Committee. Requested is the establishment of a committee similar to the Athletic Review Committee to address the issues brought forward by the fine arts advisory committees. This review from this formed committee will be done toward the latter part of the school year before being brought to the Board. The criteria will be established contingent to the Board approving this concept. Sanstead indicated the process would be good and moved the Fine Arts Committee continue the study and recommendations of who should be the representatives given to the board for further consideration. Second by Lockwood and carried.

Motion by Lockwood to approve the spring sport regulations as provided in their meeting folders. Second by Briggs and carried.

Coles reported on behalf of the Football Committee:

- a. Discussed existing parameters of the plan.
 1. Part #6 of the plan which states region alignment are subject to annual review but region assignments are done every two years.
 2. Part #8 of the plan which indicates new coops must be submitted by the deadline or wait one year to go into effect.
 3. Discussed how to count male enrollment. Currently the plan is taking grades 7-10 but currently are discussing using grades 9-11 which would give more of a varsity take.
- b. Bracketing was reviewed.
- c. Advisory recommendations will be reviewed as approved by the Board.

The Committee will continue study before they bring recommendations to the Board for consideration.

The Board reviewed the Class A principals letter concerning their objections to the Sportsmanship Challenge program. Also given to the Board were responses from the office staff. It was agreed there was a need for better communication from the association office staff as well as from the schools involved in putting together their committees. This will be tabled until further review is afforded the Board following the February and March tournaments.

Volesky reported on behalf of the Combined Tournament Committee:

- a. The State Class B Golf tournament manager fee was reviewed and the committee asked staff member, Carlisrud to present a recommendation for an adjustment to this fee. Recommended is \$200 each for Class B Boys and Class B Girls state managers. Lockwood moved the Class A be included in the \$200 fee and approve for all. Second by Sanstead and carried.
- b. The Committee indicated the 2005 State Cross Country meet has been moved from Mandan to Bismarck because of the Mandan facility being unable to meet the specifications. Motion by Coles to approve the change. Second by Briggs and carried.

Sanstead reported on the results of the Canvassing Committee with the following results:

- a. Class B Southwest: Supt. Royal Lyson, Center-Stanton 90 votes; Supt. Tony Duletski, Bowman & Rhame – 67 votes.
- b. North Dakota Secondary School Principals Association: Mickey Jordan, Dickinson – 88 votes; Kurt Hayes, Munich & Border Central – 65 votes

Motion by Lockwood to approve the canvassing report. Second by Schaible and carried.

Tournament trophy assignments were completed.

The Board reviewed a request from West Fargo representing the Eastern Dakota Conference, Western Dakota Conference and the North Dakota Interscholastic Athletic Administrator Association asking for an out-of-season coaching exemption for soccer, volleyball and hockey. Discussion followed indicating concern of how this is affecting the member schools and their coaches as well as the students. Motion by Briggs to table this issue until the next meeting. Second by Jungling and carried.

A letter from Gary Mailloux of Fargo North was read requesting Fargo North and Fargo South be allowed to participate in the annual Tri-State Golf invitational scheduled for April 15-16, 2005. This request would allow them to compete prior to the first allowable date. Motion by Coles to approve.

Second by Sanstead and carried.

Coles reported on behalf of the Officials Committee that the list of officials for post-season basketball has been authorized by the committee and contracts have been sent.

The other communiqués that were reviewed by the Board were concerning the Attorney General opinion, a letter from Roberta Klamm and a letter from Supt. Mike Connell, Wahpeton.

The Executive Secretary gave his report:

- a. A special commendation to NDOA official Ben Franson who was selected for the region and state basketball tournaments but declined to allow another official the opportunity to receive a state contract.
- b. House Bill 1485 should be watched concerning a proposal that would prohibit public entities to sell exclusive TV rights. Although we are a private non-profit organization, this may still be a problem because schools are a public entity.
- c. House Bill 1455 which would allow high school students to bet on professional sports.

The next meetings are scheduled for March 11th and March 18th.

With no further business, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

MINUTES Annual Meeting North Dakota High School Activities Association January 31, 2005 - Bismarck, North Dakota

The Representative Assembly Meeting of the North Dakota High School Activities Association was held Monday, January 31, 2005 at 8:00 A.M. at the Bismarck Ramkota Inn. President Schock called the meeting to order, welcomed those in attendance and declared a quorum had been established.

The Board and staff were introduced to the General Assembly and thanked for their service to the Association.

President Schock gave a short address to the membership and thanked them for the work they do to offer an excellent education to the young people of North Dakota.

Josh Reisenauer, the 2004-2005 NDHSA Distinguished Student was introduced for a short presentation. Following his talk, the Executive Secretary urged the membership to honor their distinguished student in their school.

The Executive Secretary introduced Board of Directors member, Wilfred Volesky who presented the proposed new team payment plan. Questions followed.

Board member Sanstead reported on behalf of the Canvassing Committee with the following results:

- a. Class B southwest position – Supt. Royal Lyson, Center-Stanton
- b. NDASSP – Asst. Prin. Mickey Jordan, Dickinson

The Executive Secretary gave his report

- a. There are many issues with declining enrollments and less funds available.
- b. Individual communities need to help keep good coaches in the profession.
- c. Thanked the membership for supporting students in activities. There is a large number of participants, even though we have declining enrollments.
- d. Reviewed the actions taken concerning the athletic review process.
- e. Encouraged administrators and coaches to follow actions on the web site as well as encourage coaches to put their team information on the web.
- f. All banners have been sent out to the 137 schools participating in the Sportsmanship Challenge program. The number of game ejections are similar to the same number as this time last year. Class A principals have gone on record as not being in support of the Sportsmanship Challenge plan. The Association is looking for suggestions for improvement of the plan.
- g. The latest on the Michigan switch of seasons lawsuit is at the US Supreme Court. The decision as to whether they will hear the case will be in the next weeks.
- h. We are currently working on the US Bank supporting partner contract.
- i. We are currently in court on foreign student eligibilities. The membership was asked if

this is an issue that we should continue to enforce the way it is written.

- j. Out-of-season coaching requests have come in and have been tabled for volleyball, soccer and hockey.
- k. NDHSAA Board member Loreli Jungling has been selected to serve on the National Federation Board of Directors.
- l. The membership was asked for their opinion on how a student's eligibility should be addressed when a school district closes their doors.

The membership was thanked for their input and the floor was opened for a question and answer period. With no questions from the membership, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Soiberg
Asst. to the Exec. Sec.

**MINUTES
NDOA Board Meeting
NDHSAA Office, Valley City
2/13/05**

President Glarum called the meeting to order @ noon with Dave Klundt, Terry Schneweis, and Greg Selbo and Ron Wright attending.

Minutes of the previous meeting were approved as read. Selbo moved approval and second by Klundt. Motion passed.

The wording for registration and reciprocity forms follows:

- Any official, who officiates a contest in North Dakota and does not have reciprocity, may be declared ineligible
- Any **NON-REGISTERED** official who officiates an NDHSAA contest may be declared ineligible. Wright moved approval and second by Klundt. Motion passed.

Any official who uses tobacco at the site of the contest or consumes alcohol the day of and prior to a contest may be suspended. Klundt moved approval and second by Schneweis. Passed.

The following officials were recognized and are thanked for 20 years of service: Brian Anderson, Scott Askerooth, Lynda Bertsch, Craig Champagne, George Dendinger, Robert Erickson, Bill Galloway, Jim Harly, Jr., Kathy Kindschi, Bob Kuntz, Dennis Lagasse, Steve Meier, Kay Moody, Bill Peschel, Kim Pladson, Pamela Reichert, Carole Schaiew, Duane Silseth and Daryl Thompson.

The following officials were recognized and are thanked for 25 years of service: Pat Breen, Blaine DesLauriers, Don Glarum, Dean Klier, Howard Klug and Duane Rindy.

A thorough discussion of tournament officials' selection procedure was held. Football, volleyball, basketball gymnastics, swimming, wrestling and baseball were reviewed. The timing of district basketball officials being contacted for the following year's tournament is a concern. Officials are being hired and not rehired before the current years' tournament.

A discussion about the sit-out rule was held. It is felt that since basketball has the largest group of registered officials, there are enough quality officials to officiate state tournaments well and have the sit out rule include both boys' and girls' tournaments. Currently officials can work three years in a boys' tournament and work a girls' tournament during their sit out year. Wright moved that the sit out rule should read: "in basketball, an official can work state tournaments three consecutive years and then must sit out the next year's state tournaments". Second by Klundt. Motion passed.

Schneweis placed in nomination for SE NDOA Board position, Dave Klundt, Fargo; and Dennis Reep from Bismarck for the SW NDOA Board position. Second by Selbo. Motion carried.

NDOA Board Meetings in 2005-06 will be in Valley City at noon, September 18th and February 12th. While all board meetings are "open", February 13th is the "annual meeting".

Wright nominated Terry Schneweis for president & Greg Selbo as vice president for 2005-2006. Second by Klundt. Motion carried.

The board discussed a suggestion from a Josten's representative to provide an NDOA Hall of Fame ring for purchase by NDOA members. Further study will be done for the next meeting.

A discussion addressing three-person coverage for basketball was held. The board feels that all levels of basketball would benefit from the utilization of three-person officiating. Off ball coverage of screens and post play seems to be better which will help reduce rough play and lines are better covered, but the board realizes that fiscal issues are a concern and need to be equitable for all involved. Klundt moved that the girls' and boys' A region and state tournaments utilize three-person coverage. Second by Wright. Motion carried.

A thorough discussion concerning the registering of younger students to officiate sub-varsity games below the JV level. Because of all the issues surrounding officiating nowadays, the board doesn't feel a change would be appropriate at this time.

Basketball day camps were discussed. Dave Klundt and Ron Wright indicated that positive things are happening at the Fargo and Williston camps.

Terry Schneweis believes we can do a good service for soccer if we change the number of officials hired for the state tournaments. The possibilities of hiring referees and assistant referees or just more referees were considered. Terry and Dave C. will study further.

The Board is very appreciative for the years' of service given by Don Glarum. Thank you Don.

Having no further business, President Glarum declared, meeting adjourned.

Respectfully submitted,
Dave Carlsrud, Secretary

**MINUTES
North Dakota High School Activities Association
Board of Directors-Special Meeting
March 8, 2005**

A special meeting of the North Dakota High School Activities Association Board of directors was called to order at 9:00 a.m. on March 8, 2005. President Schock called the meeting to order with all members present except Volesky and Knodle. Also present was NDHSAA Attorney, Gary Thune.

The purpose of the meeting was to receive an update on pending litigation. According to North Dakota Century Code 4404 19.1, subsection 4, motion by Briggs to go into executive session. Second by Lockwood and carried. The Board went into executive session at 9:35 a.m.

President Schock reconvened the open meeting at 10:50 a.m.

With no further business, President Schock declared the meeting adjourned.

Respectfully submitted by:
Sherm Sylling
Executive Secretary

**MINUTES
North Dakota High School Activities Association
Board of Directors
March 11, 2005 - Fargo Ramada Inn Suites**

The Board of Directors of the North Dakota High School Activities met on March 11, 2005 at the Fargo Ramada Inn Suites. President Schock called the meeting to order at 1:00 p.m. with all members present.

Upon review and additions, motion by Coles to approve the agenda. Second by Lockwood and carried.

Motion by Briggs to approve the minutes of the January 29th Board meeting. Second by Volesky and carried. Motion by Briggs to approve the March 8th special meeting. Second by Sanstead and carried.

Executive Secretary presented the balance sheet, savings and investment report, current budget report and checks written as of February 28, 2005. Motion by Lockwood to approve the report. Second by Schaible and carried.

The following requests for cooperative sponsorship dissolutions were reviewed:

- Beulah and Golden Valley-Dodge in boys' basketball, grades 7-12. Motion by Volesky to approve. Second by Briggs and carried.
- Killdeer and Halliday in boys' basketball, grades 7-12. Motion by Coles to approve. Second by Lockwood and carried.

The following requests for cooperative sponsorship applications were reviewed:

- Richardton-Taylor and Hebron in wrestling. Motion by Volesky to approve. Second by Duchscherer and carried.
- Washburn and Wilton in boys' and girls' track. Motion by Briggs to approve with a \$500 late fee. Second by Sanstead. Extensive discussion followed. The Board expressed interest in setting better guidelines as to what cooperative sponsorship applications warrant approval and what applications should be denied. Motion to approve the coop carried with two dissenting votes.
- Langdon and Munich in football, 9-12 and Starkweather and Devils Lake in football, 9-12. Coles indicated the Football Committee met earlier concerning the football coops and recommended these football requests be tabled. Motion by Coles to table. Second by Sanstead and carried.
- Starkweather and Cando in junior high football, 7-8. The Board questioned why these requests were to Devils Lake for high school and Cando for junior high. Supt. Burkle of Starkweather spoke on behalf of these requests. Motion by Lockwood to approve. Second by Volesky and carried.
- Starkweather and Cando in boys' and girls' golf, 7-12. Motion by Carlson to approve. Second by Jungling and carried.
- Starkweather and Cando in boys' and girls' track, 7-12. Motion by Carlson to approve with a \$500 late fee. Second by Jungling and carried with one dissenting vote.
- Medina/Tappen and Gackle-Streeter in girls' basketball, 9-12. Motion by Carlson to approve. Second by Duchscherer and carried.
- Medina and Gackle-Streeter in boys' basketball, 9-12. Motion by Lockwood to approve. Second by Knodle and carried.
- Halliday and Golden Valley in boys' basketball, 7-12. Motion by Lockwood to approve. Second by Schaible and carried.
- Walford City and Alexander in girls' basketball, 9-12. Motion by Knodle to approve. Second by Lockwood and carried.
- Steele-Dawson and Sterling Elementary in junior high football. Motion by Lockwood to approve. Second by Volesky and carried.
- Bismarck and Linton in baseball, 9-12. Motion by Sanstead to approve. Second by Duchscherer. A roll call vote was taken:
Briggs - no; Carlson - no; Coles - no; Duchscherer - yes; Jungling - no; Knodle - yes; Volesky - no; Schaible - no; Lockwood - no; Sanstead - yes; Schock - no
Motion denied, 3-8. The Board indicated they wished for more information and data from Linton concerning this request, particularly the anticipated participation lines of the application.

An extensive discussion followed. It was stated that putting parameters together to determine the need for a cooperative sponsorship program was felt to be too confining. Lockwood indicated there could be a list of factors that would be reviewed in discussing a request. The question arose, "What does the membership want the Board to do concerning coops?". There was a suggestion to review a coop application at one meeting and act upon it at the next meeting to give the membership time to respond. President Schock directed the Constitution & By-Laws to review the coop application form and report to the Board at a future meeting.

Ron Robson, president of US Bank of Fargo appeared before the Board concerning the future cooperative sponsorship contract that is currently being negotiated. The Board asked several questions concerning the proposed contract for continuing the premier partner. The Board thanked Mr. Robson and US Bank for their past support and indicated their hopes to continue this partnership.

The Board reviewed the requests from the various advisory committees from the fall activities. The results were:

Athletic Review recommend Class A Regions set own starting time and format Y (10-0) Y (11-0)

Briggs reported on behalf of the Fine Arts Committee:

- a. Form a Fine Arts Committee for the purpose of recommendations similar to the athletic advisory committees. The committee shall consist of: (a) one State Speech Representative, (b) one State Music Representative, (c) one Class B representative from the District Chairperson (beginning with District 1), (d) one Class A representative (beginning with a west representative), (e) three Fine Arts Committee representatives from the NDHSAA Board.

Motion by Briggs to approve this committee. Second by Sanstead and carried.

Coles reported on behalf of the Football Committee's continuing study:

- a. The Committee held audience with Elroy Burkle, Rich Rogers and Steve Swiontek concerning coop requests. The Executive Secretary was instructed to put together a sequence of football issues following the approval of the new plan.
- b. Discussed 9-man play-offs and recommended no changes.

The Board reviewed the out-of-season coaching requests which were tabled from the previous meeting. Letters were received from West Fargo on behalf of coaches in hockey, soccer and volleyball to allow coaches to have contact with their athletes outside of the high school season. Coles questioned the need for the rule if there continues to be requests of this nature. Jungling indicated if there is going to be students participating in these activities out of season, he would rather have coaches that carry educational values to have contact with these students. Motion for Briggs to approve the out-of-season coaching exemption for hockey, volleyball and soccer for one year. Second by Coles. Motion and second withdrawn. Motion by Briggs to deny. Second by Coles. Discussion revealed the current practice of the hockey group is to hire a qualified coach from the school system to mentor others to become coaches. This would be a good practice for other coaching groups to follow. Motion to deny was passed with two dissenting votes.

A request from Sykeston concerning eligibility of transferring students within their reorganization tabled from the previous meeting was discussed. A follow-up letter from Supt. Robert Stringer was shared that suggested a recommendation to change the wording which would assist students in transferring in the event of a school district reorganizing. Motion by Coles to approve the interpretation to Section X as follows, "if two or more high school districts combine through dissolution or reorganization resulting in the closing of one or more of the high school buildings, students in these buildings which are closed because of this dissolution or reorganization would become immediately eligible in any contiguous high school." Second by Volesky. Motion by Lockwood to table this motion until an attorney's interpretation on the wording. Second by Briggs and carried.

The Board read a letter requesting permission for Grand Forks Red River student, Liza Wisher to participate in a tournament USTA National Spring Championship during the high school season. Because of Olympic ramifications, motion by Knodle to approve. Second by Lockwood and carried.

A letter was shared from the North Dakota Study Council which is made up of the large school superintendents indicating their decision to not support the recommendation to increase the number of basketball games as requested by the basketball coaches.

Letters of correspondence from Abernathy and Overby were reviewed.

The Executive Secretary presented his report to the Board:

- a. The Board has a change in policy for State A golf managers for replacement in the policy book.
- b. April meeting will be 21st with committee meetings the 20th in Valley City.
- c. Best of Times had contracted, Michael J Photography to set up a photography booth for several of the upcoming tournaments.
- d. Jostens will be presenting a proposal to be the official still shot photographer for all NDHSAA events.
- e. District Chairperson meeting is scheduled for March 18, 2005 in Minot.

The Board was informed of a retirement of Bernie Saggau of Iowa. Because of Section 5's participation in the retirement program, the Executive Secretary requested to leave early from the State Class B Boys' Basketball tournament to allow him to attend this function. The Board indicated their approval of this attendance.

With no further business, President Schock declared the meeting was adjourned.

Respectfully Submitted,
Sheryl Solberg

MINUTES
District Chairperson's Meeting
March 18, 2005--9:00 A.M.
Minot Holiday Inn Conference Center
Minot, ND

Brian Duchscherer, NDHSAA Board Representative, welcomed the chairpersons. The members present introduced themselves.

Sheets were passed around for the chairpersons to indicate their district's recommendation for the site of the 2006 region basketball tournaments.

The Executive Secretary reviewed the recommendations from the fall meeting and the results of the recommendations presented to the NDHSAA Board of Directors. Also reviewed was the process of the district recommendations.

The various Districts have an agenda for discussion. Before any item is submitted to the NDHSAA Board for consideration it must receive approval from a simple majority of the Districts.

The reports in order of districts were as follows (voting action in bold print):

District 1-----Rick Jacobson, Wyndmere

1. Have three FB classes instead of four. Duchscherer indicated the survey of the member schools indicated they wanted to keep the plan as presented.
2. Is the issue of moving golf to the fall dead?
3. Move from 14 weight classes to 12 in wrestling. Those recommending this did not indicate which weight classes should be removed.
4. Implement coaching box or somehow the officials need to address this. Currently it is not being enforced. Was also a recommendation from District 10. Their administrators felt they would meet with officials and coaches before every game to indicate they wish to have the bench decorum, rough play, taunting and language enforced. District 3 indicated they are in favor of either the coaching box or enforce as intended. Games with Minnesota where they have the coaching box has caused a problem. District 7 also discussed the coaching box and at their regional tournament, half of the coaches were up more than 50% of the game. As administrators, there is a responsibility to teach coaches proper bench conduct.

Wayne Stanley moved as a Dist. Chair to pass on to the officials to be consistent in the enforcement of rules (bench decorum). A vote was taken and passed, 13-0.

District 2-----Morgan Forness, Oak Grove

1. Do not reduce length of seasons. It is felt there is flexibility in the season and they may schedule fewer than the maximum number of games.
2. Move regional basketball tournaments to Saturday, Monday, and Tuesday. The vote was defeated, 2-12

District 3-----Kevin Rogers, Hatton

1. District 3 is not in favor of shortening any of the athletic seasons.
2. Change the 6 quarter per night and 95 quarters total for the season to 6/114. District 14 indicated they also have that recommendation because of shortage of players rather than some players not being allowed to play if the quarters per season are raised. The increase would help scheduling with smaller schools. Dist 8 agreed some schools ran out of quarters before the season ended. District 6 had some concerns that the larger schools would play the better athletes more and some others would sit. Rogers indicated their athletes were playing more because the junior varsity players could play 2 quarters and still be eligible for the whole varsity game. **A vote was taken and passed, 14-1**
3. Allow teams to conduct scrimmages during the season and not have them count against game totals.
 - a. "Rationale being that due to girls' district tournaments and regional tournaments the boys play about 5 games in February and 7-10 day gaps in scheduling frequently occur. Some schools already scrimmage as part of official clinics, and it would allow for some form of competition over the Christmas break which tends to be 12-16 days long most years." **A vote was taken and defeated, 1-14**
4. We would like discussion to be held on the use of wooden bats in baseball vs. metal. The Executive Secretary indicated the National Federation is currently conducting a study of bat speed, etc.

District 4-----Doug Bertsch, Valley

1. No agenda items at this time.

District 5-----Jim Dunnigan, Medina

1. Change the six quarter rule with the 95 quarter limit to six quarters a night without the limit. (Vote approved as recommended by District 3.)
2. Region 3 Boys Tournament in Jamestown—Girls Region 3 Tournament to be decided by District 6 schools.
3. There is a concern of teams playing their district games with their junior varsity squads so the varsity teams could play outside the district for a tougher schedule. It was determined this issue is best addressed at the district level. This could become more of an issue if the total quarter limitation is raised.

District 6-----Jim Eiseman, Strasburg

1. Selection of officials for the regionals. Possible break between the selection so votes are not wasted. It was clarified that officials have the option to take a boys' of girls' region, of which one may also include a state tournament. Making them accept a contract for one season may unfairly eliminate them from a state contract in the other season.
2. Volleyball celebration issue. This will be addressed at the rules meetings prior to the next season.

District 7-----Gallord Peltier, Four Winds

1. Either enforce the existing rule on coaches have to sit down, or adopt a coaching box. Vote already taken from District 1 report.
2. District 7 voted to keep the existing practice of sending four district teams to the regional tournament, versus what might be recommended on changing the process to two or three teams. It was clarified by the Executive Secretary that there is no current action to change the number of district teams advancing to region play.

District 8-----Brad Webster, Rolette

1. No agenda items at this time.

District 9-----Terry Bentz, Grant County

1. Discuss the issue of bench decorum. Either get a coach's box like South Dakota or enforce the sit down rule. Voted earlier.
2. Site recommendation for Region 5 GBB is Mandan High School
3. Site recommendation for Region 5 BBB is the Bismarck Civic Center for days 1 and 2. Move day 3 to Univ. of Mary or Bismarck Century.

District 10-----Tim Ketterling, Turtle Lake

1. Coaches Association — It was felt by the District 10 coaches there is a need to establish a Class B advisory committee to give Class B schools more representation. Discussion indicated the importance of coaches belonging to the Coaches Association as to the professional development that is offered. Also, all advisory committees appointed by the NDHSCA have Class B representation.
2. Officials
 - a. Need to enforce rough play, taunting, and bench decorum rules.
 - b. Need to honor contracts. There was concern expressed about expecting a contracted official and a different official appears at their game. This has been a point of emphasis at previous rules meetings and will be emphasized again.
3. Recommend State Track Meet site to be Bismarck every year.
 - a. Rationale—"Central location and quality of facilities". District 13 and 14 agree that the travel issue is one of the driving forces for this recommendation. **A vote was taken and passed, 10-5.**

District 11-----Scott Grochow, Rugby

1. Concern over new rule which will require home uniforms to be white. It was clarified that it is for varsity basketball and for 2007.
2. Extension of spring sports seasons into June.
 - a. Rationale: "provide more time to complete spring sports in more conducive weather. We currently start fall sports before school. Why can't we extend spring sports beyond the end of school?"
3. Switching of Girls and Boys BB start dates.
 - a. Rationale: "short time between VB and GBB, relatively long break between FB and BBB."

Extensive discussion followed this recommendation. Pros and cons were brought about. With this plan, there would be a break between volleyball and girls' basketball and still have a break between football and boys' basketball. There is concern the girls' tournaments would be slighted because the fans would choose the boys' and not follow up with the girls' tournaments. It was felt there needs to be further discussion at the district level.

District 12-----Bryan Kramer, Minot Bishop Ryan

1. Shot clock — what is the feeling toward the implementation of this? Dist. 13 talked about it and most schools are in favor except the cost of installing the equipment. Could there be a possibility of getting a state-wide bid for this?

District 13-----Russ Ziegler, Hettinger

1. State Class B Girls' and Boys' Basketball tournaments held in Bismarck and Minot only. This would be for a central location. **A vote was taken and defeated, 5-10**
2. Total regular season quarters for boys and girls basketball should be 114. This was previously voted on.
3. "Sweet Sixteen" format for the boys and girls state tournament. District 14 also discussed this with first-round losers being finished with tournament play.
 - a. Top 2 in each region
4. **A vote was taken and defeated, 2-11**
4. Hold state track in Bismarck only — (voted upon earlier).
5. Look at wrestling regionals
 - a. Each team allowed to bring in 3 extra wrestlers into the regional tournament.
6. In order to move up a weight class, you must have wrestled at least half of your matches at that weight. **A vote was taken and defeated, 2-9**
 - a. East and West Regions

District 14-----Gary Wilz, Killdeer

1. Hold a 16-team State B Basketball Tournament for boys and girls.
2. With 6 quarters of play in basketball, increase total quarters of play in the season to 114 (earlier vote).
3. Move the State Track Meet to Bismarck (earlier vote).
4. Move Class B Golf from Spring to Fall. **A vote was taken and defeated, 3-7**
5. Jamestown — Can this community really handle/accommodate a Class B Basketball Tournament?

District 15-----Wayne Stanley, Stanley

1. 3-person officiating needs to be used in Regional and State Tournaments for Class B Basketball. A vote was taken and approved, 15-0
2. Shorten VB season to give more time between the end of VB and start of BB. Start when FB starts.
3. Flip the start date for boys and girls basketball, giving the girls a break between volleyball and basketball (discussed earlier).
4. State Tournament sites need to be centrally located. Keep all tournaments in a central location.
5. State generated criteria for Sr. Players of the year. It was clarified the NDHSCA has a criteria to be considered when making this type of selection.

District 16-----Mariyn Vatne, Wildrose-Alamo was absent. Previously submitted were two agenda items which had been discussed earlier in the meeting.

1. Class B Girls' and Boys' State Tournaments be rotated between Bismarck and Minot.
2. Three-person officiating crew for Class B.

With no further items, it was stated there were three items that will be forwarded to the NDHSA Board of Directors:

1. Pass on to the officials to be consistent in the enforcement of rules (bench decorum).
2. Change the 6 quarter per night and 95 quarters total for the season to 6/114.
3. Recommend State Track Meet site to be Bismarck every year.
4. Three-person officiating needs to be used in Regional and State Tournaments for Class B Basketball.

With no further items, the meeting was declared adjourned

MINUTES
North Dakota High School Activities Association
Board of Directors
March 18, 2005 - Minot Holiday Inn

The Board of Directors of the North Dakota High School Activities Association met on March 18, 2005 at the Minot Holiday Inn. President Schock called the meeting to order at 1:00 p.m. with all members present.

Following additions to the agenda, motion by Lockwood to approve. Second by Schaible and carried.

The coop dissolution requests were reviewed:

- a. Rolla, Rock Lake and St. John in baseball. Motion by Lockwood to dissolve. Second by Briggs and carried.
- b. Sawyer and Velsa in boys' basketball. Motion by Volesky to approve. Second by Sanstead and carried.
- c. New Salem and Center-Stanton in baseball. Motion by Volesky to approve. Second by Briggs and carried.

Cooperative sponsorship applications were reviewed:

- a. Rolla, Rolette, Wolford and St. John for baseball. Motion by Lockwood to approve. Second by Carlson and carried.
- b. Linton and Bismarck High School in baseball. Motion by Briggs to approve. Second by Sanstead and carried.
- c. Langdon and Munich in football and Starkweather and Devils Lake in football. Coles reported on behalf of the Football Committee's meeting concerning these two issues. It was felt that approval of these requests would not have a negative impact on the football plan. Motion by Coles to approve these two requests. Second by Lockwood and carried.
- d. Washburn, Wilton and Center-Stanton for baseball. Motion by Briggs to approve. Second by Volesky and carried.
- e. Rhame and Volsman in boys' and girls' golf (7-12), boys' & girls basketball (junior high) and boys' basketball (9-12). Motion by Sanstead to approve. Second by Knodle and carried.

Supt. Kevin Harmon and Principal Terry Volles of Minot Bishop Ryan appeared before the Board concerning a hardship eligibility filed for Bojan Janjic. Carlson reported on his investigation of this request. The Board held a discussion and asked Supt. Harmon questions concerning how this

student ended up at Minot Bishop Ryan. Motion by Lockwood to approve the hardship request. Second by Volesky. The roll call vote was taken:

Sanstead - yes, Schaible - yes, Lockwood - yes, Briggs - yes, Carlson - yes, Coles - no, Duchscherer - yes, Jungling - yes, Knodle - no, Volesky - yes, Schock - yes
Motion carried, 9-2.

Harmon also reported to the Board on how they addressed and followed through with the violations of a student involved in an incident that took place on September 5, 2004. The administration of Minot Bishop Ryan indicated to the Board the NDHSA guidelines were used, even though this violation is not a part of the Constitution & By-Laws. The Board thanked Supt. Harmon for shedding light on this situation and clarifying many erroneous rumors.

The Board held audience with Todd and Anita Jorgenson representing the Powers Lake School Board concerning a foreign student from Mexico. This student is a brother of a foreign student who had previously attended Powers Lake. The student attended Powers Lake as a sophomore and wishes to return for his senior year. Motion by Volesky to deny the request for eligibility. Second by Coles. A roll call vote was taken:

Briggs - yes, Carlson - yes, Coles - yes, Duchscherer - yes, Jungling - yes, Knodle - yes, Volesky - yes, Sanstead - yes, Schaible - yes, Lockwood - yes, Schock - yes
Motion to deny carried, 11-0

Motion by Sanstead to bring back to the table a previous motion by Coles and second by Volesky to approve the interpretation to Section X as follows, "If two or more high school districts combine through dissolution or reorganization resulting in the closing of one or more of the high school buildings, students in these buildings which are closed because of this dissolution or reorganization would become immediately eligible in any contiguous high school." Second by Briggs and carried to bring this back to the table.

NDHSA attorney Gary Thune gave an opinion on the proposed wording. It was the consensus of the Board they want the motion to reflect what would be parallel to state law. Thune will present the wording as such for the next Board meeting. Suggested was to look at the transfer rule to be a one-year sit-out rather than the 90 school days. Motion by Coles to table. Second by Volesky and carried.

Staff member Hetler presented the calendar bids for the 2005-2006 year. The Board was asked to determine the size and bid amount. Motion by Volesky to go to the 12 X 18 calendar. Second by Jungling and carried. The number to order and the bids for these orders were reviewed. Hetler was instructed to bring back a bid sheet for the 12 X 18 calendar to the April Board meeting.

Lockwood left the meeting.

Volesky reported on behalf of the Finance Committee

- a. The staff has accepted the contracts as offered. Also, the Finance Committee informed the Board they should be reviewing the retirement process of the staff.
- b. The newly proposed US Bank contract was reviewed. The committee recommended the first year ask for \$70,000 plus \$5,000 for the first year, \$75,000 plus \$5,000 for the second year and \$80,000 plus \$5,000 for the third year. Also, negotiations should begin the 2nd year and remove the wording of the 3% minimum increase and the condition to use this for catastrophic insurance. Also, the proposed additions from US Bank (a through g) would not be added to the contract.

Motion by Coles to accept the recommendation of the Finance Committee. Second by Sanstead and carried.

- c. Final discussions were conducted concerning the team payment proposal. The reserve fund shall be maintained at \$1 million. There will be an addition of a maximum of \$50,000 per year to the distribution plan until the \$1 million reserve is accomplished.

Motion by Briggs to put this plan into place for the 2005-2006 year. Second by Knodle and carried.

The Board reviewed the two-year calendar. Motion by Coles to approve. Second by Sanstead and carried.

The Executive Secretary reported Four Winds and Warwick have asked the Board to rescind the motion to dissolve their cooperative sponsorship program in football which had been approved for 2005-2006. Motion by Sanstead to rescind the original action for dissolution. Second by Coles and carried. This cooperative sponsorship will remain in place.

The Executive Secretary shared with the Board the current situation of the AIG retirement account. There is a need for a resolution that would require the approval of the policy holder as to where their monies would go if there is a need to roll over. Motion by Briggs to approve this resolution. Second by Carlson and carried.

The Board received information booklets on the National Federation summer convention.

Plans were made for the April 20th meeting in Valley City.

The Executive Secretary gave his report:

- a. A discussion with Districts 13 and 14 concerning the region basketball tournament site recommendation resulted in asking these two districts to have all their schools meet and come to a recommendation for region sites.
- b. Site selections require some planning prior to the April Board meeting.

Jungling asked how the Board should look at a rule violation because of a lack of knowledge or understanding of the rule. It was stated that when there is a change in a policy that affects the membership, the communications are sent to the member schools as well as covered at the General Assembly meetings and the four administrators meetings which are held prior to the beginning of the school year.

With no further business, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg

MINUTES
North Dakota High School Activities Association
Board of Directors-Special Meeting
April 1, 2005

A special meeting of the North Dakota High School Activities Association Board of directors was called to order at 9:00 a.m. on April 1, 2005. President Schock called the meeting to order with all members present except Lockwood. Also present were Dean Wilson of Fargo South and Curt Jones of West Fargo.

Curt Jones addressed the Board with concerns with the out-of-season coaching rules and the professionalism of coaches involved with teams outside of the high school season. Also Jones addressed the Chicago Showcase event in which coaches have had the opportunity to coach at this tournament that has Olympic ramifications. The problem with hockey is they are unable to use the June and July exemption for camps and contests because ice is rarely available at that time of the year.

Dean Wilson addressed the Board in reference to the Select Team; again there is a problem with ice time. Mr. Wilson indicated the Select program is a branch of USA Hockey which is connected with the Olympic team.

Jungling asked what is the request – Chicago Showcase allowing coaching and/or select team allowing athletes. It was stated the players participating on the Select teams will be involved in this program. The issue is being able to have coaches with a background in education with the right values to be able to coach in this program.

Motion by Coles to approve the request to allow coaching contact for the Chicago Showcase. Second by Sanstead with a roll call vote indicating a unanimous vote.

No other action was taken. The prior decision from the March 18th meeting of the Board of Directors will stand.

The Board reviewed a cooperative sponsorship application from Park River and Adams-Edmore for 7-12 boys' golf. Motion by Duchscherer to approve. Second by Briggs and carried unanimously.

The Executive Secretary indicated he will be attending the meeting of Districts 13 and 14 along with Volesky, Schaible and Schock. This meeting is to talk about the placing of the Class B Region 7 Boys' Basketball tournament.

With no further business, President Schock declared the meeting adjourned.

Respectfully submitted,

MINUTES
North Dakota High School Activities Association
Board of Directors
April 20, 2005 – Valley City, ND

The Board of Directors of the North Dakota High School Activities met on April 20, 2005 at the North Dakota High School Activities Association office in Valley City. President Schock called the meeting

to order at 9:00 a.m. with all members present.

Following additions, motion by Briggs to approve the agenda. Second by Schaible and carried.

The minutes from the March 11, 2005 and March 18, 2005 regular meetings and the April 1, 2005 special meeting were reviewed. Motion by Volesky to approve. Second by Lockwood and carried.

The Executive Secretary reviewed the financial report including the balance sheet, YTD budget, savings and investment reports. Motion by Briggs to approve the report. Second by Sanstead and carried.

A request for dissolution of the Fordville/Lankin and Park River cooperative sponsorship program in golf was reviewed. Motion by Lockwood to approve. Second by Volesky and carried.

Applications for cooperative sponsorship programs were reviewed:

- a. Four Winds and Warwick in football, 7-12 (05-06)
Motion by Sanstead to approve with the provision they will not be eligible for play-offs for two years because they will not be re-divisioned. Second by Coles and carried.
- b. Farimount and Lidgerwood/Hankinson in girls' golf (04-05)
Motion by Carlson to approve. Second by Sanstead and carried 6-5 by a roll call vote as follows:
Briggs – no; Jungling – no; Lockwood – no; Sanstead – yes; Coles – yes; Knodle – yes
Carlson – yes; Schaible – no; Duchscherer – yes; Schock – yes; Volesky – no

Schaible reported on behalf of the Constitution & By-Laws Committee with the recommendation to the following wording change for Part two, Article XIV, Section XI on page 34:

- a. In the last sentence delete the words "Any" and replace with, "The administration of a member school of a". It would now read as: "The administration of a member school of a student who does not qualify under Section XI has the right to appeal to the NDHSAA Board of directors provided he/she has not reached his/her twentieth birthday and the student is academically eligible".

Motion by Volesky to approve this wording. Second by Briggs and carried.

Also, the wording used to set policy and regulations is to be provided by NDHSAA attorney Thune. This will be received for review at the June meeting.

It is recommended an administrator be required to appear before the Board before any hardship eligibility application is considered. Also, the following wording is recommended to the Hardship Eligibility application form:

- "G. The receiving school must be represented by a school administrator at the meeting where the consideration is given."

An administrator's e-mail addresses will be required on the form for the purposes of contacting those schools involved in the application. Motion by Briggs to approve. Second by Sanstead and carried.

The Constitution & By-Laws also reviewed the application form for cooperative sponsorship with consideration for adding questions to the form. The committee recommends any application should be posted on the NDHSAA web site for a minimum of 2 weeks prior to being considered. This would give member schools the opportunity to respond with feedback on the request. Duchscherer suggested it is important but may be it could also be put on the list serve and cut the time down. It was suggested the list serve be used to notify schools to check the web site when a new coop application has been filed. Volesky indicated the list serve would not be a good vehicle in which to receive comments from other schools. The association was directed to put together a school mailing in place of the list serve. Motion by Volesky to allow the two-week time period with a process of placing coop application listing on the website for reaction from member schools. Second by Knodle. Duchscherer indicated his intent of the e-mail process would eliminate some coop requests. Is two weeks needed? Coles stated this would give schools enough time to respond to the coop for scheduling purposes, etc. Briggs agreed the two-week period gives schools time to respond as well as causing schools to properly plan. Motion carried.

Volesky reported on behalf of the Finance Committee study on the guidelines for payment to schools. Each activity was studied with certain activities being capped. Extensive discussion followed. Discussion on Class A Region payment was reviewed. The finalized form will be reviewed for approval at the June meeting.

The Executive Secretary reported he, along with Knodle and Lockwood met with US Bank on April

14th concerning the upcoming sponsorship contract. The fees offered are \$70,000 for year one, \$75,000 for year two and \$80,000 for year three. Details discussed were (a) program ads, (b) signage, (c) presence at tournaments, (d), include logo on tournament bracket page. The right of first refusal and future percentage of increase have been removed from the contract. Motion by Coles to accept the terms of the new 3-year contract. Second by Briggs. Knodle clarified the Distinguished Student sponsorship is not part of this contract and will be continued separate from this contract. Motion carried.

The Board held audience with Jostens representative Rick Westra who requested to be the official still-shot photographer for all NDHSAA state tournaments. Samples and his web site were presented. A copy of a proposed agreement and a price list were reviewed. Many possible activities with this venture were reviewed. Following the presentation, President Schock assigned study of this proposal to the Media Committee. This meeting is set for 8:00 a.m. June 20th in Valley City.

Schaible reported on the Promotions and Programs Committee with a recommendation to award Gelaine Orvik the NDHSAA Distinguished Service Award. Motion by Schaible to approve the recommendation. Second by Sanstead and carried.

Volesky reported on behalf of the Tournament Committee on the site selections. The recommendations for sites are:

Motion by Volesky to accept these site recommendations for regional sites for the 2005-2006 year. Second by Briggs. Dave Nelson of Mayville-Portland CG and Mike Moore of Mayville State University appeared before the Board to support the Region 2 tournament site in Mayville. Motion approved.

The state tournament site recommendations were reviewed through 2008-2009. Motion by Volesky to approve sites as made. Second by Knodle and carried.

Volesky also recommended a survey be sent to all girls hockey programs concerning state tournament sites and workings. This will be sent pending approval by the Board. Motion by Coles to approve this survey. Second by Sanstead and carried.

A letter from Mandan requesting moving the 2005 State B Baseball tournament from Mandan to Bismarck if the renovation of the facility in Mandan is not completed was reviewed. At this point, construction is 2 weeks ahead of schedule but there are still variables that may cause the facility to not be ready. Motion by Briggs to allow this flexibility for Mandan to make this decision. Second by Sanstead and carried.

Coles reported on behalf of the Officials Committee:

1. Place on the registration form a notification that non-reciprocity officials who officiate a contest may be declared ineligible.
2. Officials using tobacco at a state tournament site may be subject to penalty.
3. Beginning with the 2005-2006 year, the sit-out rule shall be for any three basketball tournaments. An official who works any of the state basketball tournaments three years in a row must sit out the next year of basketball tournaments.

Motion by Coles to accept the sit-out rule as presented by the Officials Committee. Second by Sanstead and carried.

The committee also referenced the fact three-whistle coverage for basketball is supported by the North Dakota Officials Association and is also being recommended by Class B schools. Carlson indicated the importance of training three-whistle coverage at the training session.

The issue of hiring soccer officials for the state tournament was discussed. The addition of one game to the state tournament schedule may warrant hiring of additional officials. No further action was taken.

A recommendation addressing officials' ballot selection was discussed. The Board discussed when an official receives fewer than two votes, the office staff may be more effective by using their discretion as to who to hire to fill this position(s). Motion by Volesky to give latitude when making decisions on hiring post-season tournament officials when these receive fewer than two votes. Second by Carlson and carried.

The issue of bench decorum was discussed. No further action was taken at this time.

The Board reviewed the bids for 1500 NDHSAA calendar as follows:

- 3-D Printing - Fargo - \$4,019.87
- Shenyne Printing - Valley City - \$3,688.53
- The Printers - Bismarck - \$3,900.00

Motion by Sanstead to approve the bid from Shenyne Printing Company. Second by Coles and carried.

The Board discussed the reorganization of the Board for the 2005-2006 year. Motion by Schaible to approve Vice-President Lockwood to serve as president. Second by Carlson and carried.

The Vice President position was discussed. Carlson nominated Briggs to serve as vice-president. With no further nominations, motion by Volesky to cast a unanimous ballot. Second by Schaible and carried.

The Executive Secretary shared with the Board the problems with the Gestetner copy machine. Presently, purchase price of \$1643, we can purchase a new copy machine for a monthly lease of ? Also, the company will rebate \$8,200 for the old machine. Motion by Briggs to approve the lease of the new copy machine. Second by Coles and carried.

The Board discussed the plans for the summer national convention workshop sessions.

The Executive Secretary informed the Board a Western Dakota Association request will be coming to the NDHSAA supporting the move of Jamestown from the EDC to the WDA. All WDA schools with the exception of one are in favor of this move. Motion by Sanstead to table this consideration until the June meeting to allow the Class A Region Committee to study and bring forward a recommendation. Second by Briggs and carried.

Committee meetings were scheduled for June 20th:

Media Committee - 8:00 a.m.
Trophy Committee - 10:00 a.m.
Football Committee - 10:30
Class A Region Committee - 2:00 p.m.

The National Federation Wrestling Committee is recommending to the NF Board of Directors to approve a rule concerning weight certification. This rule will have a three-prong test which includes:

- Hydration testing
- Body Fat
- 1 ½ % weight loss per week

Staff member Carlisrud spoke on this subject. Currently there is a weight management program through the National Wrestling Coaches Association available to schools to register for \$35. This would allow as many athletes as they have to use their program to monitor their weight. Motion by Coles to form a committee to study this issue. Second by Sanstead and carried. Board member Knodle volunteered to serve on this committee along with representatives from the Wrestling Advisory Committee.

The Executive Secretary gave his report:

- a. The Board may be asked in the future to consider a student leadership conference or sportsmanship summit. We possibly would have a sponsorship by the National Guard to put this program in place.
- b. A conversation with Bob Hanson, Commissioner of Veteran Affairs indicated there may be veterans preference applied when hiring a coach. He is waiting for an attorney general interpretation of this.
- c. The National Federation Basketball Rules Committee has approved the use of a 35-second shot clock by state association adoption. This is now forwarded to the National Federation Board of Directors for final approval.

The next meeting is scheduled for June 21st in Valley City. Committee meetings were scheduled earlier in the meeting. Retirement supper is scheduled for 6:00 p.m. on the 20th at City Lights.

With no further business, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

MINUTES
North Dakota High School Activities Association
Board of Directors
June 21, 2005 - Valley City, ND

The Board of Directors of the North Dakota High School Activities Association met June 21, 2005 in Valley City. President Schock called the meeting to order at 9:15 a.m. with all members present.

Following additions, motion by Briggs to approve the agenda. Second by Jungling and carried.

The Board reviewed the minutes from April 1, 2005 special meeting and the April 20 regular meeting. Motion by Volesky to approve the minutes. Second by Lockwood and carried.

The Executive Secretary reviewed with the Board the balance sheet, year to date budget, savings and investment report. Checks written reports for April and May were also included in this report. The Board examined the Winter Sports, Spring Sports and Fine Arts financial reports which were sent to the Board earlier for review. Motion by Briggs to approve the finance report. Second by Lockwood and carried.

The Board reviewed the following requests for cooperative sponsorship program dissolutions along with the year the dissolution will go into effect:

- Kensal and Midkota in track & field (2006)

Motion by Volesky to accept this dissolution. Second by Sanstead and carried.

- Berthold and Des Lacs-Burlington in track & field (2006)
 - North Shore-Plaza and Parshall in track & field (2006)
- Motion by Briggs to accept these dissolutions. Second by Lockwood and carried.

The Board discussed the dissolution request from Selfridge to dissolve the Selfridge/Solen (Dakota Oyate) cooperative sponsorship program in boys' and girls' basketball. Motion by Duchscherer to table this dissolution until receipt of approval by Solen because this coop is within the first three years. Second by Jungling and carried.

The Board reviewed the following requests for approval of a cooperative sponsorship program along with the year the coop will go into effect:

- Mandan and Center in boys' hockey, 9-12 (05-06)
- Grafton, Park River, Minto, Drayton and Cavalier in boys' hockey, (05-06)
- Lewis & Clark Berthold and Lewis & Clark North Shore/Plaza in golf, track & field and speech, 7-12 (05-06)
- North Sargent and Sargent Central in girls' & boys' track & field, 7-12 (05-06)
- Mandan and Sweet Briar in volleyball and girls' track & field, 7-8 (05-06)
- Williston Trinity Christian and Trenton in baseball, 7-12 (05-06)

Motion by Lockwood to approve the cooperative sponsorship applications. Second by Sanstead and carried with one dissenting vote.

President Schock deferred to the Executive Secretary to report on behalf of the Executive Board.

- Kindred High School allowed an ineligible student to compete in a track meet. Along with a forfeiture of all points which the individual earned, the committee directed the Executive Secretary to write a letter of reprimand to the school.
- Adams Edmore allowed a baseball player to exceed the innings pitched regulation. The committee directed a letter of reprimand and forfeiture of the game. This also changed team advancement to the regional tournament.
- The committee recommended for Board adoption the regulation to state: "At a minimum, the use of an ineligible participant in team sports, will result in forfeiture of contest(s) and the participant will sit out the next regular scheduled contest. With a prescribed penalty, this will reduce the number of incidents that must be presented to the Executive Board and allows more consistency in dealing with rule violations.

Motion by Coles to approve the recommendation to adopt the prescribed penalty for team sports change in policy. Second by Schaible and carried.

Carlson reported on behalf of the Media Committee concerning the still-shot photography proposal submitted by Rick Westra of Jostens Photography. This would be for athletics only. Support for lighting and camera placement would be between Jostens' and the venue manager (not the tournament manager). The committee also adjusted some of the terms of the proposed agreement. This is a three-year agreement and at the end of the year each year, a report will be submitted to the NDHSAA Board of Directors. A proposed bullet was added to the agreement indicating the contracted television station would have preference in placement of cameras. Motion by Knodle to accept the recommendations of the committee as changed through discussion of the Board if agreed upon by Jostens Photography. Second by Briggs and carried.

Carlson reported on behalf of the Trophy Committee with the following company proposals and amounts recommended to the Board:

- Allard Trophy
- ESCO
- Awards & Trophies
- Four Seasons

Motion by Lockwood to approve the report. Second by Jungling and carried.

Presentation of individual trophies at state football ceremonies was discussed. The number of football players allowed to dress is a different number than the number of awards that are being awarded. Motion by Coles to purchase the number of awards as deemed necessary and cover the cost of those additional plaques. Second by Jungling. Motion and second withdrawn. Motion by Coles to order the maximum number of awards of those that are allowed to dress. Schools will be billed for the difference between the number of awards presently allowed and the maximum number dressed. Second by Carlson and carried.

Coles reported on the Football Committee's meeting held to address the final parameters to apply to the administration of the current football plan and any subsequent plan. Those parameters proposed are:

- Football plans are established for two years: Season years are 2005-2006, 2006-2007, 2007-2008, etc.
- There will be four divisions of football.
- Straight enrollment will be used for determining divisions.
- Co-ops shall count one for one. (enrollments)

- Grades 9-11 male enrollments as provided by DPI shall be used.
- Schools may petition to move up to a higher division if the next smaller enrollment school in that division is willing to move down and so on.
- The number of teams in the top three divisions will remain constant for the years of the plan. (AAA=16, A=16, A=32)
 - If a school in one of the upper three divisions discontinues football during the two-year plan, the number of teams remaining in that division will not be changed in the second year.
 - If a co-op is approved for the 2nd year of the plan, realignment in any of the top three divisions may be allowed with consideration given to the geographic location of schools involved in the change.
- Geography can be an issue when establishing regional boundaries but not for determining division assignments.
- For both years of the two-year plan, new co-op applications must be submitted by the end of the preceding football season. (no extensions or fines will be considered)
 - This will require a wording change to note on page 77 of the Constitution & By-Laws.
 - Word change will be reviewed at the August meeting.

This information will go out to member schools for response. Final time-line will be September, giving the Board the August meeting to review these responses. Duchscherer shared concern over the requirement of 32 teams in the A division with the lower enrollment school's ability to compete and would like to see three divisions of football. Lockwood indicated four divisions allows for less disparity in enrollments within a division.

Carlson reported on behalf of the Class B Redistricting Committee. Recommendations are:

- District 7 & 8 has an imbalance. Recommended is to move Minnewaukan and Leeds from District 7 to District 8 in girls' and boys' basketball. With the difference in volleyball coops, there is no recommended change at this time.
- Districts 13 and 14. Proposed placing Beulah in District 14 and move Belfield and South Heart from District 14 to 13 for boys' and girls' basketball and volleyball.

These recommendations will be communicated to the schools as well as the district chairman of each of these districts in pursuit of responses from these districts. Final placement will be made at a future meeting. Motion by Lockwood to approve the report. Second by Briggs and carried.

Schaible reported on behalf of the Constitution & By-Laws Committee. NDHSAA attorney Thune was present at the committee meeting via telephone. The committee reviewed Thune's recommendation for change of wording regarding eligibility for students involved in school district dissolution or reorganization. Motion by Sanstead to take previous motion from the table regarding this subject. Second by Briggs and carried. Motion by Sanstead to approve the language provided by the attorney including the interpretations as presented by Attorney Thune. Second by Carlson and carried with three dissenting votes.

Schaible also reported on the committee's study of policy and regulations as pertaining to the powers and duties of the NDHSAA Board of Directors. The wording proposed is:

n. It shall have the authority to adopt policies and regulation in furtherance of the exercise and implementation of its powers and duties
Motion by Coles to approve the presentation of this amendment to the membership for a vote at the next General Assembly meeting as per Constitution & By-Laws requirements. Second by Schaible and carried.

The proposed change to Part II, Article 14, Section 11 - 8 semester rule: Motion by Briggs to approve this amendment to the Constitution & By-Laws. Second by Volesky and carried.

The committee studied the period of ineligibility which is 90 days for transfer students but no time of ineligibility for CSIET students entering a new high school. The question raised is, do we still want one allowable year of eligibility for CSIET students, or 90 days of ineligibility for foreign students who are attending not from an approved program. Suggested by attorney is to standardize rules for foreign and domestic students moving into a new school. Discussion followed. It was noted that transfer students are more apt to be ineligible for football and become eligible for basketball. This could be considered unfair for football athletes. Consideration of a one-calendar year of ineligibility for transfer students would eliminate that situation. Motion by Volesky to treat all students, foreign and domestic, with the same transfer rule. Second by Coles and carried.

Also Attorney Thune recommended a due process procedure for hardship eligibility rules. Section 10; part b would be amended to read:

"...investigated and ruled on by the Executive Secretary who will provide a written report. Appeal may be made to the Executive Committee and then to the full board." Motion by Briggs to approve this change. Second by Sanstead and carried. This will require a vote of the membership at the October meeting.

For the September meeting, the Board directed the Constitution & By-Laws Committee to draft wording for the Constitution to change the Class A Board representation from East, West and Central to East, West and At-Large. This will be presented in time for a mail ballot in December, 2005 and the results to be announced at the January, 2006 meeting of the membership.

The Board discussed the future of the girls' state hockey tournament. A survey will be taken prior to taking any action concerning the location of the girls' state hockey tournament. The Board had previously authorized a survey to be sent to member schools to help in the direction of the selection of site and format of the girls' state hockey tournament. Study will continue on how and when this combination of tournaments will take place. It was stated the Board endorsed and is working toward the combination of girls' and boys' state hockey with details still to be determined.

The Board held audience with a delegation from Jamestown as requested by the mayor of Jamestown to address the Board concerning the Class B State Girls' Basketball Tournament being moved out of Jamestown. Supt. Dave Smette and Athletic Director Jim Roaldson represented Jamestown asking what can be done to again be reconsidered for state tournament assignments. It was clarified the management and hospitality of Jamestown was not the reason for moving the tournament. The actual reason for moving the tournament site was the lack of blocks of motel space within the city. The Board thanked the delegation for coming to share.

Lockwood reported on behalf of the Class A Regional Committee's study of the recommendation to move Jamestown from East A Region to West Region for all activities beginning with the 2006-2007 school year. This recommendation was brought forth by the majority of West Region schools. With the addition of Beulah moving to Class A, this would provide 9 Class A schools for each region. There is also the future potential of Fargo and West Fargo each opening a new high school as well as Central Cass growing to the point where they may surpass the 325 enrollment, causing them to move to Class A. Supt. Dave Smette and Ath. Dir. Jim Roaldson shared the views and feelings of the Jamestown community concerning this possible re-assignment. The Class A Regional Committee supports the realignment moving Jamestown from the East Region to the West Region with these four rationales:

1. Jamestown has previously been involved in 3 varsity sports in the West Region.
2. Jamestown's JV programs are already participating in sports in the West Region.
3. This move would create a balance of regions.
4. Jamestown would have a definite regional identity.

Motion by Volesky to move Jamestown from the East Region and the West Region for all activities. Second by Knodle. Roaldson spoke on behalf of Jamestown in response to this action including these four main concerns:

1. Addition to the school district budget
2. Loss of school time
3. Media coverage
4. Increase in travel

Motion carried with two dissenting votes.

The Board reviewed the recommendations from the Class B District Chairpersons, advisory committee recommendations and Athletic Review Committee recommendations. By vote of each recommendation, the results are:

| 4. Recommend all team sports be allowed one pre-season scrimmage beyond regular season contests. | | | A (10-0) |

The Board reviewed the Fine Arts recommendations. By vote of the Board, the following action was taken: (App) = Approved by NDHSAA Board. (Denied) = Denied by NDHSAA Board (NA)= no vote required.

Music:**CLASS A:****1. Class A Instrumental Format:**

- (App) 2005-06 East Region/State Instrumental format will remain the same as 2004-05: East Region/State Instrumental Solo Festival and East Instrumental Ensemble Festival. NDHSAA will subsidize to a maximum of \$1250 for a two festival total. No advancement.
- (App) 2005-06 West State Instrumental format will remain the same as 2004-05: West State Saxophone/Percussion Festival, West State Woodwind Festival and a West State Brass Festival. NDHSAA will subsidize to a maximum of \$1250 for a three festival total. No advancement from these festivals. Awards the same as 2004-05.

CLASS A & B:

- (APP) Endorse new solo and ensemble ballots for instrumental ballots as presented by ND National Band Association. (All were e-mailed new ballot after meeting and no negative response received)
- (DENIED): Will finish new vocal ballot this summer and seek ACDA approval to place in 2005-05 Rules Book.
- (APP) Rule T, Page 14: Revise to read, "Electronically produced piano accompaniment allowed for solo/ensemble entries."
- (APP) Discontinue Rule 24 page 17. Refers only for large groups not eligible for state. Regions may decide if parts can be electronically produced.

Speech**I. Student Congress:**

- (APP) Eliminate Crossover Speeches
- (APP) Each student shall be limited to writing resolutions, one per committee, in the chamber in which he/she is seated.
- (APP) Change Student Congress Judge Ballot criteria to read as follows: 10-9 = Very Strong, 8-7 = Strong, 6-5 = Effective, 4-3 = Developing, 2-1 = Emerging
- (APP) Submission of a resolution for each student per each congress is optional

II. Debate

- (APP) Add a novice division to Public Forum with same novice limits as for other categories.
- (APP) Change Sweepstakes to one set of trophies (1st through 4th) and calculate on points garnered for all divisions: Policy Debate, Lincoln-Douglas Debate and Public Forum Debate.

III. Speech

a. (APP) Radio Timing. See Section 4, part C. Timing: Suggestion is we add, "The transition between the Extemporaneous portion and the Commentary portion must be counted as part of the Commentary."

b. (APP) Revised Interpretation Introduction Rules as follows: "The participant must introduce the selection with original remarks pertinent to the materials. Attention getters and/or teasers are recommended to supplement the introduction. During the "teaser", the speaker (s) must hold the script and use focal points (Duos only) P. 17, Section 5.

c. (APP) BURDEN OF PROOF CLARIFICATION: Burden of proof may be met by attaching photocopies of pertinent pages of a book, magazine or manuscript that prove genre and copyright to the student's script or speech. Information must include the photocopy of book cover or magazine cover, title of selection, author or playwright, copyright date and Publisher, proof of genre (i.e. Jack's Book of Poetry, A Book on One Act Plays, etc.) and at least first page of selection. Coaches should keep copies, but the burden is upon the participant at the time the judge makes inquiry, otherwise rounds would be unduly prolonged. The contest is for the participant! (#3, page 8 and 4C, page 17, 4D, p. 18 4D, P. 19).

d. (APP) COPYRIGHT: All cuttings and/or selections must be copyrighted and an ISBN number or Dewey Decimal number may be shown, but is not required, to prove genre or copyright. References to copyright have been altered: 4C, p. 17, 4D, p. 18, 4C on p. 18, 4E, p. 17, 4d, p. 19, 4C, p. 21. Place in each genre, "Students can not author their own selection."

e. (APP) INTERNET SELECTION REQUIREMENTS for interpretation selections as well as bibliography for sources used in original speeches or extemporaneous speaking must include the following: title of selection, author or playwright, name of website, website address, access date, plus an attached printout of the web source such as SimplyScripts.com plus a printout of the actual script which contains web information.

The Board reviewed a request from Tappen High School to move from Region 7 to Region 6 in music, drama and speech. Letters supporting this move were received from both regions. Motion by Briggs to approve. Second by Jungling and carried.

The fall sport regulations were reviewed. Motion by Lockwood to approve these regulations with the changes to reflect the regulations from athletic review as approved earlier in the meeting. Second by Duchscherer and carried.

Volesky reported on behalf of the Finance Committee with the following:

- a. Proposed budget for the 2005-2006 year. It was explained how the change in the way team payments are administered changes the numbers of the budget. Team payments will include \$50,000 which will be taken from the interim fund.

Motion by Briggs to approve the budget as presented. Second by Knodle and carried.

- b. It was reported by the Finance Committee that team payments for Class A Region play-in basketball and volleyball teams not advancing to the regional tournament should have team payments that reflect the one day and 15 participants should be counted. Motion by Volesky that play-in basketball and volleyball teams will receive a team payment for one day and play-in basketball teams will not receive profit distribution of the entire tournament. Second by Schaible and carried.

Motion by Volesky that 7.5 participants shall be used to figure team payments for teams that qualify for Class A Region Basketball. Second by Coles. It was determined that using 7.5 participants would result in very similar payments as in the past since team payments are no longer deducted before figuring profit. It was also discussed and understood that Regional Volleyball payments would be based on 15 participants as there is no profit-sharing. Motion carried.

It was emphasized the importance of tournament managers being timely with turning in the financial forms from regional and state events, particularly the spring tournaments. This is to allow processing the team payments in a timely manner. Jungling indicated the NDIAAA will also emphasize the importance of completing financial reports.

The Board reviewed the adjustments of the US Bank contract with the changes that were made from the original wording. The changes were:

- a. Description of Event: existing activities
- b. Paragraph 3.2
- c. Post event evaluation adjusted for Exhibit A
- d. Page 10, Exhibit A - Item d
- e. Page 12 - Minimum contents of the post-event evaluation was acceptable if "if available" was underlined.
- f. Page 14 - Non-athletic events. Distinguished Student awards shall be asterisked or

placed elsewhere as separate from the basic contract.

- g. Page 15 - Made Farmers Union Insurance as an exception

- h. Page 15 - Operating marketing plan was deleted from the contract.

Motion by Sanstead to conditionally approve the contract with the premiere partner of the NDHSA as adjusted. Second by Lockwood and carried.

It was suggested the trophy award presentation assignment sheet be shared with US Bank as well as the Board. This will help in planning for each tournament awards ceremony.

The technology plan for 2005-06, 2006-2007 and 2007-2008 was reviewed by the Board for approval. Motion by Briggs to approve the report. Second by Sanstead and carried.

The Board reviewed the Sportsmanship Plan. It was shared that each plan called for schools to evaluate the plan following the completion of the year. Knodle shared the concern that came from the Eastern Dakota Principals Association meeting. The major concern is the existence of a sportsmanship banner at state tournaments. It was requested there would be no banner or if the banner continues, each tournament community have a committee rather than each school supplying their own committee. Coles indicated support to continue the program. Jungling shared the feelings of the West Principals in wanting more consistency in determining which schools were to receive the banner. Volesky recommended a committee of Board members study the responses and review the current plan. Knodle (Chair), Lockwood, Schaible, and Volesky volunteered to conduct this study. Their findings and recommendations will be presented at the August or September meeting.

The Executive Secretary reviewed with the Board the possibility of hosting a leadership/sportsmanship summit and asked the Board if this is a concept that the staff should pursue. Sanstead shared there are models of this type of summit currently being held by other organizations and there may be a saturation of activities. Volesky indicated because of the similar activities now in place, addition of another activity state-wide may not be in the member school's best interest. Lockwood told the group that Fargo, West Fargo, Moorhead and Shanley currently have a ropes course and team summit. The Board responded that this would be placed on hold to be considered at a later date.

Staff member Carlsrud informed the Board the NF Wrestling Rules Committee has approved a three-pronged weight management program to be in effect for the 2006-2007 season. The three-pronged plan is:

1. Hydration
2. Body fat
3. Controlled descent

Response is:

1. A committee indicated a color chart to check dehydration will be used.
2. A caliper will check body fat.
3. A monitored weight descent plan through the National Wrestling is available on the Internet. This is a \$30 fee per school which would make this program available to all students in the school also allow individuals involved in cross country, football, gymnasts, etc. to monitor weight and dehydration.

Knodle indicated those in attendance at their ad hoc committee, all were in agreement with the addition of the monitored weight descent. Also, the committee was appreciative of the program which not only gives each student guidelines in weight management, but also provides menus, nutrition, etc. Some schools will pilot the program this year but, by National Federation rule, will be in effect the following year. Motion by Briggs to approve. Second by Jungling and carried.

Reviewed were the dates for the 2005-2006 meetings:

- August 11 - Valley City
- September 27 - Valley City (there is no DPI Fall Conference)
- October 19 - Bismarck
- October 20 - General Assembly Meeting, Bismarck

- March 17 - Bismarck (Dist. Chairperson and Board meeting)
- April 19 - Valley City
- June 13 - Athletic Review
- June 20 - Valley City

Motion by Briggs to approve as presented. Second by Schaible and carried.

The Executive Secretary shared the steroids educational materials as published by the National Federation. The NF is asking for each association to participate by submitting \$1,000. Motion by Carlson to participate. Second by Duchscherer and carried.

The Board reviewed a letter from Gary Mailloux, Sec./Treas of the EDC requesting a date change for girls' tennis in 2006 to allow play one day earlier than previously approved. If this is done, the

start date would allow only 8 days of practice prior to the first contest. Motion by Volesky to allow the requirement of 8 days of practice for girls' tennis for one calendar year only. Second by Carlson and carried.

Class B golf and Class A and B regional track site recommendations and invites were presented for Board approval.

Region golf sites – Girls' / Boys'

Motion by Jungling to approve. Second by Sanstead and carried.

The Board reviewed the policy for Board per diem. Motion by Briggs to change the per diem policy to state rates to go into effect July 1. Second by Schaible and carried.

The board was asked how mileage will affect judges and officials. Motion by Volesky that the mileage will be the state rate for all officials contracted by the NDHSAA. Second by Schaible and carried.

Board correspondence – the Board reviewed a number of letters concerning the State Girls' Hockey tournament site as well as a letter from Verona.

The Executive Secretary gave his report.

- a. A letter from Bonnie Overby was sent and the response will direct this individual to follow proper procedure on the request.

The next meeting will be August 11 in Valley City

With no further business, President Schock declared the meeting adjourned.

Respectfully Submitted,
Sheryl Solberg
Asst. to the Exec. Sec.

The Distinguished Student Award program recognizes outstanding high school juniors for their activity participation and leadership within their schools and communities. These students are acknowledged for being positive role models and peer motivators. Sixty-three high school juniors from across the state were nominated by their respective principals for this award in 2003.

U.S. Bank is a partner in this program and provides the funds for the scholarship awards. The Distinguished Student receives a \$2000 scholarship, the runner-up a \$1000 scholarship and the other four finalists each receive a \$500 scholarship.

The Distinguished Student and the other finalists are student ambassadors for the NDHSAA and are invited to help present awards at various events as well as lead the "Parade of Champions" held in March of each year. They will also help promote High School Activities Week, as well as promote the values of high school activities participation.

Following is a list of students who have been named "Distinguished Student" and the year they were selected for this award.

INDEPENDENT AUDITOR'S REPORT

Board of Directors

North Dakota High School Activities Association
Valley City, North Dakota

I have audited the accompanying statement of assets, liabilities, and net assets- cash basis of the North Dakota High School Activities Association (a North Dakota nonprofit corporation) as of June 30, 2005 and 2004, and the related statements of activities- cash basis and cash flows- cash basis for the years then ended. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with U.S. generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe my audit provides reasonable basis for my opinion.

As described in Note 1, the Association prepares its financial statements on the basis of cash receipts and disbursements. This basis is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets- cash basis of the North Dakota High School Activities Association as of June 30, 2005 and 2004, and changes in net assets- cash basis and its cash flows- cash basis for the years then ended on the basis of accounting described in the Note 1.

My audit was made for the purpose of forming an opinion on the financial statements of the Association taken as a whole. The supplementary financial information as presented on pages 184-187 for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2005 AND 2004

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The North Dakota High School Activities Association is a nonprofit corporation established for the purpose of providing service for all local school districts in North Dakota. The major funding sources for the Association are membership dues and sales and charges at athletic events.

A. Basis of Accounting

The Association maintains its records on the cash basis of accounting. Under this method of accounting, revenues and related assets are recorded when received rather than when earned or receivable, and expenses are recorded when the obligation is paid. This differs from generally accepted accounting principles in that revenues are to be recorded when earned rather than when received and expenses recorded when incurred rather than when paid.

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Property and Equipment

Property and equipment are stated at cost. Depreciation of buildings and equipment is computed on the straight-line method over the estimated useful lives of the asset which range from Three to twenty years. The Association capitalizes all significant equipment and building additions. The Association does not capitalize costs associated with its web site.

D. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposits and all highly liquid debt instruments with original maturities of three months or less.

E. Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Boards in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted assets and permanently restricted net assets. In addition the Association is required to present a statement of cash flows.

F. Income Tax Status

The Association is a not-for-profit organization that is exempt from income taxes under section 501 (c) (3) of the Internal Revenue Code. The Association is not a private foundation.

G. Investments

Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

H. Designation of Unrestricted Assets

It is the policy of the Board of Directors of the Association to review its plans for future property improvements and acquisitions from time to time and to designate appropriate sums of unrestricted net assets to assure adequate financing of such improvements and acquisitions.

2. INVESTMENTS

Investments are presented in the financial statements in the aggregate at fair market value (amortized, in the case of bonds). For investments other than certificates of deposit, fair market value was determined by references to the brokers statements.

Investments are composed of the following:

	<u>Cost</u>	<u>Market</u>
Certificates of deposit	\$400,000	\$400,000
Annuities	410,779	438,793
Bonds	<u>71,722</u>	<u>61,755</u>
	<u>\$882,501</u>	<u>\$910,515</u>

Invested in fixed assets	60,731
Undesignated	<u>1,164,474</u>
	<u>\$1,350,205</u>

5. PENSION PLANS

Three professional employees participate in the North Dakota Teachers Fund for Retirement (TFFR). Once these employees terminate their employment at the Association no other employees will be allowed to participate in TFFR. One professional and all clerical employees participate in a tax deferred annuity program. Employer contributes 16.8% of the employee's salary as determined according to TFFR. Total expense for the Association for the year ended June 30, 2005 and 2004 was \$67,711 and \$63,880 respectively.

6. ALLOCATION OF EXPENSES

As required by FASB No. 117, the following is a breakdown of expenses by function:

Program	\$1,368,347
General and administrative	<u>85,202</u>
	<u>\$1,453,549</u>

7. RISK MANAGEMENT

The Association is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors or omissions; injuries to employees; or natural disasters. The Association participates in the North Dakota Insurance Reserve Fund (NDIRF), a public entity risk pool for its general property and casualty and other miscellaneous insurance coverages. The NDIRF operates as common risk management and insurance program for North Dakota cities and schools. The Association pays an annual assessment to the NDIRF for its general insurance coverage. The NDIRF agreement provides that the Trust will be self-sustaining through member assessments and will re-insure through commercial companies for claims in excess of certain limits for each insured event.

The Association also carries commercial insurance for certain other risks of loss including employee health insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three years.
